8. (13-0122) Recommendation to authorize City Manager to proceed with the entitlement phase of the proposed Long-Term Belmont Pool Revitalization Project (Project), and with the installation of a temporary outdoor pool or other interim option. (District 3)	Natalie	ocean2snow27@aol.com			Long Beach	California	90807	My name is Natalie Merrow and I am a LB native who began swimming at the Belmont pool at age two. I am now almost 33 years old and have been swimming my whole life. In 2010, I swam the Catalina Channel. I couldn't have done it without the Belmont pool as a proper training facility. Please re-build the pool. A proper example of a facility is down in Mission Viejo at the Marguerite Natador complex. They have what LB needs! Please look into it and please save the pool. Thanks a lot!	2/11/13
8. (13-0122) Recommendation to authorize City Manager to proceed with the entitlement phase of the proposed Long-Term Belmont Pool Revitalization Project (Project), and with the installation of a temporary outdoor pool or other interim option. (District 3)	Wilfred Diaz	wilfreddiaz@gmail.com			Long Beach	California	90802	Please make the new Belmont Pool meet competition standards. The soul of the aquatic community in Long Beach is based in the spirit of competition. Building a pool that will not allow big swim meets or water polo tournaments will be detrimental the Long Beach Aquatic community and will stifle the spirit that created that wonderful aquatic community.	2/12/13
8. (13-0122) Recommendation to authorize City Manager to proceed with the entitlement phase of the proposed Long-Term Belmont Pool Revitalization Project (Project), and with the installation of a temporary outdoor pool or other interim option. (District 3)	Shanan Cale	slc@advisorlogic.com			Long Beach	California	90803	Please rebuild the Belmont Pool! It is money well spent for the community as well as a draw for sporting events throughout California. Thank you, Shanan Cale Belmont Shore Resident	2/12/13

8. (13-0122) Recommendation to authorize City Manager to proceed with the entitlement phase of the proposed Long-Term Belmont Pool Revitalization Project (Project), and with the installation of a temporary outdoor pool or other interim option. (District 3)	Teddy Bramble	ted.bramble@am.sony.com			Long Beach	California	90803	Please make a world class swimming facility--something that draws competitions and teams from all over Consistent 8 ft deep water for both pools. Or build an 80 meter pool with a bulk head so there can be a shallow end. Or an 'L' shape pool with the offset part shallow. Whatever you do, don't compromise on the 8 ft deep 50 meter pools needed-- we have to have those if we are going to be a world class Aquatics Capital of the Nation. Please do it right.	2/12/13
