Entertainment For In the Future Now

I.

A "Medieval Times" or "Pirates" soon to be.
Can be put next to the Queen Mary
For dining and amusement. The first
Solvent for many years a great tourist draw
In Orange County next to only "Disneyland fun."

II

A wax museum of great and famous people
To be put aboard the Queen Mary in
Appropriate settings made.

The casts of the models ready.
(Most, however, having been used.)

The most expensive job done.
To try again for a "captured" audience.

No one will be able to say -
There is nothing aboard the Queen Mary.

To do or see. This tour, a monument to romance,
All around to take the magic carpet to romance,
And the real adventure through.

III

Boxing matches could be held
Under the dome. Done before, a success.

Looking like gladiators of ancient Rome,
They should for safety be required
To wear leather "training" masks. A game for minors

They salute; fists raised after the
All hand music before and during intermission.
with hands raised in a fist: "We salute you
For your entertainment and our compensation."
Glorious and Glamorous, Spirit, and Game They win

IV

Librarians cut with
Some specific days
Can be compensated for
with for less expense
Patrons the student
to work at school
before in a van
particularly to visit
the main branch
of the library
