HONORABLE MAYOR AND CITY COUNCIL

California

RECOMMENDATION:

1. Adopt the attached Resolution approving the Memoranda of Understanding with the Long Beach Management Association and the Long Beach Association of Confidential Employees, and allowing those matters that affect compensation to be implemented on the effective dates set forth in the Memorandum of Understanding and apply to unrepresented Miscellaneous management employees as approved by the applicable appointing authorities;
2. Adopt the attached Resolution for paying and reporting the value of the employer paid member contributions to the California Public Employees' Retirement System for Miscellaneous managers represented by the Management Association and for unrepresented management Miscellaneous employees;
3. Adopt the attached Resolution for paying and reporting the value of the employer paid member contributions to the California Public Employees' Retirement System for sworn Police managers represented by the Management Association;
4. Adopt the attached Resolution for paying and reporting the value of the employer paid member contributions to the California Public Employees' Retirement System for sworn Fire managers represented by the Management Association;
5. Adopt the attached Resolution for paying and reporting the value of the employer paid member contributions to the California Public Employees' Retirement System for sworn Marine Safety managers represented by the Management Association; and,
6. Adopt the attached Resolution for paying and reporting the value of the employer paid member contributions to the California Public Employees' Retirement System for employees represented by the Association of Confidential Employees. (Citywide)

DISCUSSION

City management representatives and representatives of the Long Beach Management Association (LBMA) and the Long Beach Association of Confidential Employees (LBACE) have had a number of meet and confer sessions regarding changes in wages, hours and working conditions. Meetings have been concluded and Memoranda of Understandings

(MOUs) have been jointly signed by City representatives and representatives of the named employee organizations. The MOUs for the LBMA and the LBACE are for the period of October 1, 2010 through September 30, 2011.

The major provisions of the MOUs with the LBMA and the LBACE are: no cost-of-living increases over the term of the agreement; agreement to full CalPERS pick-up for new City employees; agreement to a lower retirement formula of 2.0% at 60; and three-year average final compensation for new employees represented by the two Associations. These provisions shall also apply to unrepresented management Miscellaneous employees. For Police, Fire and Marine Safety managers represented by the LBMA, unit members agree to a new tier of retirement benefit as executed by the applicable Association representing non-management Safety members.

Pursuant to the MOUs and pending approval of the Resolutions, effective February 26, 2011, new City employees represented by these Associations, shall pay 100 percent of the member contribution which, at this time, is eight percent. Additionally, the Resolutions provide that any new unrepresented management Miscellaneous employees, hired on or after February 26, 2011, shall pay 100 percent of the member contribution which, at this time, is eight percent.

In order for the City to make changes to the employer paid member contribution, it is necessary for the City Council to adopt the attached Resolutions as prepared by the City Attorney.

This matter was reviewed by Deputy City Attorney Christina L. Checel January 28, 2011 and Budget Management Officer Victoria Bell on January 31, 2011.

TIMING CONSIDERATIONS

City Council action is requested on February 15, 2011 to ensure implementation of the MOU provisions and that CalPERS receives these Resolutions for processing consistent with the effective date of the action.

FISCAL IMPACT

As new hires join the LBMA, LBACE, unrepresented management Miscellaneous employees and Police, Fire and Marine Safety managers, savings will be generated by those employees paying 100 percent of their member contribution. Future savings to the City will be realized as a result of the lower retirement formula of 2.0% at 60 and three-year average final compensation for new employees in LBMA, LBACE, unrepresented management Miscellaneous employees, once all Miscellaneous associations agree to the new tier. There is no local job impact associated with this recommendation.

- B. Intent - It is understood the intent of the MOU is to set forth a joint recommendation to be submitted by the parties to the City Council of the City of Long Beach for implementation, and shall not be binding unless and until the City Council:

 2. Adopts the required ordinances and/or resolutions; and,
 3. Appropriates the funds required to implement the provisions hereof.
- C. Philosophy - It is further understood that:
1. The City's goal is to provide residents with management leadership that can develop and implement high quality programs and services. The City's compensation programs can be used to foster the attainment of the City's mission, goals, and the directives of the City Council and the appointing authorities.
 2. The City seeks to successfully attract, retain and motivate high quality management employees.

3. The City's management compensation programs are designed to reward productivity, improve employee skills, increase customer satisfaction, and encourage effective resource utilization.

6. All employees represented by this agreement are "at will" employees who serve at the pleasure of their appointing authority.

Section II - Term

The term of this Memorandum shall commence October 1, 2010 and terminate at midnight on September 30, 2011.

- C. Determine services to be rendered, operations to be performed, utilization of technology, and overall budgetary matters.
- D. Determine the appropriate job duties and personnel by which government operations are to be conducted.
- E. Determine issues of public policy and the overall mission of the City.
- F. Maintain and improve the efficiency and effectiveness of government operations.

Section V - Peaceful Performance of City Service

The LBMA members fully support the business of the City to provide services to the citizens of Long Beach. They also support the actions of the appointing authority and stand ready to implement any of the appointing authority's directives.

It is mutually understood and agreed that participation by any employee in a strike or concerted work stoppage or slowdown terminates the employment relationship of those individuals involved, in the absence of specific written waiver of such termination by an authorized City official.

- A. It is further understood and agreed that none of the parties hereto will participate in, encourage, assist or condone any strike, concerted work stoppage, cessation of work, slow-down, sit-down, stay-away, picketing or any other form of interference with or limitation of the peaceful performance of City services.
- B. In the event that there occurs any strike, concerted work stoppage, cessation of work, slow-down, sit-down, stay-away, picketing or any other form of interference with or limitation of the peaceful performance of City services, the City, in addition to any other lawful remedies or disciplinary actions, may by action of the appointing authority cancel any or all payroll deductions, prohibit the use of bulletin boards, prohibit the use of City facilities, and prohibit access to former work or duty stations.
- C. Neither the employee organization, nor any person acting in concert with them, will cause, sanction, or take part in any strike, walk-out, sit-down, slow-down, stoppage of work, picketing, retarding of work, abnormal

absenteeism, withholding of services, or any other interference with the normal work routine. The provisions of this Article shall apply for the same term as this Agreement, or during any renewal or extension thereof. Violation of any provision of this MOU by the Recognized Employee Organization shall be cause for the City, at its sole option, to terminate this Agreement in addition to whatever other remedies may be to the City at law or in equity.

- D. The City agrees that there shall be no general lockout of LBMA bargaining unit members.

Section VI – Association Composition

The Bargaining Unit composition represented by the Long Beach Management Association shall be that described in Appendix "A". Any changes to the unit composition must be made in accordance with the provisions of the City's Employer-Employee Relations Resolution, common fair labor practices, and any applicable State and Federal Statutes.

Section VII – Association Dues

Upon receipt of a written voluntary authorization from the employee, the City shall deduct Association dues from the pay of represented employees. The City shall charge the employee organization five and one-half cents (\$0.055) per deduction. Section VIII – Association Communications

Department and public area bulletin boards will be made available for posting Association notices.

Section IX – Association Officers Responsibilities

The parties agree that from time to time, it will be necessary for the Board of Directors to meet and conduct the business of the Association. The Association will make every effort to conduct these meetings during non-office hours. The City will provide access to City facilities when they are available, i.e. community rooms. Opportunity for the Board to participate in these meetings will not be withheld so long as the work of the City is not adversely impacted.

ARTICLE TWO

SALARY AND COMPENSATION

Section I – Compensation

A. Pay for Performance System

1. The City will continue to use the HAY job evaluation system to develop appropriate compensation for various positions in the E00 (management) classifications.
2. Each year on or about January 1, , the City will develop a salary administration guide. This guide will set forth a matrix for salary adjustments based on an employee performance evaluation and the position of the manager's salary within the salary range.
3. It is understood that the pay for performance system may be adversely impacted by budget constraints. It is the intent of the parties, however, that a merit pay plan be re-instituted.
4. Every attempt shall be made to establish reasonable salary differential between management personnel and their subordinates. Overtime of subordinates shall not be considered in determining the compression differential. Incentives, if any, shall be added to base calculations of subordinate compensation calculation. In cases where a differential does not exist, the parties agree to meet to discuss the basis for the compression and attempt to resolve the situation. Responses to requests to address compression issues shall be in writing within sixty (60) business days.

B. Exceptional Performance Incentives

Represented employees who have demonstrated exceptional performance beyond established goals and objectives for their position may be considered for a Performance Incentive Award. Consideration for such awards will be based upon the recommendation of the department head. Awards may be granted in the form of a lump sum bonus payment or a merit increase added to the employee's base rate.

These awards will be based on the availability of funds, and consideration of budget constraints. They will be awarded based on the sole discretion of the appointing authority.

Section II – Acting Appointments

When acting appointments are made, the appointee shall receive a salary adjustment of 10 percent, or no less than the minimum salary of that range, which ever is greater.

In the event a bargaining unit member's position is eliminated as a result of a reduction in force, and that member has not been offered a reasonable (within fifteen percent (15%) of current salary) alternative management position with the City, the City shall pay to the bargaining unit member severance compensation. The amount of this compensation shall be calculated at one week of base pay for every full year of City service with a maximum allowance of sixteen (16) weeks of severance pay. Health insurance coverage shall continue for four full months after the month in which the bargaining unit member is terminated or retires provided the bargaining unit member is not eligible for health insurance coverage through a spouse or other carrier.

The bargaining unit member will not be eligible for this benefit if he/she is terminated for cause, resigns in lieu of termination, or voluntarily separates service from the City.

Section III – Short-term/Long-term Disability Benefits

Eligible employees will receive short-term and long-term disability benefits. The City will pay the full cost of the annual premiums unless the employee desires to pay said premiums for tax purposes.

Section II - Recognition

The City hereby recognizes the Association as the exclusive representative for those employees employed by the City in the classifications referenced in Appendix A of this MOU, subject to the applicable provisions of the law.

Section III - Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section IV - Nondiscrimination

- A. The parties mutually recognize and agree to fully protect the rights of all employees to join and participate in the activities of the Association or to have the Association represent them in their employment relations with the City. It is further agreed that nothing herein shall prohibit an employee from representing himself/herself individually or appearing on his/her own behalf with the City. No employee shall be intimidated, coerced, restrained, or discriminated against because of the exercise of these rights.

- B. The provisions of this MOU shall be applied equally to all employees, and no person shall be benefited or discriminated against in any manner which is inconsistent with the standards set forth in federal and California statutes or with any ordinance, resolution, or rule of the City. Alleged violations of this Section (IV-B) are not grievable under the Grievance Procedure. An employee may pursue alleged discrimination through Equal Employment Opportunity procedures established by the Department of Human Resources, and shall be entitled to pursue California or federal statutory rights.

Section V - Employee Organizational Rights and Responsibilities

A. Association List

A current list of Association officers, including names and classifications shall be submitted to the Director of Human Resources. Any changes to this list shall be submitted with the same required information as stated above to the Director of Human Resources as soon as possible.

B. Notification of Classification Specification Changes

The City shall notify the Association and provide a copy of the Classification Specification for new classifications or changes to existing classifications represented by the Association not less than ten (10) working days prior to consideration by the Civil Service Commission.

C. Representational Time-Off

The City shall allow Association representatives reasonable time off without loss of compensation while formally meeting and conferring with representatives of the City on matters within the scope of representation as defined in the Government Code, or as may be required under Article VII, Grievance Procedure.

Each fiscal year, the Association shall receive a bank of 50 hours to be used for general Association business.

D. Posting and Dissemination of Information

1. Reasonable space will be provided for the Association to post official notices.
2. With reasonable notice, authorized Association representatives shall be given access to work locations to disseminate information. Reasonable notice shall be understood to be 24 hours.

E. Representational Information

The City shall provide the Association with the following information:

A downloaded file on diskette with the following information for each employee:

Name, classification code and title, department and division, home address, birth date, bargaining unit code, part-time/full-time, original date of employment, and hourly pay rate.

The City shall provide this file to the Association at their request a maximum of four times a year.

Section VI - City Obligations and Responsibilities

A. City Obligations

The City reserves, retains, and is vested with all rights to manage the City. The constitutional, statutory, charter, or inherent rights, powers, authority, and functions shall remain exclusively vested with the City. These rights include but are not limited to the following:

1. To manage the City.
2. To determine the necessity, organization, and standards to implement any service or activity conducted by the City.
3. To recruit, select, hire, evaluate, promote, and discipline.
4. To determine and/or change the City facilities, methods, technology, equipment, and apparatus.
5. To determine and/or change the size and composition of the City work force and assign work to employees.
6. To determine the issues of public policy and the overall mission of the City.
7. To maintain order and efficiency in City facilities and operations.
8. To establish and promulgate and/or modify rules and regulations, policies and procedures related to safety and health in the City, and to require compliance therewith.
9. In the case of an emergency (act of God, war, or riot), suspend the provisions of this Agreement.
10. All rights, powers, authority, and functions of management, whether heretofore or hereinafter exercised, shall remain vested exclusively with the City.

B. Definition of City Obligations

The intent of the parties to this MOU is that the contractual attempt to define City obligations and responsibilities does not, and is in no way intended, to diminish the rights of the Association.

The Association reserves, retains, and is vested with all rights applicable under California and/or federal law or as contained in this MOU.

Section VII - Amendments to Personnel Policies and Procedures and Departmental Rules and Regulations

It is understood and agreed that there exists within the City, in written form, personnel policies and procedures and departmental rules and regulations. Except as specifically modified by this MOU, these rules, regulations, and policies and procedures, and any subsequent amendments thereto, shall be in full force and effect during the term of this MOU.

Before any new or subsequent amendments to these personnel policies and procedures or departmental rules and regulations, directly affecting wages, hours, and terms and conditions of employment are implemented, the City shall notice the Association regarding the changes in accordance with Government Code Sections 3500 et seq. Nothing provided herein shall prevent the City from implementing rules and regulations provided it has met with the Association as required by law.

Employee wages and fringe benefits will not be reduced unless agreed to by the Association.

Section VIII - Peaceful Performance of City Services

For the life of the agreement, the Association, its officers, and/or members agree that they will not cause, condone, or participate in any concerted effort, which affects the performance of their assigned duties and responsibilities. This shall include the withholding of services or other interference with City operations, including compliance with the request of other employees and/or labor organizations to engage in said activities.

In the event of such activities, the Association shall immediately instruct any person engaging in such conduct that they are violating this agreement, and they should immediately cease and resume full and faithful performance of their job duties.

ARTICLE TWO
SALARIES AND COMPENSATION

Section I - Classifications - Pay Rates - Salary Increases

A. Listing of Classifications and Rates of Pay

Every person appointed to the classifications identified in Appendix A shall receive as full compensation for his/her services, together with any other form of compensation provided for in this MOU, the salaries computed in accordance with the Pay Rate Schedule A established for such classifications as set forth in Appendix B attached.

B. General Salary Increase

Salary Ranges

1. While there exists salary inequity issues with like classifications in a different Association that has a current contract agreement, and while these inequities will continue to increase and thus create recruitment and retention difficulties for LBACE represented positions, the Long Beach Association of Confidential Employees recognizes the City's current financial situation and, therefore, agrees that there will be no general salary increases for the term of this agreement.

The provisions of Article Two, Section I.B. shall not be subject to Article Seven, Grievance Procedures, of the MOU.

C. Step Advancement

1. Performance Increases

Step increases will be based on performance as set forth below:

2. Step Advancement

Subject to satisfactory performance, as set forth in Section 3 below, after an employee has served an initial six-month period of employment in a position at a pay rate designated as Pay Rate Step 1 in the salary schedule established by Section 2 of this resolution, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 2; after a second six-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 3; and after another six-month period of satisfactory performance Pay Rate Step 4. Thereafter, the pay rate of such employee shall successively be at the applicable pay rate respectively

designated as Pay Rate 5, 6, or 7 upon his/her successive completion of a one-year period of employment at the preceding pay rate. If the initial salary of any employee has been specifically designated at a pay rate other than Pay Rate Step 1, 2 or 3, his/her pay rate thereafter, shall, upon his/her successful completion of a one-year period of employment at that pay rate, be at the next successively higher applicable Pay Rate Step.

3. Performance System

As set forth in C.2. above, an employee will advance to the next step of the salary schedule if he/she receives a Meets Job Requirements rating on the majority of the rating factors on the Employee Performance Appraisal form developed and administered by the Civil Service Department. The ratings will be based on the most recently completed Employee Performance Appraisal form.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, he/she shall be advanced to the next successive step. He/she will receive their next step increase in accordance with the provisions of item C.2. above, i.e., either six-months or one year. In the event the employee does not receive an overall Meets Job Requirements rating, he/she will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

If an employee's Performance Appraisal form is not completed within thirty (30) calendar days after the step increase is due, the employee will advance to the next step retroactive to the date the step increase was scheduled.

4. Appeal Process

If an employee does not receive a step increase because of his/her performance rating, he/she may appeal the rating as follows:

- a. A complaint shall be presented orally or in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs the Employee Appraisal form, which acknowledges that the employee has read and reviewed the rating. The immediate supervisor will respond back to the employee within ten (10) working days from the date the complaint was received.
- b. If the employee is dissatisfied with the results of the supervisor's response, he/she may appeal the matter to the Department Head or designee, ten (10) working days from the oral or written response from the supervisor regarding

the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint.

- c. If the employee is dissatisfied with the response from the Department Head or designee, the employee may proceed by written request to the Director of Human Resources within ten (10) working days from the date of decision of the Department Head.
- d. If the matter is submitted to the Director of Human Resources, he/she shall review the matter within twenty (20) working days after receipt of the written request from the employee. The Director of Human Resources, or designee, shall hold such hearings and conduct such proceedings as may be necessary, but such hearings and proceedings shall be conducted in an expeditious and confidential manner with the involved parties only. Employees called as witnesses shall be released from duty as needed.
- e. The findings of the Director of Human Resources shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources or designee shall be final and binding upon all parties and is not subject to the grievance procedure.
- f. In all of the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.

D. Deferred Compensation

The City will contribute \$75 per month for all permanent members of the Association.

Section II - Overtime

1. An employee who is non-exempt under FLSA may continue to bank or be paid overtime at time and one-half for overtime hours worked in excess of 40 paid hours (excluding sick leave) in a work week up to 60 work hours. Hours charged to sick leave shall not be considered when determining premium pay under the provision of the FLSA. However, if the employee has actually worked more than 40 hours in the work week, banking is not permitted for hours that exceed 40 work hours. The employee can only be paid time and one-half for that time actually worked over 40 work hours. In the event that the Department of Labor's rules and regulations are amended to give the City control over scheduling off the FLSA compensatory time so as not to require replacement personnel, the parties will agree to reopen this section of the MOU.
2. Banked time-off hours shall be allowed at such time or times mutually agreeable to both the employee and his or her Department Head; however, such time off may not be granted if it results in the disruption of departmental operations, or in the pay period in which it is earned. Banked time-off hours must be taken no later than the last full pay period in the fiscal year. All banked time off hours not taken off in

accordance with the above shall be paid to the employee the last pay period of the fiscal year, or prior to a general salary increase.

3. Banked overtime credits shall not exceed 60.0 expanded hours for any employee at any one time.
4. Paid sick leave will be excluded from overtime calculation when determining premium pay under the provisions of the Fair Labor Standards Act.

Section III - Skill Pay

All employees in the classifications listed in Appendix C, who meet the requirements for receipt of skill pay shall receive additional compensation at the designated rates.

Section IV - Higher Classification Pay

Each employee who is required to perform the full range of duties in a higher-level classification or grade level position that is vacant, up to and including division manager, shall be paid an additional eighty cents (\$0.80) per hour providing the following conditions are met:

1. The employee who is assigned the higher-level duties of the vacated position must work at least forty (40) consecutive hours once per fiscal year in said position in order to qualify for the higher classification pay.
2. The higher-level duties performed must be those of a permanent budgeted position that is vacant, either temporarily because of absence of the regular employee or vacant due to resignation, termination or other such action.
3. In no event shall the total compensation paid to the employee for regular salary and higher classification pay exceed the top step of the higher classification or grade level.
4. The temporary appointment to the higher classification must be approved by both the Department Head or designee and the Director of Human Resources.

Section V - Call Back

Employees who are called back to work after completion of their regular shift shall receive 2 hours minimum at time and one-half, or 1-hour travel time plus time actually worked, whichever is greater.

1. 0.5 hours worked
2.0 travel time (1.0 hour travel time)

2.5 total time = 2.0 hours paid (minimum)

2. 0.5 hours worked
1.0 travel time
 1.5 total time = 2.0 hours paid (minimum)
3. 2.5 hours worked
1.5 travel time (1.0 hour travel time)
 4.0 total time = 3.5 hours paid
4. 2.0 hours worked
0.5 travel time (1.0 hour travel time)
 2.5 total time = 3.0 hours paid

NOTE: Call-back duty occurs when off-duty personnel are unexpectedly ordered to return to duty because of unanticipated work requirements. An employee must report for work; there is no compensation for telephone consultations. The City and the Association will review the issue of telephone consultations for Business Systems Specialists in the Technology Services Department.

Section VI - In-Lieu Compensation

In lieu of insurance benefits, employees holding permanent part-time positions, (as defined in the Personnel Ordinance), shall, for every 174.0 hours worked by such permanent part-time employee, be paid \$430.

No permanent part-time employee shall receive in any one fiscal year payments which are made pursuant to this section that amount to more than the total annual contribution made by the City toward health insurance premiums for a permanent full-time employee for that same fiscal year.

Section VII - Professional/Technical Training

Each member of the bargaining unit shall have available to them up to \$500 per year that may be used to attend professional or technical training related to their job. The \$500 shall include any expenses related to travel and registration for the training. Training programs must be scheduled with the approval of the appropriate manager.

Section VIII – Mileage Reimbursement

The City agrees to the following policy on car allowance and mileage reimbursement:

- A. A City employee may be assigned a City-owned vehicle only when total mileage incurred on City business exceeds 500 miles per month.

Any employee who drives 300 or more miles in any calendar month in the performance of his or her duties shall be reimbursed at the current IRS rate plus an additional \$0.10 per mile. If an employee's annual monthly mileage average in a calendar year is equal to or over 300 miles per month, reimbursement of the additional \$0.10 per mile shall be paid at the end of the calendar year for those months that were paid at the lower rate. Employee shall not receive additional compensation for those miles already paid at the higher rate.
- C. Mileage reimbursement will be authorized only for employees who do not have access to departmental or dispatch pools of City-owned vehicles.

Employees subject to emergency calls but who do not have access to City-owned vehicle during off-duty hours, may be authorized to be reimbursed as specified above for the use of their own vehicles or for the actual cost of public transportation.
- E. Mileage reimbursement shall be administered in accordance with Administrative Regulation 4-2 Employee Transportation Authorization and Control.

Section IX – Bilingual Pay

Employees are eligible to receive bilingual skill pay if both of the following conditions are met:

- A. The employee has certified oral and/or written bilingual capacity in English and an additional eligible language. Eligible languages include Spanish, Khmer, Tagalog, Vietnamese, Samoan, American Sign Language or other languages designated by the City Manager, or other appointing authority; and
- B. The employee is assigned to a position that has been determined by a Department Head to benefit from bilingual ability, and to have frequent or significant interactions with the public for the majority of the employee's regular, daily course of duty. Bilingual skill pay will be provided for employees who have skills in American Sign Language when their interaction with the public is in person, face-to-face.

Employees who meet all the criteria shall be paid an additional seventy cents (\$0.70) per hour, or five dollar and sixty cents (\$5.60) per diem. The program shall be governed by the procedures outlined in the Personnel Policy and Procedure regarding Skill Pay.

Section VI - Standby Pay

- A. Employees who are released from active duty but who are required by their departments to leave notice where they can be reached and be available to return to active duty when required by the department shall be said to be on standby duty.
- B. Standby duty shall, whenever possible, be assigned to employees on a voluntary basis. When voluntary assumption of standby duty by employees is insufficient to meet the needs of the department, then such duty will be assigned on a rotational basis whenever possible within affected work units.
- C. Standby duty requires that employees so assigned shall be ready to respond within 30 minutes, be reached by telephone or other communicating devices, and refrain from activities, which might impair their ability to perform assigned duties. Employees unable to meet the above criteria due to distance must make prior arrangements with management before accepting the standby assignment.

- D. Standby duty shall be compensated at eighty-five cents (\$0.85) per hour, and ninety-five (\$0.95) per hour effective 07/01/06, for each full hour of standby duty.

ARTICLE FOUR
HEALTH INSURANCE BENEFITS

Section I - Health, Dental, and Life Insurance

- A. 1. The City shall contribute by way of obligation for health, dental and life insurance benefits, the maximum amounts indicated below, for employees in permanent full-time positions for the period starting:

Effective December 1, 2004 - \$796 per month

2. Employees may change benefit coverage during open enrollment. A change in benefit coverage may result in a change in the employee payroll deduction. The employee payroll deduction will be based on the City's annual rate schedule, and will include any increases incurred up to the date of the change.

- a. Every January 1st during the term of the agreement, increases in the costs for the health, dental and life insurance plans selected by employees shall be paid by the employee but will not exceed 30% of the increase or \$25 whichever is less, over the rates in effect in the prior year for the plan options selected.

These increases will be added to the previous payroll deduction for the coverage selected. The City shall pay the difference between the restructured cost and the employee contributions outlined above.

3. On January 1, 2011, any decreases in the cost for the health, dental and life insurance plans selected by employees shall be conveyed seventy percent (70%) to the City and thirty percent (30%) to the employee in the form of a rebate to the employee's payroll deduction for the selected plan. This section is not intended to provide a rebate if no employee deduction is required.

- C. The Association shall maintain one representative on the City's Health Insurance Advisory Committee (HIAC).

Each year the Health Insurance Advisory Committee meets to review the status and solvency of the health, dental and life insurance plans. The Committee reviews plan costs and makes recommendations to the City Manager on plan changes, benefit levels, and addition or deletion of plans.

The Health Insurance Advisory Committee will recommend to the City Manager the benefits for the various plans for the period December 1, 2005 through the term of this agreement. Every effort should be made to have these recommendations to the City Manager by August 15th of each year. The City Manager will consider these recommendations prior to making his final recommendations to the City Council for any changes to plan design. If the City Manager's recommendations to the City

Council differ from the recommendations received from the HIAC, the City Manger will advise the association of his recommendations in writing, at least seven (7) calendar days before he submits them to the City Council for approval.

Section II - Disability/Life Insurance

- A. Short-term/Long-term Disability Benefits - Eligible employees in the Confidential Unit will receive the same short-term and long-term disability benefits currently provided management employees in the City of Long Beach. The City will pay the full cost of the annual premiums unless the employee desires to pay said premiums for tax purposes.

- B. Life Insurance - In addition to the life insurance currently provided all full-time City employees, Association employees will be provided a total of \$75,000 per year for life insurance. The City will pay the full cost of the annual premiums. Because of tax consequences, employees shall have the option of taking the \$75,000 life insurance or additional life insurance coverage not to exceed \$50,000. Should the employee choose the lower coverage, he/she cannot elect to obtain the additional coverage at a later date. Employees who elect the higher coverage may later select the lower coverage, but may not elect to increase to the higher coverage at a later time.

Section II - Workers' Compensation

- A. Any employee represented by the Association, including an employee of the Harbor Department and Water Department, who is compelled to be absent from duty with the City because of temporary total disability resulting from injury or illness arising out of and occurring in the course and scope of employment with the City, which is properly certified by a duly authorized physician, shall not be compensated his or her regular salary or wages from the City for all regularly scheduled work hours during the first three (3) calendar days of the absence following the injury or illness unless:

However, in no event will the minimum time be less than 90 calendar days. The amount will be equal to seventy-five percent (75%) of his or her regular salary or wages from the City less any workers' compensation temporary disability benefits due the employee under any applicable provisions of California or federal workers' compensation laws. The amount shall be subject to any deductions or withholdings required by California or federal laws.

- B. The terms "regular salary" or "wages" as used in Section A shall mean the employee's base hourly rate, including any skill pay for skill to which the employee was regularly assigned and performing at the time of his or her injury or illness, but the term "regular salary" shall not include any overtime or higher classification pay.
