17. (15-0115) Recommendation to declare ordinance amending Title 6 of the Long Beach Municipal Code to make it mandatory for dog owners to spay or neuter their pets, unless they possess a medical exclusion or exemption, and to prohibit the sale of dogs, cats, or rabbits in any pet shop, retail business, or other commercial establishment, unless they were obtained from an animal shelter, humane society, rescue organization, or bred on the premises possessing a valid breeding permit read the first time and laid over to the next regular meeting of the City Council for final reading. (Citywide)	Roxanne Wilder	rwldrroxanne@charter.net						I as a responsible pet owner who has adopted from animal care services Strongly urge approval of this matter as it will reduce the overall number of unwanted cats and dogs further pet stores who open the doors to rescue groups will gain revenue as new pet owner will purchase the necessary items for their new pet. Just like i did after I picked up midnite the first stop afterwards was the petsmart and as former feral colony caretaker I can vouch that TNR does work thank you	3/6/2015
