1.1 Capacity. Grantee and the individuals executing the Grant Documents on Grantee's behalf have the full power, authority, and legal right to execute and deliver, and to perform and observe the provisions of this Agreement and the other Grant Documents, and any other document, agreement, certificate, or instrument executed in connection with the Grant, and to carry out the contemplated transactions.

Grantee, if a corporation, limited liability company, or partnership, shall do all things necessary to preserve and keep in full force and effect its existence, franchises, rights, and privileges as such entity under the laws of the state of its incorporation or formation, and shall comply with all Government Regulations of any Government Authority applicable to Grantee.

## 2. Grantee's Covenants.

### 2.1 The Work.

2.1.1 Contractor. Grantee shall enter into the written agreement attached hereto as Exhibit "B" and incorporated herein by this reference ("Construction Contract") with **Action Services** ("Contractor") for all the Work. The Construction Contract will state the total amount that Grantee shall pay Contractor for the Work ("Contract Price"), and will include (a) the plans and specifications for the Work ("Plans"); (b) a written itemization of the Work and the Contract Price ("Construction Budget"); and (c) an itemized description of each segment of the Work that sets the timetable for completing the Work, and the corresponding payments for the Work ("Work and Payment Schedule"). Grantee shall give City a copy of the Construction Contract. Grantee shall have no other agreements for the Work. If requested by City, Contractor shall give City the name, address and telephone number of each person that has a contract with Contractor to supply materials or labor for the Work (each, a "Supplier"). Grantee shall give Contractor a copy of this Agreement.

2.1.2 Permits. Grantee shall obtain, and keep in force, all approvals of the Work (each, a "Permit") that are required by any federal, state, county, or local government agency (each, a "Government Authority"). Grantee shall comply with all applicable laws of any Government Authority ("Government Regulations"). Contractor shall have any license required by any Government Authority. Grantee shall cause Contractor to give City copies of all licenses and Permits required by Government Authorities.

2.1.3 Change Orders. Any change in the Contract Price, the Work or the Work and Payment Schedule must be in a written agreement signed by Grantee and Contractor and approved by City ("Change Order").

2.1.4 Beginning and Completing the Work. Grantee shall not permit any Work to begin, or materials to be furnished in connection therewith, until (a) Grantee has executed all Grant Documents; and (b) City has issued a written notice to proceed to Grantee and/or Contractor. The Work will begin no later than thirty (30) days after the conditions listed immediately above are satisfied. The Work will continue (without cessation for more than five (5) consecutive days) diligently and in a good and workmanlike manner in strict accordance with the Construction Contract and all Government Regulations. The Work will not violate any of the conditions, covenants or restrictions on the Property. Grantee shall notify City immediately in writing if (a) the Work does not comply with the Construction Contract or this Grant Agreement; (b) any notice of lien on the Property is served on Grantee or Contractor; or (c) any Government Authority issues any notice or claim relating to the Property. The Work shall be completed on or before the date which is required by the Construction Contract ("Completion Date"). City will accept the Work as completed upon Grantee's satisfaction of all of the conditions in Section 3.4.8 of this Grant Agreement.

2.1.5 Inspections. City has the right to enter the Property to inspect the Work, upon reasonable notice to Grantee, during normal business hours, or any other times that City arranges with Grantee. City inspections are for City's benefit only. City's inspections create no liability or responsibility to Grantee, Contractor, any Suppliers, or any third parties. City is not obligated to inspect the Property or the Work.

2.1.6 Grantee Responsibility. Grantee shall have full and sole responsibility to make sure that the Work complies with the Plans and all Government Regulations. City has no liability, obligation or responsibility for the Work. City is not liable for any failure to construct, complete, protect, or insure the Work. City is not liable for any costs of the Work. Nothing City does (including inspecting the Work or making a Payment) will be a representation or warranty by City that the Work complies with the Construction Contract, this Agreement, the Permits or any Government Regulations. Grantee shall have no right to assert any claim against City because of any claim Grantee may have against Contractor or any Suppliers.

2.2 Contractor's Insurance. Grantee shall obtain, or cause Contractor to obtain, and keep in full force and effect the following policies of insurance ("Contractor's Insurance") (a) a builder's all risk insurance policy, without co-insurance, in an amount not less than one hundred percent (100%) of the replacement cost of the Improvements, with the standard conditions; (b) public liability insurance with limits of liability equal to at least \$1,000,000 per occurrence and \$2,000,000 in aggregate; (c) workers' compensation insurance as required by applicable State law and otherwise as required by City; and (d) such other insurance as City may require. The Contractor's Insurance will be in force until City approves of the final Improvements.

### 3. Grant Administration.

3.1 General. City shall disburse the Grant proceeds ("Grant Proceeds") directly to Contractor on Grantee's behalf. Grantee hereby appoints City as its attorney-in-fact to make such payments, which such power is coupled with an interest and shall survive an Event of Default.

#### 3.2 Use of the Grant Funds.

3.2.1 Payments. "Payment" means City's advance, payment or disbursement of any part of the Grant under this Agreement.

3.2.2 Grant Commitment Amount. As of the date on which all Grant Documents are fully-executed and all initial conditions to the effectiveness of the Grant are satisfied (the "Closing Date"), City commits to disburse Grant principal in the total amount of the Grant ("Grant Commitment Amount"). After the Closing Date, the Grant Commitment Amount will equal the principal amount of the Grant less the total amount of Payments made to date. Any Grant Commitment Amount that remains after all Payments have been made will be retained by City.

3.2.3 No Changes. Unless City agrees in writing first, Grantee shall not change the Plans or the Construction Contract, or permit any part of any Payment to be paid except as specified in the Schedule of Payments, or in a Request for Payment.

3.3 Payments; Conditions to Payments. Each of the covenants Grantee makes in this Agreement shall be considered made again as of the time City receives a request from Grantee and/or Contractor for a Payment on City's standard form ("Request for Payment"). City will hold fifteen percent (15%) of each Payment for the Work ("Holdback"). City will disburse Holdback after receiving assurances from the title company that there are no liens affecting the Property as a result of the Work. In no event shall City be obligated to disburse Holdback earlier than forty-five (45) days after final Payment. Payments will be made as outlined in the Construction Contract only if all the following conditions are satisfied:

3.3.1 Plans Approved. Grantee has reviewed the Plans; the Plans are satisfactory and have been approved by all Government Authorities having jurisdiction over the Property and the Work.

3.3.2 Work Completed; Invoices and Lien Waivers. The Work for which a Payment is requested has been completed in a good and workmanlike manner, and complies with the Construction Contract, the Plans, the Permits, and all Government Regulations, and City's inspector shall have

prepared a written certification attesting to such facts. Contractor shall certify that all parties having lien rights for such Work performed shall have executed valid lien waivers.

3.3.3 Request for Payment. Contractor will deliver to City (a) a Request for Payment, properly completed and signed by Grantee and Contractor; (b) conditional construction lien waivers from Contractor for all Work covered by the Request for Payment; and (c) all other information and supporting documentation reasonably required by City in connection with each Payment. City may rely on Grantee's statements and Contractor's statements in the Request for Payment. City does not have to verify any of that information. The funds obtained with the Request for Payment will be used to pay for the Work described in the Request for Payment.

3.3.4 Grant Commitment Amount. The Grant Commitment Amount remaining after each Payment will be enough to complete all the Work.

3.3.5 Bonds. If required by City, Grantee shall have furnished, or caused Contractor to furnish, (a) a performance and payment bond equal to the total amount of the Construction Contract; and (b) a materialmen's and mechanic's payment bond, each in form and substance reasonably acceptable to Grantee. Any bonds required hereunder shall be recorded or filed in accordance with California Civil Code Section 3235.

3.3.6 Completion of Improvements; Final Payment. The Work will be completed as required by this Agreement. Before the final Payment, City shall have (a) received evidence that the completed Improvements have been inspected and approved by applicable Government Authorities and a Certificate of Occupancy has been issued; (b) completed a certification by City's inspector that the Improvements have been completed substantially in accordance with the Plans; (c) received confirmation that Grantee has accepted the completed Improvements; and (d) received and recorded an executed notice of completion from Grantee.

3.4 City's Responsibility. The making of any Payment by City shall not constitute (a) an approval by City of the Work completed through the date of the Payment; or (b) a representation to Grantee or any third party regarding deficiency or defect of the Work.

#### 4. Default and Remedies.

4.1 Events of Default. Grantee shall be in default under this Agreement and the other Grant Documents if any of the following events ("Events of Default") occurs (a) the failure of Grantee to perform or comply with any non-monetary obligation hereunder or under the other Grant Documents within thirty (30) days of receiving written notice of such failure from City; (b) the failure to be true in any material respect when made of any representation or warranty of Grantee contained herein or in the other Grant Documents; or (c) the existence of any other Event of Default under any of the Grant Documents.

4.2 City's Rights and Remedies. Subject to Grantee's right to notice of default and right to cure the default(s), to the extent required by law, if an Event of Default occurs, City has the following rights and remedies ("Rights and Remedies"):

4.2.1 Declare a Default. City may declare this Agreement in default.

4.2.2 Terminate the Grant. City may terminate the Grant and make no further Payments hereunder.

4.2.3 Indemnity. Grantee shall indemnify and shall defend and save harmless, City and City's affiliates, and the officers, directors, employees and agents of City (for the purposes of this Subsection, collectively the "City"), from and against any and all losses, liabilities, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses harmless from any liability, claim, loss, cost,

legal expenses, incurred by or alleged against City arising from or related to (a) the Property; (b) the Work; or (c) Grantee's default under this Agreement or any of the Grant Documents.

4.2.4 City's Fees, Costs, and Expenses. Grantee shall promptly pay to City all attorney's fees, costs, and other expenses paid or incurred by City in enforcing or exercising City's Rights and Remedies under this Agreement.

4.2.5 Remedies Cumulative. City may (but is not required to) exercise any or all of the rights under this Agreement. All of City's Rights and Remedies contained in this Agreement are cumulative and are in addition to any other Rights and Remedies created in any other Grant Document or existing at law or in equity.

5. Miscellaneous.

5.1 Grantee's Cooperation. Grantee shall, at its own cost and expense, sign any other instruments or documents, and supply any information and data that City considers necessary to accomplish the purposes of this Agreement. If, in City's opinion, a material modification of the terms of this Agreement is required, or occurs, Grantee shall execute an appropriate Modification Agreement. All documents delivered to City by Grantee shall become City's property.

5.2 No Waivers. If City delays in exercising or fails to exercise any of its rights under this Agreement, that delay or failure shall not constitute a waiver of any City rights or of any breach, default, or failure of condition under this Agreement. No waiver by City of any of its rights or of any such breach, default, or failure of condition shall be effective, unless the waiver is expressly stated in a writing signed by City.

5.3 Entire Agreement. This Agreement and the other Grant Documents are the entire understanding between City and Grantee about the Grant, the Improvements, and the Work, and may not be modified, amended, or terminated except by written agreement signed by City and Grantee.

5.4 Assignment. This Agreement inures to and binds the heirs, legal representatives, successors, and assigns of Grantee and City; provided, however, that Grantee may not assign this Agreement, or assign or delegate any of its rights or obligations, without City's prior written consent in each instance, which consent may be withheld in City's sole and absolute discretion.

5.5 Survival of Representations. Any promise Grantee makes shall survive the termination of this Agreement and the repayment of the Grant.

5.6 Joint and Several Liability. If more than one person or entity is signing this Agreement as Grantee, their liability under this Note shall be joint and several.

5.7 Notices. Any notice required to be provided in this Agreement shall be given in writing and shall be sent (a) for personal delivery by a delivery service that provides a record of the date of delivery, the individual to whom delivery was made, and the address where delivery was made; (b) by first-class certified United States mail, postage prepaid, return receipt requested; or (c) by a nationally recognized overnight courier service, marked for next day business delivery. All notices shall be addressed to the party to whom such notice is to be given at the property address stated below in this Section or to such other address as a party may designate by written notice to the other. All notices shall be deemed effective on the earliest of (a) actual receipt; (b) rejection of delivery; or (c) if sent by certified mail, the third day on which regular United States mail delivery service is provided after the day of mailing or, if sent by overnight delivery service, on the next day on which such service makes next-business-day deliveries after the day of sending.

No other person or entity shall have standing to require satisfaction of those conditions or be deemed to be the beneficiary of those conditions.

5.9 Governing Law. This Agreement shall be construed and enforce able according to the laws of the State of California (the "State") for all purposes.

5.10 Time Is of the Essence. Time is of the essence with respect to all obligations of Grantee under this Agreement.

## Neighborhood Stabilization Program Rehabilitation Contract

---

This Neighborhood Stabilization Program Rehabilitation Contract is between the **Biniam Ambaye** (hereinafter "**Owner**"), and **Action Services, State License No. 756140** whose business address is **2221 Palo Verde Ave. #2C., Long Beach, CA 90815** (hereinafter "**Contractor**"), who warrants to be licensed and qualified to perform the work specified herein. This Contract is for the rehabilitation of property located at **4206 Rose Ave., Long Beach, CA 90807** (hereinafter "**Property**").

In consideration of their mutual promises, the parties agree as follows:

### Part I. Specific Terms

1. **Effective Date.** This Contract shall have no force or effect unless and until executed by Owner and Contractor, and a copy is delivered to Contractor with a Notice to Proceed date. If an executed copy of this Contract with Notice to Proceed date is not delivered to Contractor within thirty (30) calendar days, neither Owner nor Contractor shall be bound by the terms of this Contract. If, however, an executed copy of this Contract with Notice to Proceed date is delivered after that date, and Contractor subsequently performs work on, or delivers materials to the Property, both parties shall be bound by this Contract. Contractor shall not be compensated under this Contract for work commenced, or materials delivered to the Property before the Notice to Proceed date.

2. **The Contract.** This Contract consists only of Part I (Specific Terms), Part II (Standard Terms), and Attachment No. 1 entitled Work Write-up, dated **03/08/12**. This Contract shall comply with all Housing Quality Standards of the U.S. Department of Housing and Urban Development, and City of Long Beach housing and building codes, as applicable.

3. **Time For Commencement and Completion.** Contractor agrees to commence, or cause to be commenced, the actual work described in the Work Write-up within seven (7) calendar days after the Notice to Proceed date. Contractor agrees to complete, free of liens or rights of liens of contractors, mechanics, material suppliers or laborers, all work listed in Attachment No. 1 within **sixty (60) calendar days** after the Notice to Proceed date, subject to extensions approved by Owner for the period of any excusable delays (including strikes, acts of God or other reasons beyond the control of Contractor). Contractor agrees that time is of the essence of this Contract.

4. **Contract Price.** Contractor agrees to accomplish work as described in the Work Write-up in accordance with each and every term and condition of this Contract, for a total contract price of **Twenty Two Thousand Nine Hundred Forty Five and no/100 Dollars (\$22,945.00)**.

5. **Payment.** Owner and Contractor agree that the total contract price shall be

paid in two payments in accordance with Part I, Paragraph 8. The total payment amount may be reduced, or increased for change orders specified in Part II, Paragraph 3. Owner shall not withhold payment to Contractor except for noncompliance with the terms of this Contract, and shall not request Contractor to perform work outside the scope of this Contract as a condition of receiving payment. Contractor acknowledges that it is a material breach of this Contract to request or accept payment which is in excess of the price of the Work completed.

6. **Liquidated Damages.** Owner and Contractor agree that it would either be impractical, or extremely difficult to fix actual damages in the event that Contractor fails to complete the described work within the time prescribed by this Contract. In connection therewith, Contractor agrees to pay to Owner liquidated damages of **Fifty Dollars (\$50.00)** per day for each calendar day thereafter the work is incomplete beyond the date when completion is required, so long as any such delay is not occasioned by the fault of Owner, or excused in accordance with Part II, Paragraph 17. Owner and Contractor further agree that Fifty Dollars (\$50.00) per day is a fair and reasonable estimate of such damages, and that said sum is not to be construed in any sense as a penalty. The parties further agree that said Liquidated Damages for delay shall be Owner's sole and exclusive remedy for such delay.

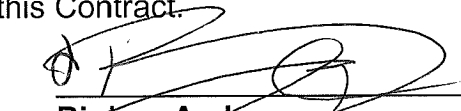

7. **Warranty.** Contractor warrants that all improvements, materials, hardware, and fixtures of whatever kind or nature to be installed or constructed by Contractor or Contractor's subcontractors, shall be new, of good quality, suitable for their purpose and be free from defects in workmanship, materials, or other deficiencies. This is a full warranty extending to Owner, the current property owner and subsequent owners of the Property; provided however, that the warranty set forth in this Paragraph shall apply only to deficiencies and defects about which Owner, the current property owner or subsequent owners shall have notified Contractor at the address stated above within 1 year from the date established by the final acceptance of all work performed under this Contract (Acknowledgement of Satisfactory Completion of Work), except for any longer manufacturer warranties which must be furnished to Owner. Owner, the current property owner or subsequent owners shall submit in writing to Contractor, a list of all corrections, which are covered by Contractor's warranty. Contractor shall proceed to make every attempt to have those corrections completed to the satisfaction of Owner, the current property owner or subsequent owners.

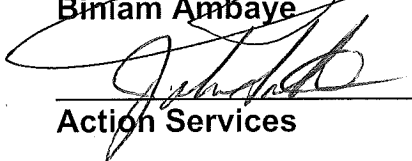

8. **Payment Schedule.**

Contractor shall be entitled to request an initial payment equal to fifty percent (50%) of the Contract price, less fifteen percent (15%) retention, when at least fifty percent (50%) of the Work to be performed hereunder is completed to the satisfaction of Owner and the City of Long Beach ("City"). Contractor shall be entitled payment for the balance of the Contract price, less when retention, when (i) all work required under this Contract is completed to Owner's and City's satisfaction and Owner has issued an Acknowledgement of Satisfactory

Completion of Work, and (ii) Owner has received unconditional lien releases from all necessary subcontractors in form and substance acceptable to Owner, and (iii) if applicable, Contractor has provided Owner with a **Standard Notice of Work Completed and Not Completed** report from a company licensed by the California Structural Pest Control Board and any work not completed by the pest control company, but recommended in the initial pest control inspection report, shall have been completed and certified by Contractor, (iv) Contractor has provided Owner with the **building permit inspection sign-off**, and (v) Contractor has submitted all manufacturer warranties and guarantees. Contractor shall be entitled to retention after forty-five (45) days have elapsed after recording of the Notice of Completion.

9. **Parties to Contract.** Owner and Contractor agree that they are the sole parties to this Contract, and are solely responsible for its performance. The parties agree that the United States Department of Housing and Urban Development, and its agents, officers, or employees, do not assume any liability or responsibility whatsoever arising out of this Contract.

Each insurance required hereunder shall be separately endorsed to provide that coverage shall not be canceled, non-renewed, or materially changed in coverage or limits (other than exhaustion of limits by paid claims) except after thirty (30) days prior written notice to Owner.

Each insurance policy required hereunder shall also be separately endorsed to provide that coverage shall be primary and not contributing to any other insurance or self-insurance maintained by Owner, its officials, employees, or agents.

Contractor shall require any subcontractor that Contractor may use in the performance of this Contract to maintain insurance in compliance with the provisions of this section.

If the Contract Price exceeds \$25,000, then prior to execution of this Contract and in accordance with California Civil Code Section 3247(a), Contractor shall procure, maintain and deliver to Owner a payment bond in form and substance reasonably acceptable to Owner and effective for the duration of this Contract, at the sole expense of Contractor.

**2. Assignment.** Contractor agrees not to assign this Contract without written consent of Owner.

**3. Change Orders.** Contractor agrees **not** to make any changes or additions to the Work Write-up, or the Specifications, without prior written authorization by Owner and the City of Long Beach.

**4. Permits and Codes.** Contractor shall perform all work under this Contract in conformance with applicable laws, ordinances, regulations, and orders, whether or not such applicable laws, ordinance, regulations, and orders are specified in this Contract, or the attachments hereto. If any discrepancy is discovered in this Contract in relation to any such law, ordinance, regulation, or order, Contractor shall immediately notify Owner of the discrepancy. Contractor agrees to secure, and pay for all necessary permits, and licenses required for Contractor's performance of this Contract in compliance with applicable local requirements, including local building and housing codes, where applicable, whether or not specified in the Work Write-up.

**5. Hold Harmless.** Contractor agrees to defend, indemnify, and hold Owner and its agents, employees and officers harmless from any liability, or claim for damages because of bodily injury, death, property damage, sickness, disease, or loss, and expense arising from this Contract, including without limitation any and all claims brought by the current property owner against Owner. Contractor and each subcontractor is acting in the capacity of an independent contractor with respect to Owner. Contractor further agrees to protect, defend and indemnify Owner, and its agents, employees, and officers from any claims by laborers, subcontractors, or material suppliers for unpaid work, or labor performed, or materials supplied in connection with this Contract.

**6. Eligibility.** Contractor represents that it is not listed on the Disbarred and Suspended Contractor's List of The United States Department of Housing and Urban Development, or the City of Long Beach, and Contractor further agrees not to hire or utilize as a subcontractor or supplier any person or firm that is so listed.

**7. Condition of Property.** Contractor agrees to keep the Property broom clean, and orderly, and to remove all debris as needed during the course of the work, and upon completion of the work, in order to maintain work conditions which do not cause health or safety hazards.

**8. Lead Based Paint.** Contractor agrees to use **No Lead Based** Paint in

Contractor's performance of this Contract, including the performance of any subcontractor. **"Lead Based Paint"** means any paint containing more than six one-hundredths of one percent lead by weight (calculated as lead metal), in the total nonvolatile content of the paint, or the equivalent measure of lead in the dried film of paint already applied.

**9. Termination.** Contractor agrees that Owner shall have the right to terminate this Contract for convenience, effective immediately upon receipt of written notice of termination by Contractor; provided, however, that Contractor shall be paid in full for all work completed under this Contract up to and including the effective date of termination. Contractor agrees that Owner shall have the right to declare Contractor in default if Contractor fails to furnish materials, or perform work in accordance with the provisions of this Contract. In such event Owner shall be responsible for providing written notice to Contractor by registered mail of such default. If Contractor fails to remedy such default within fifteen (15) days of mailing such notice, Owner shall have the right to select one or more substitute contractors who meet the requirements of this Contract, to finish the work. If the expense of finishing the work exceeds the balance not yet paid to Contractor on this Contract, Contractor shall pay the difference to Owner within ten (10) days after Owner mails by registered mail, a written request for payment to Contractor. If the expense of finishing the work does not exceed the balance not yet paid to Contractor, Owner shall pay the difference to Contractor within thirty (30) days after satisfactory completion of all work by the substitute contractor. Owner may use all, or any portion of the unpaid balance not yet paid to Contractor, to compensate substitute contractors selected pursuant to this Paragraph, and Contractor shall have no right to object to this determination by Owner.

**10. Inspection and Record Retention.** The United States Government and the City of Long Beach, and their duly authorized representatives shall have the right to inspect all work performed under this Contract. Contractor and Owner, as applicable, will take all steps necessary to assure that the United States Government (including without limitation the Comptroller General of the United States), the City of Long Beach, or their duly authorized representatives are permitted to examine and inspect the Property, and all contracts, materials, equipment, payrolls, and conditions of employment pertaining to this Contract and the work to be performed hereunder, including all relevant books, documents, papers, data and records, for the purpose, among other things, of making audit, examination, excerpts and transcriptions. Contractor shall keep and maintain copies of all such contracts, books, documents, papers, data and records for a period of at least three (3) years after final payment is made by Owner to Contractor under the Contract. By such inspection, the United States Government, and the City of Long Beach, assume no responsibility for defective material, or work under this Contract, or to either party for any breach of this Contract by the other. However, the City of Long Beach may determine whether or not work by Contractor on the project is in compliance with plans, and specifications. Owner may stop the work of Contractor if necessary to prevent improper execution, and may determine the amount, quality, and fitness of the several kinds of work, and materials. Owner may reject all work and materials, which do not conform to the requirements of this Contract. Owner and Contractor shall make every effort to resolve
