City of Long Beach  
California

**REFERENCE: 13-051BS**

**RECOMMENDATION:** Recommendation to approve expenditure of \$100 for installation a Quiet Zone sign on the north side of Glendora at 2<sup>nd</sup> Street in Belmont Shore.

---

## DISCUSSION

The City of Long Beach Traffic Operations received a request for installation of a Quiet Zone sign in Belmont Shore. The proposed new location would be the north side of Glendora Avenue at 2<sup>nd</sup> Street, near the Don Lupe Cigar store. Quiet Zone signs were previously installed at several locations in Belmont Shore, including at Nieto, Glendora, Pomona, Covina, Corona and Santa Ana Avenues.

The estimated cost for materials and labor is \$100 per sign. The City of Long Beach Public Works Department will be manufacturing and installing the signs and they should complete the project within 30-45 days after they receive approval to proceed.

## RECOMMENDATION

Approve recommendation.
