2
3 A RESOLUTION OF THE CITY COUNCIL OF THE
4 CITY OF LONG BEACH ESTABLISHING A HISTORIC
5 RESOURCES DESIGNATION FOR THE BUILDING
6 LOCATED AT 501 EAST BROADWAY, AS PRESCRIBED
7 BY CHAPTER 2.63 OF THE LONG BEACH MUNICIPAL
8 CODE TO BE RECORDED PURSUANT TO THE
9 AUTHORITY OF GOVERNMENT CODE SECTION 27288.2
10 AND PUBLIC RESOURCES CODE SECTION 5029

11
12 The City Council of the City of Long Beach does hereby resolve as follows:

13 Section 1. This Resolution is adopted pursuant to the authority and
14 mandate of California Public Resources Code Section 5029 in order to provide recorded
15 notice to current and future owners of the affected properties that such properties have
16 been designated as historical landmarks.

17 Section 2. Pursuant to Chapter 2.63 of the Long Beach Municipal Code,
18 the City Council of the City of Long Beach has adopted Ordinance No. ORD-17-0013
19 designating the property located at 501 East Broadway as a local historical landmark. As
20 a local historic landmark, the demolition, alteration, or relocation is restricted, subject to
21 controls and standards set forth in this resolution and in Chapter 2.63 of the Long Beach
22 Municipal Code, as may be amended from time to time.

23 Section 3. The legal description for the building located at 501 East
24 Broadway is set forth on Exhibit "A", attached hereto and incorporate herein as though
25 set forth in full. The owner of 501 East Broadway is Nancy L. Downs, trustee of the 2000
26 Nancy L. Downs Revocable Trust.

27 Section 4. Designation as a Historic Landmark. Pursuant to the
28 provisions of Chapter 2.63 of the Long Beach Municipal Code and upon the

1 recommendation of the Cultural Heritage Commission, the City Council of the City of
2 Long Beach hereby designates the property located at 501 East Broadway as a historic
3 landmark based on satisfying significance criteria A and C, as defined in the City's
4 Cultural Heritage Commission Ordinance (Long Beach Municipal Code, Section
5 2.63.050). The designation of 501 East Broadway as a local historic landmark has been
6 codified in Section 16.52.2230 of the Long Beach Municipal Code.

7 A. The Metropolitan Apartments building was originally
8 constructed in 1922. The mixed-use building has been used as both a hotel
9 and apartment building on the upper floors and ground floor commercial
10 over the building's lifetime. City records indicate the structure was originally
11 designed in a Spanish style, but the original building architect could not be
12 determined. The building's current Streamline Moderne façade was
13 designed by noted local architect W. Horace Austin after the building
14 suffered damage in the 1933 Long Beach earthquake. The building is
15 significant under Criteria A for its association with an important event in
16 local history which resulted in a period of reconstruction throughout the City
17 after the Long Beach earthquake. The building is also eligible under
18 Criteria C as an excellent example of the Streamline Moderne style. The
19 building embodies many of the distinctive characteristics associated with
20 the Streamline Moderne style. The structure retains a high level of integrity
21 and maintains several original building including the original bays, many of
22 the original windows, speed-inspired horizontal banding, curved bullnose,
23 the original fire escape, and the original spire. This building will be referred
24 to as the "Metropolitan Apartments Building" if approved.

25 B. Rational for historic landmark designation. The City Council
26 finds that relative to the designation of the subject building located at 501
27 East Broadway as a historic landmark, the following criteria are manifested
