DEPARTMENT OF COMMUNITY DEVELOPMENT

333 WEST OCEAN BOULEVARD • LONG BEACH, CALIFORNIA 90802

July 19, 2005

HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

**RECOMMENDATION:**

Authorize the City Manager to execute a Second Amendment to Contract No. 28908, with the California State University Long Beach Foundation for \$191,189, and the First Amendment to Contract No. 28867, with the UAW-Labor and Employment Training Corporation for an additional \$117,744, and extend the term of both agreements through December 31, 2005. (Citywide)

**DISCUSSION**

The Workforce Development Bureau (WDB) administers the federal Workforce Investment Act (WIA) funds received annually by the City. Those funds pay for career development and business services delivered by the Career Transition Center, the Youth Opportunity Center, and selected community-based organizations throughout the City.

Local community-based organizations are contracted with to assist in providing on-site case management, job development, counseling, vocational assessment, and other related services. Because of uncertainty regarding reauthorization of WIA and fund appropriations, authorization for short-term extensions is requested to ensure the continued delivery of services. The proposed increases for the six-month extensions are reflected below.
