THE LONG BEACH  
JUNETEENTH  
CELEBRATION

April 13, 2022

Dear Mr. Garner,

Thank you for your interest in sponsoring the 2022 Long Beach Juneteenth Celebration. Last year's event was held on Historic Pine Avenue, right after pandemic restrictions, on the first official celebration of the national holiday, and with over 3000 people it was a smashing success! This year's event will be even better and we would love to include you as part of the Juneteenth family.

This year's event will be held on Saturday, June 18, 2022, from 11:00AM-7:00PM at the iconic Rainbow Lagoon Park (400 E. Shoreline Dr.). This legendary venue will allow us to upgrade every aspect of the event, from the size of the stage to the number of vendors and activities we can offer the community. We are in the process of booking a major headliner that will move the crowd, guarantee major media coverage, and get us to our goal of 10,000 guests.

The Long Beach Juneteenth Celebration aims to achieve the following goals:

- Provide a feeling of joy and dignity for Black people and people who love Black culture.
- Educate people about and celebrate the Juneteenth holiday, giving us all a greater awareness of how central it is to celebrating OUR collective American experience.
- Establish the City of Long Beach as the premier destination in Southern California to celebrate this important holiday, and bring thousands of people here to celebrate in the same way that Long Beach Pride, the Long Beach Marathon and the Long Beach Grand Prix do.

We are so grateful for the Long Beach Water Department's important work in the Long Beach community. We have attached our sponsorship level sheet, should you wish to consider sponsoring the festivities this year. I believe the Long Beach Juneteenth Celebration aligns well with your important work in diversity, equity and inclusion and hope to see you at the event!

Thank you for your consideration in sponsoring the Long Beach Juneteenth Celebration. We look forward to hearing from you soon. Please feel free to contact me should you have any questions going forward.

Appreciatively,

Carl A. Kemp

## BOARD OF WATER COMMISSIONERS

### Policy Statement 1998-31

#### EXPENDITURE OF WATER DEPARTMENT FUNDS FOR BOARD APPROVED LONG BEACH RELATED COMMUNITY AND CIVIC ACTIVITIES

---

The source of the Water Department's revenues come predominantly from our customers' monthly payments for water and sewer services. The Board of Water Commissioners has a fiduciary responsibility to see that this money is spent to support the primary mission of the Department - providing the highest quality of water and sewer services to Long Beach residents and businesses.

Consistent with that mission, it is important for the Water Department to be an integral part of our Long Beach community. This includes educating and engaging Long Beach residents by supporting and participating in various activities and events of civic and non-profit organizations within our community and region.

Consistent with these goals, the Board of Water Commissioners has instituted the following guidelines for sponsoring and participating in community events:

- A. For events or activities that provide a clear educational component focused largely on water or sewer services, including water conservation, or provides the Water Department with an observable presence within the water or sewer industry, or involve a broad-based civic involvement, the Board will consider financial sponsorships of \$1,000 or more, as deemed appropriate.
- B. For events that do not have a primary focus on water/sewer issues but do provide the Water Department with an observable presence within the community, a financial contribution of \$1,000 or less will be considered by the Board. This contribution can include the purchase of individual event tickets and/or table participation and/or visible branding opportunities such as program advertisements. Consideration of more significant financial support will be given in those cases in which the Water Department partners with another City department(s).
- C. Beyond the level of focus the activity may or may not have on water/sewer services, the Board will also take into consideration other factors such as: a) past financial contributions from the Water Department, b) other financial support that may already be provided from the City of Long Beach, c) the make-up of the audience participating in the event in terms of size and free public access as compared with a limited, paying audience, and d) non-profit designation as compared with for-profit entity.
