In this event, the State shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Agreement. Nothing in this Agreement shall be construed to provide the Grantee with a right of priority for payment over any other Grantee.

The Grantee agrees that it will provide for payment of its full share of Project costs and that all costs connected with the Project will be paid by the Grantee on a timely basis.

G. AUDIT DISALLOWANCES

The Grantee agrees it shall return any audit disallowances to the State Water Board.

H. FRAUD AND MISUSE OF PUBLIC FUNDS

All invoices submitted shall be accurate and signed under penalty of perjury. Any and all costs submitted pursuant to this Agreement shall only be for the tasks set forth herein. Any eligible costs for which the Grantee is seeking reimbursement shall not be reimbursed from any other source. Double or multiple billing for time, services, or any other eligible cost is illegal and constitutes fraud. Any suspected occurrences of fraud, forgery, embezzlement, theft, or any other misuse of public funds may result in suspension of disbursements of grant funds and/or termination of this Agreement requiring the repayment of all funds disbursed hereunder. Additionally, the Deputy Director of the Division of Financial Assistance may request an audit pursuant to Exhibit C, paragraph 4 and refer the matter to the Attorney General's Office or the appropriate district attorney's office for criminal prosecution or the imposition of civil liability. (Civ. Code, §§1572-1573; Pen. Code, §§470, 489-490.)

2. **APPROVAL:** The Grantee will not proceed with any work on the Project until authorized in writing by the State Water Board.
3. **ASSIGNMENT:** This grant is not assignable by the Grantee, either in whole or in part, without the consent of the State Water Board.
4. **AUDIT:** Grantee agrees that the State Water Board, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the use of grant funds or performance of this Agreement. Grantee agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated. Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Grantee agrees to include a similar right of the State to audit records and interview staff in any contract related to performance of this Agreement.

The Grantee shall not utilize the materials for any profit-making venture or sell or grant rights to a third party who intends to do so.
8. **COMPUTER SOFTWARE:** The Grantee certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
9. **CONFLICT OF INTEREST:** Grantee certifies that it is in compliance with applicable state and/or federal conflict of interest laws.
10. **DISPUTES:** The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, Grantee shall submit to the Deputy Director of the DWQ a written demand for a final decision. The decision of the Division, or his or her authorized representative, shall be reduced to writing and a copy thereof furnished to the Grantee and to the State Water Board's Executive Director. The decision of the Division shall be final and conclusive unless, within thirty (30) calendar days of the date of the Division decision, the State Water Board's Executive Director receives a written appeal. The Grantee's written appeal shall be fully supported by any factual information Grantee desires to be considered in the decision. The

Executive Director's decision shall be final and conclusive, unless determined by a court of competent jurisdiction to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence. Pending final decision of a dispute hereunder, the Grantee shall continue to fulfill and comply with all the terms, provisions, commitments, and requirements of this Agreement. This clause does not preclude consideration of legal questions, provided that nothing herein shall be construed to make final the decision of the State Water Board, or any official or representative thereof, on any question of law.

 - b. Establish a Drug-Free Awareness Program to inform employees about:
 - 1) the dangers of drug abuse in the workplace,
 - 2) the organization's policy of maintaining a drug-free workplace,
 - 3) any available counseling, rehabilitation, and employee assistance programs, and
 - 4) penalties that may be imposed upon employees for drug abuse violations.
 - c. Every employee who works on the proposed project will:
 - 1) receive a copy of the organization's drug-free workplace policy statement, and
 - 2) agree to abide by the terms of the statement as a condition of employment on the project.

Failure to comply with these requirements may result in suspension of payments or termination of the grant or both, and Grantee may be ineligible for award of any future state grants if it is determined that any of the following has occurred: the Grantee has made false certification, or violated the certification by failing to carry out the requirements as noted above.

12. FISCAL MANAGEMENT SYSTEMS AND ACCOUNTING STANDARDS: The Grantee agrees that, at a minimum, its fiscal control and accounting procedures will be sufficient to permit tracing of grant funds to a level of expenditure adequate to establish that such funds have not been used in violation of state law or this Agreement. The Grantee further agrees that it will maintain separate Project accounts in accordance with generally accepted accounting principles.

The Grantee shall be responsible for any and all disputes arising out of its contracts for work on the Project. The State will not mediate disputes between the Grantee and any other entity concerning responsibility for performance of work.

16. **INCOME RESTRICTIONS:** The Grantee agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by the Grantee under this Agreement shall be paid by the Grantee to the State, to the extent that they are properly allocable to costs for which the Grantee has been reimbursed by the State under this Agreement.
17. **INDEPENDENT ACTOR:** The Grantee, and its agents and employees, if any, in the performance of this Agreement, shall act in an independent capacity and not as officers of employees or agents of the state.
18. **INSPECTION:** Throughout the term of this Agreement, the State Water Board shall have the right to inspect the project area to ascertain compliance with this Agreement.
19. **INSURANCE:** Throughout the life of the Project, the Grantee shall provide and maintain insurance against fire, vandalism and other loss, damage, or destruction of the facilities or structures constructed pursuant to this Agreement, if any. This insurance shall be issued by a company or companies admitted to transact business in the State of California. The insurance policy shall contain an endorsement specifying that the policy will not be cancelled or reduced in coverage without thirty days' prior written notice to the State Water Board. In the event of any damage to or destruction of the Project or any larger system of which it is a part, the net proceeds of insurance shall be applied to the reconstruction, repair or replacement of the damaged or destroyed parts of the Project or its larger system. The Grantee shall begin such reconstruction, repair, or replacement as expeditiously as possible and shall pay out of such net proceeds all costs and expenses in connection with such reconstruction, repair or replacement so that the same shall be completed and the larger system shall be free of all claims and liens.
