

R-13

Date: November 16, 2004

To: Honorable Mayor and City Council

From: Councilmember Tonia Reyes Uranga, Chair, I-710 Oversight Committee

Subject: **REQUEST BY GATEWAY CITIES COG FOR CITY RESOLUTION REGARDING THE I-710 MAJOR CORRIDOR STUDY DESIGN CONCEPT AND COMMUNITY RECOMMENDATIONS**

The I-710 Oversight Committee, at its meeting held November 10, 2004, considered communications relative to the above subject.

It is the recommendation of the Committee that the City Council adopt a resolution recommending: i) that the I-710 Oversight Policy Committee approve the design concepts developed by the Long Beach I-710 Oversight Committee with significant input from the community as the Long Beach locally preferred strategy pursuant to the Major Corridor Study for the purposes of environmental analysis in the next phase of the process of examining potential improvements to the I-710 corridor; ii) that the I-710 Oversight Policy Committee approve the Opportunity/Strategy Recommendations and Conditions of the Tier 2 Committee as guidance for the environmental analysis in the next phase of the process of examining potential improvements to the I-710 Corridor; and iii) that the issues, concerns, and recommendations set forth in the Tier 2 report be fully analyzed, evaluated and considered and appropriate mitigations of the impacts upon the environment, community and residents set forth therein be identified in conjunction with the next phase of the process of examining potential improvements to the I-710 corridor.

Respectfully submitted,

I-710 OVERSIGHT COMMITTEE

Councilmember Tonia Reyes Uranga, Chair
