¹ The unrestricted admin fee operating reserve at 6/30/19 is \$12,977,677. There is net income for the current year in the amount of \$849,194, which includes a decrease in HAP funding in the amount of (\$978,529). This decrease in HAP funds plus prior year HAP reserves of \$89,176 are reserved for future HAP payments and may be subject to recapture. The net HAP restricted fund balance at 6/30/19 is (\$889,353), of which (\$2,080,690) is restricted for the HCV program and \$1,191,337, is restricted for the VASH program. It is HUD's policy that the Housing Authority may use the restricted HAP reserves to pay for any excess HAP expenses over and above the amount of HAP subsidy received from HUD. In addition, there is \$6,586,909 in excess HUD funding that is available for use by the Housing Authority, but is currently being held by HUD in a program reserve and is available as needed. Therefore, there is a total of \$5,697,556 in excess HAP HUD funds available for use in the HAP reserves plus the program reserve. The current fiscal year administrative fee net income is \$1,827,723, which is calculated by subtracting administrative expenses from the total administrative fees earned by HUD.
