Subject: Long Beach Worker Protections (Council File 20-0429, 20-0427, 20-0428)

-EXTERNAL-

Monique De La Garza,

I am a Long Beach resident and stakeholder writing about Council File 20-0429, 20-0427, 20-0428

I wanted to first thank you for unanimously supporting workers by moving forward with taking action on Paid Sick Leave (20-0429), Worker Retention (20-0428) and Worker Recall (20-0427) policies. I believe these policies are critical to the health and well being of Long Beach workers as well as for the long term economic health and recovery of our City.

I am writing to ask that you vote to approve the worker proposals with the core tenets as motioned, without additional amendments or exemptions. Specifically this includes:

Paid Sick Leave (20-0429): Employers with more than 500 workers nationally must provide 80 hours of supplemental COVID-19 related paid sick leave to full-time workers and a prorated amount to those working part-time.

Worker Right of Recall (20-0427): Hotel and janitorial companies with 25 employees or more must offer workers who were laid off as a result of COVID-19 their jobs back once they begin the rehiring process.

Worker Retention (20-0428): Hospitality and janitorial companies with 25 employees or more must continue to employ the acquired companies' employees for a set number of days, upon the transfer of ownership of a business.

ORD 18, 19, 20 - Correspondence Maria Barajas

Long Beach has a chance to lead the region by voting to enact these policies. Stand with the workers and vote to ensure their lives and livelihoods are less at risk. If there was ever a time to protect our most vulnerable, it is now.

I am copying the City Clerk, so that this letter also be included in the public record as public comment related to Council File: 20-0429, 20-0427, and 20-0428 .

Thank you.

Maria Barajas
