## INSTRUCTIONS TO BIDDERS

### 1. PREPARATION OF BID:

The preparation of the Bid, including visits to the Site prior to *submittal of the Bid*, shall be at the expense of Bidder. All prices and notations must be typewritten or written in ink. Any markings in pencil shall not form part of the Bid and shall be disregarded by the City. Any changes or corrections in the Bid must be initialed in ink by the person signing the Bid. Bidder shall state brand name or make of each item bid. If not bidding on item as described, the manufacturer's name and catalog number of the substitute must be given. Bidder shall also attach specifications and furnish other data to establish the suitability of the substitute. Bidder shall quote separately on each item. Bidder shall quote his lowest price and best delivery date as no changes are permitted after the bid opening. Cash discounts offered for payment within fourteen (14) days or less will not be considered when evaluating bids. No telephonic, telegraphic or fax Bids are acceptable.

**NOTE: ALL PAGES OF THE INVITATION TO BID MUST BE RETURNED.**

### 2. EXAMINATION OF BID:

Bidder is responsible for examining the Invitation to Bid and submitting its Bid complete and in conformance with these instructions.

### 3. CONDITIONS OF WORK:

Bidder shall carefully examine the Site to become fully informed regarding all existing and expected conditions and matters, which could affect performance, cost or time of the Work.

### 4. DISCREPANCIES IN BID DOCUMENTS:

If Bidder finds discrepancies in or omissions from the Invitation to Bid, if the intent of the invitation is not clear, or if provisions of the Specifications restrict Bidder from bidding, he may request in writing that the deficiency(s) be modified. Such request must be received by the City Purchasing Agent at least five (5) working days before bid opening date. Bidders will be notified by Addendum of any approved changes in the invitation to Bid.

### 5. ORAL STATEMENTS:

The City of Long Beach shall not be bound by oral statements made by any employee or agent concerning this Invitation to Bid. If Bidder requires specific information, Bidder must request it in writing and obtain a reply in writing from the City.

### 6. BRAND NAMES AND SPECIFICATIONS:

The detailed specifications and/or brand names stated are descriptive only and indicate quality, design and construction of items required. Offers will be considered to supply articles substantially the same as those described herein but with minor variations. Bidders must describe variations in the Bid. Substitute items must be equal in quality, utility and performance. The phrase "or approved equal" throughout the specifications means that the City in its sole and absolute discretion shall make the final determination whether or not the substitute items are equal.

### 7. AWARD:

Bid shall be subject to acceptance by the City for a period of three (3) months unless a lesser period is prescribed in the quotation by Bidder. The City reserves the right to award all items to one Bidder, or to award separate items or groups of items to various Bidders, or to increase or decrease the quantities of any item. Bidder may submit alternate prices or name a lump sum or discount conditional on two or more items being awarded to him.

The City's purchases of goods and services are based on the City's actual needs and requirements. The City is obligated under this contract/purchase order to purchase and pay for only those goods and services that the City needs and requires, and that the City actually orders and receives. Any dollar amount identified as a "not to exceed:" amount in any City document is not a guaranteed payment amount to any contractor or service provider. Furthermore, the City may determine that its needs and requirements may be met by City labor or by a second contractor or service provider, even after an award is made to one contractor or service provider. An award is not a promise or guarantee of exclusivity.

Bidders are cautioned that comments and statements, whether oral or written, made by City employees regarding the validity of Bids, the waiver of deviations from Specifications, the possibility or probability of an award being made to a particular Bidder, and other similar matters are NOT binding on the City. Bidders should not order materials, obtain financing or take other actions based on such comments and statements. Only authorization of a Contract by the City Council or issuance of a Purchase Order is conclusive and binding on the City with respect to this Bid and its resulting Contract or Purchase Order. However, prior to authorization by the City Council or issuance of the Purchase Order, Bidders may rely on: (1) approval of an "equal" or "substitute" item which will be issued in writing, and (2) written notice of intent to award by the City Council, which is often issued prior to the authorization by the City Council so that a Bidder can order materials that have a long lead time.

### 8. PAYMENT:

Payment terms are NET/30 unless Bidder otherwise quotes. All Cash Discounts shall be taken and computed from the date of delivery or completion and acceptance of the material, or from date of receipt of invoice, whichever occurs last. Invoices must be submitted as specified at the time of shipping authorization. Partial payments may be made by the City on delivery & acceptance of goods and on receipt of goods and on receipt of Contractor's invoice.

In the event the Contract to be awarded hereunder, including specifications and other documents incorporated therein by reference, provides for the withholding of moneys by the City to ensure performance of such Contract, Contractor may deposit with the City, as a substitute for said withheld moneys, securities listed in Section 16430 of the California Government Code or bank or savings and loan certificates of deposit, or both, equivalent to the amount withheld, provided Contractor requests permission to make such substitution and bears all expenses in connection therewith.

### 9. SAFETY APPROVAL:

Where required by City Regulations, any items delivered must carry Underwriters Laboratories Approval or City of Long Beach City Safety Officer approval. Failure to so comply will be cause to reject Bid. Also, any equipment must conform with the Safety Orders of the California Division of Industrial Safety and OSHA regulations.

### 10. BUSINESS LICENSE:

The Long Beach Municipal Code (LBMC) requires all businesses operating in the City of Long Beach to pay a business license tax. In some cases the City may require a regulatory permit and/or evidence of a State or Federal license. Prior to issuing a business license, certain business types will require the business license application and/or business location to be reviewed by the Development Services, Fire, Health, and/or Police Departments. For more information, go to [www.longbeach.gov/finance/business\\_license](http://www.longbeach.gov/finance/business_license).

## ATTACHMENT

### **EQUAL BENEFITS ORDINANCE DISCLOSURE FORM**

As a condition of being awarded a contract with the City of Long Beach ("City"), the selected Contractor/Vendor ("Contractor") may be required during the performance of the Contract, to comply with the City's nondiscrimination provisions of the Equal Benefits Ordinance ("EBO") set forth in the Long Beach Municipal Code section 2.73 et seq. The EBO requires that during the performance of the contract, the Contractor shall provide equal benefits to its employees with spouses and employees with domestic partners. Benefits include but are not limited to, health benefits, bereavement leave, family medical leave, membership and membership discounts, moving expenses, retirement benefits and travel benefits. A cash equivalent payment is permitted if an employer has made all reasonable efforts to provide domestic partners with access to benefits but is unable to do so. A situation in which a cash equivalent payment might be used if where the employer has difficulty finding an insurance provider that is willing to provide domestic partner benefits.

The EBO is applicable to the following employers:

- For-profit employers that have a contract with the City for the purchase of goods, services, public works or improvements and other construction projects in the amount of \$100,000 or more
- For-profit entities that generate \$350,000 or more in annual gross receipts leasing City property pursuant to a written agreement for a term exceeding 29 days in any calendar year

Contractors who are subject to the EBO must certify to the City before execution of the contract that they are in compliance with the EBO by completing the EBO Certification Form, attached, or that they have been issued a waiver by the City. Contractors must also allow authorized City representatives access to records so the City can verify compliance with the EBO.

The EBO includes provisions that address difficulties associated with implementing procedures to comply with the EBO. Contractors can delay implementation of procedures to comply with the EBO in the following circumstances:

- 1) By the first effective date after the first open enrollment process following the contract start date, not to exceed two years, if the Contractor/vendor submits evidence of taking reasonable measures to comply with the EBO; or
- 2) At such time that the administrative steps can be taken to incorporate nondiscrimination in benefits in the Contractor/vendor's infrastructure, not to exceed three months; or

3) Upon expiration of the contractor's current collective bargaining agreement(s).

Compliance with the EBO

If a contractor has not received a waiver from complying with the EBO and the timeframe within which it can delay implementation has expired but it has failed to comply with the EBO, the Contractor may be deemed to be in material breach of the Contract. In the event of a material breach, the City may cancel, terminate or suspend the City agreement, in whole or in part. The City also may deem the Contractor an irresponsible bidder and disqualify the Contractor from contracting with the City for a period of three years. In addition, the City may assess liquidated damages against the Contractor which may be deducted from money otherwise due the Contractor. The City may also pursue any other remedies available at law or in equity.

By my signature below, I acknowledge that the Contractor understands that to the extent it is subject to the provisions of the Long Beach Municipal Code section 2.73, the Contractor shall comply with this provision.

1           2.73.030     Contractors subject to requirements.

2           A.       The following contractors are subject to this Chapter:

3                   1.       For-profit entities which enter into an agreement with  
4                   the City for public works or improvements to be performed, or for goods or  
5                   services to be purchased, for an amount of One Hundred Thousand Dollars  
6                   (\$100,000) or more; and

7                   2.       For-profit entities which generate Three Hundred Fifty  
8                   Thousand Dollars (\$350,000) or more in annual gross receipts and which  
9                   occupy City property pursuant to a written agreement for the exclusive use  
10                  or occupancy of said property for a term exceeding twenty-nine (29) days in  
11                  any calendar year.

12           B.       The requirements of this Chapter shall only apply to those  
13           portions of a contractor's operations that occur (i) within the City; (ii) on real  
14           property outside the City if the property is owned by the City or if the City  
15           has a right to occupy the property, and if the contractor's presence at that  
16           location is connected to a contract with the City; and (iii) elsewhere in the  
17           United States where work related to a City contract is being performed. The  
18           requirements of this Chapter shall not apply to subcontracts or  
19           subcontractors of any contract or contractor.

20           C.       The City Manager or designee will provide a report to the City  
21           Council regarding the implementation of this ordinance no later than one  
22           year following the effective date of this Ordinance, and will consider among  
23           other items, whether the dollar thresholds set forth in subsections (A) and  
24           (B) should be modified.

25  
26           2.73.040     Non-discrimination in provision of benefits.

27           A.       No contractor subject to this Chapter pursuant to Section  
28           2.73.030 shall discriminate in the provision of bereavement leave, family

1 medical leave, health benefits, membership or membership discounts,  
2 moving expenses, pensions and retirement benefits or travel benefits or in  
3 the provision of any benefits other than bereavement leave, family medical  
4 leave, health benefits, membership or membership discounts, moving  
5 expenses, pensions and retirement benefits or travel benefits between  
6 employees with domestic partners and employees with spouses, and/or  
7 between the domestic partners and spouses of such employees except as  
8 set forth in Subsections 2.73.040.A.1 and 2 below;

9 1. In the event that the contractor's actual cost of  
10 providing a particular benefit for the domestic partner of an employee  
11 exceeds that of providing it for the spouse of an employee, or the  
12 contractor's actual cost of providing a particular benefit for the spouse of an  
13 employee exceeds that of providing it for the domestic partner of an  
14 employee, the contractor shall not be deemed to discriminate in the  
15 provision of employee benefits if the contractor conditions providing such  
16 benefit upon the employee agreeing to pay the excess costs.

17 2. The contractor shall not be deemed to discriminate in  
18 the provision of employee benefits if, despite taking reasonable measure to  
19 do so, the contractor is unable to extend a particular employee benefit to  
20 domestic partners, so long as the contractor provides the employee with a  
21 cash equivalent.

22 B. Provided that a contractor does not discriminate in the  
23 provision of benefits between employees with spouses and employees with  
24 domestic partners, a contractor may:

25 1. Elect to provide benefits to individuals in addition to  
26 employees' spouses and employees' domestic partners;

27 2. Allow each employee to designate a legally domiciled  
28 member of the employee's household as being eligible for spousal

1 equivalent benefits; or

2 3. Provide benefits neither to employees' spouses nor to  
3 employees' domestic partners.

4 C. A contractor will not be deemed to be discriminating in the  
5 provision of benefits where the implementation of policies ending  
6 discrimination in benefits is delayed following the first award of a City  
7 contract to a contractor after the effective date of this Chapter:

8 1. Until the first effective date after the first open  
9 enrollment process following the date the contract with the City is executed,  
10 provided that the contractor submits evidence that it is making reasonable  
11 efforts to end discrimination in benefits. This delay may not exceed two (2)  
12 years from the date the contract with the City is executed and only applies  
13 to benefits for which an open enrollment process is applicable.

14 2. Until administrative steps can be taken to incorporate  
15 nondiscrimination in benefits in the contractor's infrastructure. The timer  
16 allotted for these administrative steps shall apply only to those benefits for  
17 which administrative steps are necessary and may not exceed three (3)  
18 months. An extension of this time may be granted at the discretion of the  
19 City Manager upon the written request of a contractor, setting forth the  
20 reasons that additional time is required.

21 3. Until the expiration of a contractor's current collective  
22 bargaining agreement(s) where all of the following conditions have been  
23 met:

24 a. The provision of benefits is governed by one or  
25 more collective bargaining agreement(s); and

26 b. The contractor takes all reasonable measures to  
27 end discrimination in benefits by either requesting that the union(s) involved  
28 agree to reopen the agreement(s) in order for the contractor to take

1 whatever steps are necessary to end discrimination in benefits or by ending  
2 discrimination in benefits without reopening the collective bargaining  
3 agreement(s); and

4 c. In the event that the contractor cannot end  
5 discrimination in benefits despite taking all reasonable measure to do so,  
6 the contractor provides a cash equivalent to eligible employees for whom  
7 benefits are not available. Unless otherwise authorized, in writing by the  
8 City Manager, this cash equivalent payment must begin at the time the  
9 union(s) refuse to allow the collective bargaining agreement(s) to be  
10 reopened, or in any case no longer than three (3) months from the date the  
11 contract with the City was executed. This cash equivalent payment shall not  
12 be required where it is prohibited by federal labor law.

13 D. Employers subject to this Chapter pursuant to Section  
14 2.73.030 shall give written notification to each current and new employee of  
15 his or her potential rights under this Chapter in a form specified by the City.  
16 Such notice shall also be posted prominently in areas where it may be seen  
17 by all employees.

18  
19 2.73.050 Required contract provisions.

20 Every contract subject to this Chapter shall contain provisions  
21 requiring it to comply with the provisions of this Chapter as they exist on the  
22 date when the contractor entered the contract with the City or when such  
23 contract is amended. Such contract provisions may include but need not be  
24 limited to the contractor's duty to promptly provide to the City documents  
25 and information verifying its compliance with the requirements of this  
26 Chapter and sanctions for noncompliance.

1           2.73.060    Waivers and exemptions.

2           A.     The City may waive the requirements of this Chapter where  
3           the City Manager makes one or more of the following findings:

4                   1.     Award of a contract or amendment is necessary to  
5           respond to an emergency;

6                   2.     The contractor is a sole source;

7                   3.     The contractor is a non-profit entity as defined in  
8           Section 2.73.020, above;

9                   4.     Non compliant contractors are capable of providing  
10          goods or services that respond to the City's requirements;

11                   5.     The contractor is a public entity;

12                   6.     The requirements of this Chapter are inconsistent with  
13          a grant, subvention or agreement with a public agency;

14                   7.     The City is purchasing through a cooperative or joint  
15          purchasing agreement;

16                   8.     The contract involves specialized legal services such  
17          that it would be in the best interests of the City to waive the requirements of  
18          this Chapter, as determined by the City Attorney;

19                   9.     The contract involves investment of trust moneys or  
20          agreements relating to the management of trust assets, City moneys  
21          invested in U.S. government securities or under pre-existing investment  
22          agreements, or the investment of City moneys where no person, entity or  
23          financial institution doing business with the City which is in compliance with  
24          this Chapter is capable of performing the desired transactions or the City will  
25          incur financial loss if the requirements of this Chapter are enforced;

26                   10.    After taking all reasonable measures to find an entity  
27          that complies with this Chapter, the City may waive any or all requirements  
28          of this Chapter for any contract or bid package advertised and made

1 available to the public, or any competitive or sealed bids received by the  
2 City as of the effective date of this Chapter under the following  
3 circumstances:

4 a. There are no qualified responsive bidders or  
5 prospective contractors who comply with this Chapter and the contract is for  
6 goods, a service or a project that is essential to the City or City residents; or

7 b. The requirements of this Chapter would result in  
8 the City's entering into a contract with an entity that was set up, or is being  
9 used for the purpose of evading the intent of this Chapter.

10 B. The requirements of this Chapter shall not be applicable to  
11 contracts executed or amended prior to the effective date of this Chapter, or  
12 to bid packages advertised and made available to the public, or any  
13 competitive or sealed bids received by the City prior to the effective date of  
14 this Chapter, unless and until such contracts are amended after the effective  
15 date of this Chapter and would otherwise be subject to this Chapter.

16 C. The City Manager or designee may issue regulations from  
17 time to time implementing the provisions of this ordinance.

18 D. The City Manager shall report to the City Council annually on  
19 the status of waivers and exemptions.

20  
21 2.73.070 Retaliation and discrimination prohibited.

22 A. No employer shall retaliate or discriminate against an  
23 employee in his or her terms and conditions of employment by reason of the  
24 person's status as an employee protected by the requirements of this  
25 Chapter.

26 B. No employer shall retaliate or discriminate against a person in  
27 his or her terms and conditions of employment by reason of the person  
28 reporting a violation of this Chapter or for prosecuting an action for

1 enforcement of this Chapter.

2  
3 2.73.080 Employee complaints to City.

4 A. An employee who alleges violation of any provision of the  
5 requirements of this Chapter may report such acts to the City. The City  
6 Manager may establish a procedure for receiving and investigating such  
7 complaints and take appropriate enforcement action.

8 B. The City shall have the power to examine contractors' benefit  
9 programs covered by this Chapter.

10 C. Any complaints received shall be treated as confidential  
11 matters, to the extent permitted by law. Any complaints received and all  
12 investigation documents related thereto shall be deemed exempt from  
13 disclosure pursuant to California Government Code Sections 6254 and  
14 6255.

15  
16 2.73.090 Remedies.

17 A. Upon a finding by the City Manager that a contractor has  
18 violated the requirements of this Chapter, the City shall have the rights and  
19 remedies described in this Section, in addition to any rights and remedies  
20 provided at law or in equity.

21 1. The City Manager shall be authorized to terminate said  
22 contract and bar the contractor from bidding on future contracts with the City  
23 for three (3) years from the effective date of the contract termination.

24 2. In the City Manager's sole discretion, a contractor found  
25 to have willfully violated the requirements of this Chapter may be required to  
26 pay liquidated damages.

27 3. The City may seek recovery of reasonable attorneys'  
28 fees and costs necessary for enforcement of this Chapter.
