Subject: **Summary of 2008 Federal Funding Successes**

Attached for your review is a summary of the total amount of Federal funding successfully received by the City in FY 2008 through direct legislative efforts. These successes are a result of the collaborative efforts of the Mayor, the Federal Legislation Committee, the City's Federal legislative advocates Van Scoyoc Associates, City staff, and of course our Long Beach Congressional delegation.

This list does not include the numerous federal grant dollars that many departments receive (such as Section 8, CDBG, Homeland Security, Health grants, etc), rather it shows new funding sources identified and secured on behalf of Long Beach in 2008, either through direct efforts or in partnership with other groups.

For more information, please contact Tom Modica, Manager of Government Affairs, at 8-5091.
