-EXTERNAL-

Hi Maryanne

My name is Alicia Velasco and I live at [REDACTED], Long Beach, CA 90803. I received a public hearing notice regarding the appeal of Legend's parklet approval. I live very close to Legends and support their parklet. They are a good neighbor and I am sure there are lots of conditions in the original approval to ensure it operates smoothly.

Please include my support when this item goes before the Planning Commission.

Thank you,
Alicia Velasco

To who it may concern,
I am the owner of the Ordinarie in Downtown Long Beach.
I'd like to go on record in support of the application to allow legends sports bar to retain the parklet in Belmont shore.
I found the park let added a sense of community to the street and made it feel lively and welcoming.
I trust the city will make the correct decision in granting the application. Restaurants provide a lot to a city , much more that food and drink.
Thank you .

Eric,

I am writing this in support for the renewal of the parklet at Legends. It is a plus to be able to host more guests and the outside space is a great addition.

Hi Eric,
It's my understanding that the city is having you renew your parklet permit. I just want you to know that I strongly support the parklets and hope that you are granted the continued use. If there's anything else I can do please let me know.

The best to you and your team!!

Attn. LB planning Commission

I am writing to you about the park let in support for Legends Sports Bar and Restaurant. I travel a lot throughout the country and in Europe and enjoy eating and drinking outside. Southern California has wonderful weather and it is great to seat outside and enjoy lunch or dinner and I hope that you allow Legends to have a permanent park let to continue to enjoy Southern California weather while having drinks and food.

Thank you
