Thank you. | 1/23/2016 |
| 2. (16-0067) Recommendation to request City Manager to report back to City Council in 90 days on the feasibility of establishing a percent for arts policy as an ongoing funding source for public art in the City; and report back on similar models cities across the nation use to fund public art programs. | Arthur Siegrist | ajsiegrist@yahoo.com | | | | CA | 95358 | I think this is an excellent idea for Long Beach to consider. Also owning property in Cerritos, California, the City of Cerritos has had a program in place for years where any new development within the City is required to spend 1% percent of the total project budget on public art for the site being developed. I support this motion and solute the Council for being so forward thinking. Here is a link to the City of Cerrtios Program : http://www.cerritos.us/BUSINESSES/public_art_program.php | 1/23/2016 |

| <p>3. (16-0069) Recommendation to receive and file the memorandum to the members of the City Council from the Department of Financial Management dated January 13, 2016 entitled, "Responses to Questions from the December 22, 2015 Study Session on the City's Infrastructure Needs," along with the Revenue Measure Options presentation; or</p> <p>Direct City Manager to provide additional information relative to the implementation of revenue measure options for the City; or</p> <p>Direct City Attorney to prepare any and all documents necessary for a possible revenue measure in the City, to be returned to the City Council for a vote to place the measure on a ballot. (Citywide)</p> | Arthur Siegrist | ajsiegrist@yahoo.com | | | | CA | 95358 | <p>Dear Council Members,</p> <p>Although our economy is improving and the City is in a better situation, it appears we still are in need of additional funding sources. If the Council decides to move forward on this issue, my only request would be the Council respectfully move forward on this issue, being prudent and adding the \$433,000 cost to the November election, and not opting for the more expensive alternatives.</p> | 1/23/2016 |
