RE: Broadlind Lounge, LLC
DBA: The Basement

I am writing to express my support of the Basement Lounge remaining in their current location on Linden Avenue, across from the Lafayette Condominium Complex, and receiving any permits or licenses they may wish to apply for.

As a 5-year homeowner and resident at the Lafayette, I have never experienced a single problem with the Basement Lounge. I have never noticed any excessive traffic or noise during the club's business hours, and believe the management has done an excellent job of ensuring they are responsible neighbors.

I have been a patron of the club many times myself and have always enjoyed my experience.
