| 2. (20-0850) Recommendation to receive and file a report on Proposition 15 ("Tax on Commercial and Industrial Properties for Education and Local Government Funding Initiative"), take a potential position, and forward the State Legislation Committee's recommendation to the City Council for adoption. | Kathleen Gensemer | kgteachsci378@gmail.com | | | | | | I am against the tax due to effects on business during covid19 pandemic. Also home tax unfair to families who also suffered during pandemic, loss of jobs, and seniors who are retired and raising taxes on homes difficult on living expenses. Seems extremely unfair and lacks compassion for current situation and recovery..I read msny complaining online they want to leave the state or vote out incumbants if it passes. | 8/30/2020 |
