City of Long Beach

Dear Mayor O'Neill and Members of the City Council:

I am writing regarding Item 26 on tonight's City Council agenda. This is the report on the findings from the consultant's review on the business relationship between the City of Long Beach and Queen's Seaport Development, Inc.

At this writing, we have not had the opportunity to see the review. However, we look forward to working with the City Manager to resolve any issues that result from the report. I fully believe that reasonable minds can arrive at reasonable solutions.

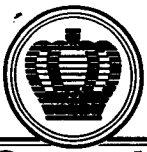

Respectfully,

Joseph F. Prevratil
President and CEO
Queen's Seaport Development, Inc.
