Current vacancies are with Development Services. Another department that utilizes this position is the Fire Department.

EXAMPLES OF DUTIES:

Under supervision, conducts inspections and investigations of single and multi-family dwellings and minor commercial and industrial buildings to ensure compliance with State and Municipal code requirements pertaining to building construction, property maintenance, etc.; reviews plans of routine building, plumbing, electrical, and mechanical facilities for compliance with code regulations; initiates construction or installation changes to meet code requirements; issues citations and notices of violation and works with residents and property and business owners to correct violations; researches case histories, property ownership records, and other records and conducts surveys to gather data; enters inspection data and uploads pictures into the INFOR/Hansen Land Management System; obtains evidence and compiles data for legal proceedings involving code violations; explains, interprets, and makes presentations of ordinances, codes, laws, rules and regulations to residents, property owners, businesses and the general public; makes referrals to appropriate City departments; and performs other related duties as required.

REQUIREMENTS TO FILE:

Candidates must meet either A, B or C:

A. Completion of nine (9) or more college semester units or their equivalent* in Building Inspection Technology, Engineering or Architecture, Code Enforcement, Fire Science Technology, Biology, Environmental Health, or related field **(proof required*)**.

***A current International Code Council (ICC) certificate may be substituted for three (3) college semester units per certificate (proof required)*.**

OR

B. One year of (paid, full-time equivalent) experience making inspections to insure compliance with and/or primary responsibility for issuing permits in compliance with various codes and regulations pertaining to building construction, zoning, business licenses, fire prevention, housing codes, housing rehabilitation, property maintenance, and other nuisance issues.

OR

C. One year of (paid, full-time equivalent) experience in carpentry, plumbing, electrical, or mechanical work under the immediate supervision of a journeyman.

***Required documents, such as transcripts or degree, must be uploaded to the application at the time of filing. Any proofs submitted must contain either the applicant's name or other identifying characteristic on the form. Degree must indicate the field of study and transcripts must indicate field of study and degree conferred date. Candidates who possess degrees from colleges or universities from outside the United States must attach proof of educational equivalency at the time of filing.**

ADDITIONAL REQUIREMENTS:

- Ability to:
 - Communicate effectively both orally and in writing with employees, the public, and members of various organizations and outside agencies;
 - Work effectively with others through the use of good interpersonal/people skills;
 - Perform routine arithmetic calculations;
 - Occasionally work evenings, weekends and holidays.
- Proficiency with personal computers, including knowledge of computer applications such as Microsoft Office or other related software.
- A valid motor vehicle operator's license and a current DMV driving record must be presented to the hiring department at time of selection.

DESIRABLE QUALIFICATIONS:

California Residential Building Inspector certification through ICC, ICC Fire Inspector I, or a CSFM certification.

EXAMINATION WEIGHTS:

Application Packet.....Qualifying

All applicants meeting the requirements will be placed on the eligible list, with those receiving Veteran’s credit first, and then in order in which applications were filed.

The eligible list will expire in twelve months, but may be extended.

If you have not received notification within three weeks after filing, contact the Civil Service Department at (562) 570-6202.

In support of the City's Language Access Policy, bilingual skills (Spanish, Khmer or Tagalog) are desirable for some positions interacting with the public.

This information is available in an alternative format by request at (562) 570-6202.

If special accommodation is desired, please contact the Civil Service Department two (2) business days prior to the test at (562) 570-6202.

For hearing impaired, call (562) 570-6638.
