Pursuant to Section 21.25.206 of the Long Beach Municipal Code, a Conditional Use Permit can be granted only when positive findings are made consistent with the following criteria set forth in the Zoning Ordinance. These findings and staff analysis are presented for consideration, adoption and incorporation into the record of proceedings:

1. THE APPROVAL IS CONSISTENT WITH AND CARRIES OUT THE GENERAL PLAN, ANY APPLICABLE SPECIFIC PLANS SUCH AS THE LOCAL COASTAL PROGRAM AND ALL ZONING REGULATIONS OF THE APPLICABLE DISTRICT;

The project site is located in Land Use District #7 – Mixed Uses Commercial District. LUD #7 is intended to blend compatible land uses with the goal of increasing the efficiency and vitality of an urban site. The proposed sales of alcoholic beverages at a restaurant are consistent with the requirements of this district; therefore, the principal use of the site is consistent with the General Plan. The subject site is located in the Coastal Zone. Conformance with the Local Coastal Program has been met and is demonstrated by the findings subsequently found under the Local Coastal Development Permit Findings. The project is consistent with the zoning regulations of the Southeast Area Development Improvement Plan (PD-1) Subarea 17 zoning district as the on-site sale of alcoholic beverages (Type 41 – Beer and Wine) are allowed through the Conditional Use Permit process.

2. THE PROPOSED USE WILL NOT BE DETRIMENTAL TO THE SURROUNDING COMMUNITY INCLUDING PUBLIC HEALTH, SAFETY OR GENERAL WELFARE, ENVIRONMENTAL QUALITY OR QUALITY OF LIFE;

Conditions of approval are included to ensure minimization of any negative impacts associated with the operation of the proposed project. Conditions include security measures to prevent nuisances and loitering and to ensure safe operations of the facility.

3. THE APPROVAL IS IN COMPLIANCE WITH THE SPECIAL CONDITIONS FOR SPECIFIC CONDITIONAL USES, AS LISTED IN CHAPTER 21.52.; AND

Section 21.52.210 states that the following conditions shall apply to all alcoholic beverages sales uses requiring a Conditional Use Permit:

- A. The operator of the use shall provide parking for the use equivalent to the parking required for new construction regardless of the previous use as to legal nonconforming rights.**

The restaurant is located within a commercial center that is under construction. The uses in the center will consist of restaurants along with retail uses. The site currently has 1,120 parking spaces available for the center and is in compliance with the required number of parking spaces.

The Long Beach Police Department reviewed this application. The LBPD had no objections to the request provided that the project incorporate Conditions of Approval that require security cameras, night lighting, and security measures required by Long Beach Police Department have been incorporated.

C. The operator of the use shall prevent loitering or other activity in the parking lot that would be a nuisance to adjacent uses and/or residential neighborhoods.

Condition of Approval No. 18 will require the operator to prevent loitering along sidewalk area including landscaping areas serving the use during and after hours of operation.

D. The use shall not be in a reporting district with more than the recommended maximum concentration of the applicable on or off-premise sales use, as recommended by the Long Beach Police Department, except: (1) locations in the greater downtown area; or (2) stores of more than 20,000 square feet of floor area, and also providing fresh fruit, vegetables, and meat, in addition to canned goods.

In consideration of a Conditional Use Permit application for the sale of alcoholic beverages, staff evaluates the number of existing alcohol licenses in the subject Census Tract (5776.04) in which the restaurant is located, as well as the total number of reported crimes in the subject Police Reporting District.

Section 21.52.210 of the zoning regulations requires that the use shall not be in a reporting district with an over-concentration of alcohol sales, as recommended by the California Department of Alcoholic Beverage Control (ABC), and that the use shall not be in a reporting district with a high crime rate as reported by the Long Beach Police Department. The restaurant is not located in a high crime area per LBPD; however, it is an over concentrated district for on-site sales. In the subject census tract (5776.04), one licenses for on-site alcohol sales are allowed and there are 26 licenses current. The Staff consulted with the LBPD on this application and they expressed no opposition given the fact that there are no residents within 500 feet of this site and security measures such as security cameras and lighting have been incorporated to ensure minimization of any negative impacts associated with the operation of the project. Therefore, staff is

requesting Planning Commission find the overconcentration permissible in this shopping-center circumstance due to the low-crime rate and other mitigating factors.

- E. The use shall not be located within 500 feet of a public school or public park, except: (1) locations in the greater downtown area; or (2) stores of more than 20,000 square feet of floor area, and also providing fresh fruit, vegetables, and meat in addition to canned goods.**
