**Good morning Antonio and Ms. Taylor,**  
**I would like to file a complaint against Alyssa Gutierrez who is the Chair of the Equity and Human Relations Commission. Ms. Gutierrez posted a response on Social Media a couple of weeks ago that attacked a supporter of Suzie Price for Mayor. I have attached the screenshot but implied that this constituent was "racist" and anti labor" because she supported Ms. Price...this is unacceptable coming from the Chair of the Commission and to post that, damages that person's reputation and is unwarranted and should result in her being censured. How can residents be confident that this Commission will do the work it should do when the Chair is engaging in bullying and name calling people on social media. When I asked her about it, she felt no remorse...**  
**Please let me know next steps and also, Alyssa should recuse herself from the item 22-042HR tomorrow because she is also under investigation.**  
**Sincerely,  
Michelle Baker**
