(District 4)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council make a determination that the application is complete and truthful; the applicant, the person interested in the ownership and operation of the entity, and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and, that the public peace, welfare, and safety will not be impaired. If this is so, the application shall be approved, a short-term permit shall be approved, or the application shall be denied.

Attached for your review is the application from Frisco's Food Services, Inc., DBA Frisco's Carhops Bar & Grill Restaurant. Also attached are reports from various departments and a summary of those reports, as well as the license history of the establishment.

City departments have conducted their investigation in accordance with the LBMC. The following summarizes their findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons be approved subject to conditions.
- The Fire Department recommends that the permit for entertainment with dancing by patrons be approved.

- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department recommends that the permit for entertainment with dancing by patrons be approved.

In the event that any of the recommended conditions attached to any permit or licenses are in conflict, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a Restaurant with Alcohol since January 2006, and was approved for a One-Year Short-Term entertainment permit on March 11, 2008.

This item was reviewed by Deputy City Attorney Cristyl Meyers on May 18, 2009.

TIMING CONSIDERATIONS

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.

- 4) Noise emanating from the permittee's premises shall not be audible 50 feet or more from the exterior of the premises. The permittee shall be responsible for determining how to best meet this requirement, either by keeping doors and windows shut, limiting hours of entertainment or by offering non-amplified entertainment.
- 5) The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.

Applicant: Frisco's Food Services, DBA Frisco's Restaurant

Zoning District: CCA (Community Automobile Oriented District)

Proposed Use: Entertainment with Dancing

The Community Design and Development Division of the Department of Planning and Building has the following comments:

In 2003, the Planning Commission approved a Conditional Use Permit and Site Plan Review for this location to allow the expansion of an existing restaurant with on-premises sales of alcoholic beverages and a fixed bar. Per the staff report and conditions of approval for this case (Case No. 0303-04), no additional parking was required due to the 655 total parking spaces shared by all tenants of the Circle Center Shopping Center. Though no additional parking was required, as a result of the expansion and remodel of the existing restaurant, seven (7) additional parking spaces were created bringing the total number of spaces in the shopping center to 662.

The subject site was previously approved for an entertainment permit with dancing in March of 2008. Based on the floor plans submitted for the previous application and the current application, there have been no significant changes made to the floor plan.

Planning Bureau recommends that the entertainment permit with dancing be approved.
