BOARD OF  
HARBOR COMMISSIONERS

Meeting of AUG 20 2012

**Subject:** Proposed FY 2012-2013 Salary Resolution

Action referred to 9/10

## Requested Action

Approve the Harbor Department Salary Resolution for 2012-2013

## Background

Each year, the Harbor Department, along with other City Departments, submits a Salary Resolution for approval to their respective appointing authorities. The latest adopted Harbor Salary Resolution was for Fiscal Year 2011-2012. On August 29, 2011 (Resolution Number HD-2629), the Board of Harbor Commissioners approved the Resolution. On November 15, 2011, the City Council unanimously approved and adopted the Resolution (RES-11-1058).

The Harbor Board of Commissioners' authority extends over compensation and organizational matters. Upon approval by the Board, the Salary Resolution is forwarded to the City Manager's Office to be submitted to the City Council for approval and adoption. The Salary Resolution primarily reflects position and organizational changes that are recommended and/or have already been approved in the Harbor Department's Adopted Budget for the same year. It also reflects negotiated changes with collective bargaining units.

For the Proposed Salary Resolution for Fiscal Year 2012-2013, the recommended changes include: proposed bureau title change, proposed management job titles, proposed non-career positions and administrative technical corrections. These recommended amendments have been summarized below:

### 1. Bureau Title Change

The Bureau of Trade Relations and Operations to be changed to the Bureau of Trade Development and Operations. This would then require a job title change from Managing Director, Trade Relations and Operations to Managing Director, Trade Development and Operations, as well as Director of Trade Relations to Director of Trade Development.

### 2. Proposed Management Classifications

As a result of an internal review of organizational structure and more complex projects, there is a recommendation to create seven new job titles within the Harbor Department.

These positions are:

<u>Job Title</u>	<u>Division</u>
1. *Manager, Environmental Remediation	Environmental Remediation
2. *Manager, Master Planning	Master Planning Development
3. *Manager, Grants Administration	Grants Administration
4. *Manager, Water Quality	Water Quality
5. *Manager, Business Applications	Business Applications
6. *Manager, Network Operations	Network Operations
7. *Assistant Director, Trade Development	Business Development

**\*Unclassified positions**

None of these positions represent additional headcount and, as exempt positions, will not be eligible for overtime payments. These positions will support the re-positioning of existing incumbents. Additionally, the following work units will be created for organizational purposes:

1. Environmental Remediation
2. Master Planning Development
3. Grants Administration
4. Water Quality
5. Business Applications
6. Network Operations
7. Business Development

**Proposed Non-Career Designations**

Due to the number of pending Port-related improvement projects, and in accordance with Section 3(6) of the Civil Service Rules, there is a recommendation to create the following non-career (NC) designations:

<u>Job Title</u>	<u>Salary Grade Code</u>
✓ Port Security Systems Operator I	M47
Accounting Clerk I	M15
Garage Service Attendant I	M21
Office Automation Analyst I	M52
Administrative Analyst III	M88

These positions are temporary/seasonal. Currently, by way of administrative directive, the Harbor Department does not employ non-careers for more than 24 months.

**Technical Corrections (Attachment I)**

Incorporated in Attachment I are technical corrections to occupation and pay grade codes and job titles. These corrections will be consistent with the City's resolution structure. None of these corrections result in any pay changes; they merely reflect an administrative correction of outdated codes and omitted titles.

**Recommendation**

It is recommended that the Board of Harbor Commissioners approve the Harbor Department's FY 2012-2013 Salary Resolution. After Board approval, the Salary Resolution will be forwarded to the City Council for final approval.

Sec. 3.

3.1 Every person who has been or who hereafter may be duly appointed to an office or position of employment in the Harbor Department, and who is qualified to hold and holds such office or position from and after the date or dates the pay rates and compensation prescribed herein shall become effective, or from the date of employment, whichever occurs later, shall receive as full compensation for his or her services, a biweekly salary payable every other Friday, in accordance with the payment procedure heretofore established. That compensation shall be based on one of the pay rates set forth in the applicable Salary Schedule set forth in this Resolution for his or her office or position, together with such additional compensation, if any, as provided herein or by applicable ordinance. The method and manner of determination of the compensation of each officer and employee (collectively referred to as "employee" or "employees") shall be fixed as provided below. Except as otherwise specifically designated, each Pay Rate Range and Step ("pay rate") is intended to be and shall be the basis for determining the biweekly salary.

3.2 The biweekly salary of any employee who is originally appointed to any office or position of employment listed in this Resolution shall be at Step I of Salary Schedule I for the Pay Rate Range Number designated for such office or position. In those cases where positions are designated with grade numbers, the biweekly salaries of such employees shall be computed based upon the pay rate designated for the grade thereof. The Board, by minute order, may specifically designate that the pay rate of any employee be fixed at some other pay rate included within the applicable Salary Schedule

1 Pay Rate Step 2; after a second six-month period of satisfactory performance of  
2 employment, the salary of such employee shall be at the applicable pay rate designated  
3 as Pay Rate Step 3; and after another six-month period of satisfactory performance Pay  
4 Rate Step 4. Thereafter, the pay rate of such employee shall successively be at the  
5 applicable pay rate respectively designated as Pay Rate 5, 6, or 7 upon his/her  
6 successive completion of a one-year period of employment at the preceding pay rate. If  
7 the initial salary of any employee has been specifically designated at a pay rate other  
8 than Pay Rate Step 1, 2, or 3, his or her pay rate thereafter, shall, upon his or her  
9 successful completion of a one-year period of employment at that pay rate, be at the next  
10 successively higher applicable Pay Rate Step.

11 3.3.2 Employees hired prior to April 1, 2001, who are covered  
12 by an existing Memorandum of Understanding with the International Association of  
13 Machinists and Aerospace Workers or the Long Beach Association of Engineering  
14 Employees, will continue their step advancement in accordance with the step placement  
15 in effect on that date, but subject to the performance provisions set forth above.

16 3.4 As to those positions for which there is an "H" pay rate specified  
17 in this Resolution, as well as the regular pay rate, the Board shall specify, at the time of  
18 making an appointment or at any time thereafter, that the appointee to such position is to  
19 be paid at the "H" rate or at a regular pay rate.

20 3.5 Subject to the Board's power to set the pay rate of any employee  
21 at the time of making the initial appointment at one of the pay rates established herein, in  
22 the event an employee (i) is promoted from one position to another for which a higher pay  
23 rate is established; or (ii) is advanced from one grade to another in the same position for  
24 which a higher pay rate is established; or (iii) is transferred from one department to  
25 another without change of position, the Executive Director shall designate the pay rate of  
26 such employee to be at one of the pay rates for such position or grade which will be not  
27 less than the pay rate received by such employee immediately prior to such promotion;  
28 advancement or transfer. Likewise, in the event an employee is transferred, as

1 prescribed by Civil Service Rules and Regulations for other than disciplinary reasons,  
2 from one position to another position for which a lower pay rate is established, the  
3 Executive Director shall designate the pay rate of such employee to be at one of the pay  
4 rates prescribed for such position to which the employee is transferred.

5                   3.6 For the purpose of computing the "period of employment" under  
6 the provisions of this Resolution, an employee of the Harbor Department who has been  
7 reinstated to his former position pursuant to the provisions of the Civil Service Rules and  
8 Regulations shall be considered as having been in the continuous service of the Harbor  
9 Department during the period said employee shall have served in the Armed Forces.

10                   3.7 Notwithstanding any other provision contained in this Resolution,  
11 the level of compensation and any adjustment thereof payable to an officer or employee  
12 of the Harbor Department in a position to which he or she has been assigned the  
13 Executive Salary Range in this Resolution shall be determined on a merit basis. The  
14 initial compensation of said officers or employees shall be fixed by the Board at a level of  
15 compensation within the Executive Salary Range designated below. Thereafter, the  
16 Executive Director, shall have the authority to increase or decrease the level of  
17 compensation of all said officers and employees assigned to the Executive Salary Range  
18 except the Executive Director and Executive Officer to the Board of Harbor  
19 Commissioners. The Board, at its sole and exclusive discretion, may change or revoke  
20 this delegation of authority at any time. The Board shall have the sole and exclusive  
21 authority to designate the compensation of the Executive Director and Executive Officer  
22 to the Board of Harbor Commissioners as merited by performance. Said increases and  
23 decreases in compensation shall not exceed a total of twelve percent (12%) for officers  
24 and employees assigned to the Executive Salary Range in any fiscal year, unless the  
25 Board finds that the percentage limitation is not applicable by reason of a substantial  
26 change in the responsibility and authority of said officer or employee.

27                   3.8 In addition to any merit increase provided in this Resolution  
28 above, each employee assigned to the Executive Salary Range (EOO) shall be eligible to

1 a leave of absence without compensation to the Executive Director; (v) to grant executive  
2 leave to the Executive Director; (vi) to authorize, as additional compensation, the  
3 payment of actual moving expenses incurred by a person in accepting a position with the  
4 Harbor Department; or (vii) to exercise such powers as are exclusively reserved to the  
5 Board under the provisions of Article XII of the Long Beach City Charter.

6 Sec. 4.

7 4.1 The compensation for all Harbor Department employees shall be  
8 as prescribed and expressed herein on a per hour rate basis. The amount of the  
9 biweekly installment payable to any full-time employee shall be computed by multiplying  
10 the employee's pay rate per hour by the number of hours or fraction of hours for which  
11 pay is actually due. The hourly pay shall include any additional applicable.

12 4.2 If any employee is absent for any reason other than one of the  
13 permitted absences authorized by City Council Personnel Ordinance, such employee  
14 shall not be entitled to receive the full amount of his or her installment of pay for any  
15 biweekly pay period during which said absence occurred. The amount of pay said  
16 employee shall receive for such pay period shall be computed by multiplying the  
17 employee's hourly pay rate by the number of hours or fractions of hours for which pay is  
18 actually due.

19 4.3 And if an employee is employed on other than a full-time basis,  
20 such employee's compensation shall be computed by multiplying the hourly pay rate  
21 established for such employee's position by the number of hours or fraction of hours for  
22 which pay is due to said employee.

23 Sec. 5. Except as otherwise provided by the City Charter, every person  
24 holding any office or position of employment hereinafter set forth shall perform such  
25 duties as are indicated by the title of such office or position and as are usually incident to  
26 such office or position, and such other duties as shall be assigned by his or her  
27 immediate superior, division director, Managing Director, Deputy Executive Director,  
28 Assistant Executive Director, the Executive Director or by the Board.

1                   Sec. 6.

2                   6.1 The designation of certain positions in the schedule of positions  
3 and assigned Pay Rate Range numbers contained in this Resolution, and the designation  
4 of grades within a specified position, are made for the purpose of creating such positions  
5 according to the degree of responsibility and character of the duties required by such  
6 positions solely and only to the end that the Salary Schedules for such positions will  
7 reflect the differences in the responsibilities and duties attached to said positions. The  
8 characterization of positions by said terms is hereby declared to have no other purpose  
9 or effect and shall not in any manner change or alter the classification of employees  
10 holding such positions.

11                   6.2 The use of occupational code designations, and the use of  
12 asterisks to denote unclassified positions are for administrative purposes only. Changes  
13 in occupational code designation and in the status of a position may occur and such  
14 changes will not require amendment of this Resolution.

15                   Sec. 7.

16                   7.1 An employee temporarily assigned to perform duties not  
17 ordinarily attached to his/her position for the purpose of training and development  
18 pursuant to Section 63(3) of the Civil Service Rules and Regulations will be compensated  
19 at the salary rate fixed and prescribed by this resolution for the position involving the  
20 duties to which temporary assignment has been made and at the step most closely  
21 approximating the pay rate of the employee immediately prior to the temporary  
22 assignment provided that in no event shall the pay rate for the temporary assignment  
23 exceed the employee's pay rate immediately prior to the temporary assignment.

24                   7.2 An employee temporarily assigned to perform duties not  
25 ordinarily attached to his/her position, for the purpose of rehabilitation or the recovery  
26 from a medical condition that has been certified by the City Health Officer, pursuant to  
27 Section 63(5) of the Civil Service Rules and Regulations, will be compensated at the  
28 salary rate fixed and prescribed by this resolution for the position involving the duties to

1 which temporary assignment has been made and at the step most closely approximating  
2 the pay rate of the employee immediately prior to the temporary assignment provided that  
3 in no event shall the pay rate for the temporary assignment exceed the employee's pay  
4 rate immediately prior to the temporary assignment.

5                   7.3 An employee temporarily assigned to perform duties not  
6 ordinarily attached to his/her position pursuant to Sections 63(3) or 63(5) of the Civil  
7 Service Rules and Regulations, which temporary assignment results in a lower hourly  
8 pay rate, may be Y-rated (pay rate frozen) until such time as the top step of the

10               Sec. 8. Officers and employees requiring transportation in connection with  
11 the performance of their duties for the Harbor Department, may be assigned a City-  
12 owned vehicle by the Executive Director in accordance with criteria established by the  
13 Executive Director; or, in the alternative, with the approval of the Executive Director may  
14 receive, by way of reimbursement, the cost of transportation incurred in the performance  
15 of his or her duties with the Harbor Department. Reimbursement may, at the discretion of  
16 the Executive Director, be paid to such officers and employees upon the basis of any one  
17 of the following computations:

18                   8.1 Actual cost of transportation per month for public transportation;

19 or

20                   8.2 For use of a privately-owned vehicle used for official City  
21 business:

24 each month; or

25                   8.2.2 A flat monthly allowance of:

26                   8.2.2.1 Such sum as may be determined by the

1 per month plus twelve cents (\$0.12) per mile for all authorized mileage actually driven by  
2 the officer or employee on official City business, which allowances are hereby determined  
3 to constitute the reimbursement for the expenditures and costs of operating and  
4 maintaining such vehicle, including its availability, as required for the performance of  
5 such official City duties; provided, however, that in each instance said employee shall  
6 procure and maintain in full force and effect, at all times while said privately-owned  
7 vehicle is used for official City business, bodily injury and property damage insurance  
8 from a company or companies authorized to do business in the State of California, with  
9 minimum coverages as prescribed by the Executive Director.

10 Sec. 9.

11 9.1 Employees of the Harbor Department may also receive  
12 additional compensation in the form of suitable recognition awards as determined by the  
13 Executive Director.

14 9.2 Employees of the Harbor Department may, pursuant to and in  
15 accordance with the provisions of this Resolution and regulations issued by the Executive  
16 Director, be awarded additional compensation for suggestions made that result in  
17 measurable monetary savings to the Harbor Department. Measurable awards shall not  
18 exceed 10% of the anticipated first year savings after adoption of the suggestion,  
19 provided, however, that the maximum award shall not exceed Five Thousand Dollars  
20 (\$5,000.00). The Executive Director may also authorize an award not to exceed Two  
21 Hundred Dollars (\$200.00) for adopted suggestions resulting in benefits to the Harbor  
22 Department which are not measurable in monetary terms and may authorize the use of  
23 promotional awards to encourage participation in the program.

24 9.3 The Executive Director may provide up to two Port  
25 familiarization programs each fiscal year for Harbor Department employees and their  
26 families.

27 9.4 Employees of the Harbor Department may also receive  
28 additional compensation in the form of a suitable safety award as determined by the

OFFICE OF THE CITY ATTORNEY  
ROBERT E. SHANNON, City Attorney  
333 West Ocean Boulevard, 11th Floor  
Long Beach, CA 90802-4664

1 Executive Director for successful participation in the Harbor Department's safety  
2 program.

3 9.5 Permanent full-time or permanent part-time employees who are  
4 enrolled in an accredited job and/or career-related college or university study program  
5 during off-duty hours are eligible to receive tuition reimbursement in accordance with the  
6 schedule promulgated by the Executive Director.

7 9.6 Employees of the Harbor Department who are eligible and  
8 volunteer to participate in the Harbor Department's Green Commute Program as defined  
9 by Administrative Directive shall be eligible to receive appropriate recognition and  
10 rewards as determined by the Executive Director.

11 Sec. 10. The method of computation of the amount of additional  
12 compensation to be paid to an employee for overtime worked in accordance with and  
13 pursuant to the applicable definitions, conditions and requirements of the City Council  
14 Personnel Ordinance and in accordance with and pursuant to the Fair Labor Standards  
15 Act (FLSA), except that the additional compensation for overtime exempt from FLSA shall  
16 not include uncontrolled standby amounts in the computation.

17 Sec. 11. Subject to the requirements and conditions of the City Council  
18 Personnel Ordinance relating to the availability of funds, every officer or employee of the  
19 Harbor Department who, upon request of his or her bureau or division head and subject  
20 to the approval of the Executive Director shall consent to forego, and shall forego, the  
21 taking of any annual vacation or portion thereof, shall be paid, as additional  
22 compensation, a sum computed by multiplying the hourly rate of compensation  
23 prescribed by this Resolution for the position held by said officer or employee by the  
24 number of vacation hours which the employee shall forego. Time worked in lieu of  
25 annual vacation or portion thereof shall not be considered as overtime or "extra time  
26 worked."

27 Sec. 12.

28 12.1 The City Council Personnel Ordinance permits certain City

1 employees to be absent thirteen working days per year with full pay, to be prorated,  
2 biweekly in lieu of absence of the employee on the holidays enumerated in the City  
3 Council Personnel Ordinance. Subject to the prior approval of the Executive Director, an  
4 employee may accumulate and carry over such properly authorized unused "in lieu of  
5 holiday" time off for no longer than the close of the calendar year immediately following  
6 the calendar year in which such time off was earned. In the event that such accumulated  
7 "in lieu of holiday" time off is not taken as time off by the employee by the end of the  
8 calendar year immediately following the calendar year in which it was earned, then such  
9 accumulated time off shall be forfeited by the employee and no compensation shall  
10 thereafter be paid therefor.

11 12.2 Cash payment for any properly authorized accumulated and/or  
12 carried over unused "in lieu of holiday" time off shall be made only upon an employee's  
13 termination of employment with the City or when an employee is on a leave of absence  
14 pending the approval of an application for ordinary or service-connected disability  
15 retirement which has been filed by the employee or the City on behalf of the employee.  
16 The amount of such additional compensation to be paid shall be computed by multiplying  
17 the employee's hourly rate of compensation, prescribed by this Resolution for the position  
18 held by said employee, by the number of unused "in lieu of holiday-hours" to which the  
19 employee is entitled.

20 12.3 The payment of such additional compensation to an employee  
21 terminating or pending disability retirement shall be subject to all the requirements and  
22 conditions relating to the availability of funds to make such payments as provided in the  
23 City Council Personnel Ordinance. In the event the application for ordinary or service-  
24 connected disability retirement is disapproved, the employee shall not be entitled to any  
25 holiday or unused portion thereof, for which a lump sum payment has been received.

26 12.4 Employees who are laid off and eligible for benefits under the  
27 Consolidated Omnibus Budget Reconciliation Act (COBRA) shall have the premiums for  
28 the benefits they are entitled to under COBRA paid by the City for the first six (6) months

1 after their layoff.

2           Sec. 13. In addition to the compensation set forth in this Resolution, a night  
3 shift differential of eighty cents (\$0.80) per hour shall be paid to all permanent full-time  
4 employees whose regular schedule requires said employee to work between the hours of  
5 6:00 p.m. and 6:00 a.m., provided that:

6           13.1 The employee works one-half or more of his or her regularly  
7 scheduled shift between the hours of 6:00 p.m. and 6:00 a.m. Such employee shall be  
8 eligible to be paid the additional rate established by this Section for each hour worked  
9 during the entire shift; or

10           13.2 The employee works between the hours of 6:00 p.m. and 6:00  
11 a.m. as part of a "split-shift." The term "split-shift" is defined as a shift of eight (8) or more  
12 non-continuous work hours in a single day, separated by a break of at least three (3) non-  
13 working hours during said shift. Such employee shall be paid the night shift differential  
14 only for each hour actually worked between the hours of 6:00 p.m. and 6:00 a.m.

15           13.3 Employees who work a twelve-hour shift that begins or ends at  
16 midnight, shall be paid a night shift differential for only those hours worked between the  
17 hours of 6:00 p.m. and 6:00 a.m.

18           Sec. 14.

19           14.1 Each employee represented by the International Association of  
20 Machinists and Aerospace Workers or the Long Beach Association of Engineering  
21 Employees who is required to perform the full range of duties in a higher-level  
22 classification or grade level position that is vacant, up to and including division manager,  
23 shall be paid an additional eighty cents (\$0.80) per hour providing the following conditions  
24 are met:

25           14.1.1 The employee who is assigned the higher-level duties  
26 of the vacated position must work at least forty (40) consecutive hours once per calendar  
27 year in said position in order to qualify for the higher classification pay.

28           14.1.2 The higher-level duties performed must be those of a

1 permanent budgeted position that is vacant, either temporarily because of absence or  
2 reassignment of the regular employee or vacant due to resignation, termination or other  
3 such action.

4 14.1.3 In no event shall the total compensation paid to the  
5 employee for regular salary and higher classification pay exceed the seventh step of the  
6 higher classification or grade level.

7 14.1.4 The temporary appointment to the higher classification  
8 must be approved by the Executive Director or designee.

9 14.2 The provisions of subsection 14.1 of this Section shall not  
10 apply to employees in classifications included in and paralleling the safety series of the  
11 Public Employees' Retirement System.

12 Sec. 15. Each employee designated as being represented by the Long  
13 Beach City Employees Service Lodge 1930 or the Long Beach Association of  
14 Engineering Employees shall be compensated at a rate of ninety-five cents (\$0.95) per  
15 hour for each full hour of standby duty as defined in the Memoranda of Understanding  
16 between the City and said organizations.

17 Sec. 16. In lieu of coverage under the health insurance program provided  
18 by the City for employees holding permanent full-time positions, each employee in a  
19 permanent part-time position (as defined in the City Council Personnel Ordinance) shall,  
20 for every 174.0 hours worked by such permanent part-time employee, be paid Four  
21 Hundred Dollars (\$400.00). No permanent part-time employee shall receive payments  
22 made pursuant to this Section in any one fiscal year which amount to more than the total  
23 annual contribution made by the City toward health insurance premiums for a permanent  
24 full-time employee for that same fiscal year.

25 Sec. 17. Notwithstanding any other provision of this Resolution, the  
26 members of the Board and the officers and employees of the Harbor Department shall be  
27 allowed, in addition to their salaries as provided, their actual and necessary expenses  
28 incurred in the performance by them of the duties of their respective offices and positions;

OFFICE OF THE CITY ATTORNEY  
ROBERT E. SHANNON, City Attorney  
333 West Ocean Boulevard, 11th Floor  
Long Beach, CA 90802-4664

1 provided, however, and except as otherwise provided in this Resolution, such expenses  
2 may be allowed to any such board member or officer or employee only in those cases  
3 where the Executive Director has either authorized or ratified the incurring of such  
4 expenses.

5           Sec. 18. Any officer or employee of the Harbor Department who is duly  
6 summoned to attend any court during the time regularly required for his or her office or  
7 employment, for the purpose of jury service, shall be entitled to paid release time up to  
8 eighty (80) hours while so actually serving, and provided he or she deposits the fees for  
9 service and mileage with the City Treasurer, to his or her regular compensation and to  
10 reimbursement for travel expense at the rate actually received during such service.

11           Sec. 19.

12           19.1 Each officer and employee of the Harbor Department shall,  
13 during the time they actually hold an office or position of employment with the Harbor  
14 Department, be entitled to receive, as additional compensation, such group life insurance  
15 benefits as may be provided from time to time in a policy or policies of insurance obtained  
16 by the City or by the Board. Proceeds of such a policy or policies shall be payable to a  
17 beneficiary named by the person insured or, if none is named, to his or her estate.

18           19.2. On and after December 1, 2004, the City shall pay a maximum  
19 amount of Seven Hundred and Ninety Six Dollars per month toward the cost of health,  
20 dental, and life insurance benefits for eligible employees represented by the International  
21 Association of Machinists and Aerospace Workers, the Long Beach Association of  
22 Engineering Employees, the Long Beach Management Association and each eligible  
23 employee not represented by and employee organization.

24           Effective December 1, 2005, and every December 1st thereafter,  
25 increases in the costs for health, dental, and life insurance plans selected by employees  
26 shall be borne by employees in the same manner set forth in the employee's applicable  
27 MOU. The City shall pay the difference between the actual cost and the employee  
28 contribution as outlined in the applicable MOU. Cost sharing shall also apply to each

1 eligible employee not represented by an employee organization. In the event various  
2 cost sharing plans exist, each eligible employee not represented by an employee  
3 organization shall cost share in accordance with the directive of his/her appointing  
4 authority.

5                                   19.3 Employees assigned to the Pay Rate Range E00 shall, unless  
6 they elect an available alternative, receive as additional compensation, life insurance  
7 benefits equal to three times their full annual salary to a maximum of Five Hundred  
8 Thousand Dollars (\$500,000.00), long term and short term disability insurance and in-  
9 hospital indemnity benefits. Proceeds of any life insurance benefits shall be payable to a  
10 beneficiary named by the person insured or, if none is named, to his or her estate.

11                                   19.4 If an employee represented by the International Association of  
12 Machinist or the Long Beach Association of Engineering Employees is killed on the job  
13 because of violence in the workplace, the City shall continue to provide health insurance  
14 and dental insurance benefits as follows:

- 15                                   1) For the surviving spouse until his/her remarriage, death, or  
16 Medicare eligibility, whatever occurs first;
- 17                                   2) For the surviving children until their 19th birthday or until age  
18 26, if a full-time student in an accredited college or university.

19                                   Violence in the workplace does not include accidents or acts of God.

20                                   Sec. 20. Each officer and employee of the Harbor Department during his or  
21 her employment shall receive, as additional compensation, such insurance benefits for  
22 bodily injury or death incurred by such officers or employees while traveling on official  
23 business of the City of Long Beach as may be provided from time to time in a master  
24 policy or policies of travel insurance as may be obtained by the City or by the Board  
25 pursuant to Section 3121 of the California Government Code. Proceeds of such a policy  
26 or policies shall be payable to a beneficiary named by the person insured or, if none is  
27 named, to his or her estate.

28                                   Sec. 21. The Executive Director may authorize one or more employees in

1 the Harbor Department to act as instructors in public or private schools, colleges or  
2 universities whenever the subjects of study in such classes are directly related to the type  
3 or kind of work performed by such employee under his or her employment with the  
4 Harbor Department, and the Executive Director has determined that the conduct of said  
5 classes will directly promote or improve the efficiency of the Harbor Department by  
6 reason of the attendance at such classes by employees or prospective employees of the  
7 Harbor Department. The duties so authorized shall be in addition to duties regularly  
8 attached to his or her office or position. Every employee so authorized to instruct such  
9 classes during business hours may charge such fee for his or her services as may be  
10 prescribed by the Executive Director, and all fees so collected shall be paid into the City  
11 Treasury by such employee.

12           Sec. 22. The Executive Director may grant an extended leave of absence,  
13 not to exceed one year, for the purpose of health, or study, travel and research, to any  
14 employee of the Harbor Department. The application of such extended leave of absence  
15 shall state the time desired and shall have the written approval of the applicant's division  
16 head or designee. Any leave of absence granted under this Section shall be without  
17 compensation during such absence. The position held by the employee to whom the  
18 leave of absence is granted shall be filled for the term of the absence in the same  
19 manner as vacancies are filled.

20           Sec. 23. The Executive Director may grant a leave of absence without  
21 compensation to a person holding an office or position in the Harbor Department, said  
22 leave not to exceed thirty (30) days in duration. Only the Board may grant a leave of

24           Sec. 24. Officers and employees of the Harbor Department, pursuant to  
25 and in accordance with the provisions of this Resolution and the administrative rules,  
26 regulations and policies promulgated and issued by the Executive Director, may  
27 authorize deductions to be made from their salaries or wages for purposes authorized by  
28 the provisions of the California Government Code in Article 6 of Chapter I of Division 4 of

3 deductions for payment of dues or other services provided by any employee organization  
4 or association shall be only as provided by a legally binding contract between the City  
5 and said employee organization or association.

6           Sec. 25. The prior appointments of Harbor Department officers and  
7 employees to any of the respective positions of employment set forth in this Resolution  
8 who are qualified to hold and who hold such positions at the operative date of this  
9 Resolution, are hereby ratified and confirmed.

11 Government Code, an officer or employee may receive the cost of replacing or repairing  
12 property such as eyeglasses, hearing aids, dentures, watches, or articles of clothing  
13 necessarily worn or carried by the employee when loss or damage occurs in the line of  
14 duty and is not attributable to the employee's negligence. If the items are damaged  
15 beyond repair, the replacement cost of such items may be paid. The replacement cost of  
16 such items shall be determined as of the time of loss or damage. In the event of such
