May 24, 2005

HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Authorize the City Manager to execute the First Amendment to Agreement No. 28430 with Lim & Nascimento Engineering Corporation, doing business as LAN Engineering, extending the term of the agreement to August 31, 2006. (Citywide)

DISCUSSION

On July 1, 2003, the City Council authorized an agreement with LAN Engineering, to provide engineering services for the preparation of a Storm Drain Assessment Study, Storm Drain Master Plan and a Geographic Information System (GIS) Based Management Program (Council letter attached). Council action authorized an agreement amount not to exceed \$460,000 for a 2-year term. The agreement specified a 2-year term from September 1, 2003, through August 31, 2005.

During the above-mentioned agreement term, the project completion was delayed several times, due to the need for additional research and GIS data inputting by the consultant. It is necessary to issue an amendment to extend the agreement term with LAN Engineering through August 31, 2006, with no increase in funding, in order to complete all project tasks.

This matter was reviewed by Senior Deputy City Attorney Donna F. Gwin on May 4, 2005, and Budget Management Officer David Wodynski on May 9, 2005.

TIMING CONSIDERATIONS

City Council action on this matter is requested on May 24, 2005. An extension to this agreement will allow the completion of this project by LAN Engineering without interruption.

HONORABLE MAYOR AND CITY COUNCIL
May 24, 2005

FISCAL IMPACT

There is no fiscal impact, as the amendment will only allow for an extension of term.

SUGGESTED ACTION:

Approve recommendation.

Respectfully submitted,

CHRISTINE F. ANDERSEN
DIRECTOR OF PUBLIC WORKS
