RELAY FOR LIFE OF LONG BEACH

What is Relay?

Its 24 hours you'll never forget...

Relay for Life is a 24-hour team event to fight cancer. It raises awareness of cancer in the community and raises money to support the programs and services of the American Cancer Society.

Why Relay?

One in three people will be diagnosed with cancer in their lifetime. The money raised at Relay saves lives by funding cutting-edge cancer research, early detection and prevention education, advocacy efforts, and life-affirming patient services.
