2. (15-0159) Recommendation to receive supporting documentation into the record, conclude the hearing and grant an Entertainment Permit with conditions on the application of Gaslamp Partners, LLC, dba The Gaslamp Restaurant and Bar, 6251 East Pacific Coast Highway, for Entertainment With Dancing by Patrons and Performers. (District 3)	Robert Bailey	rbaileywchoa@gmail.com			Long Beach	CA	90803	I am Robert Bailey & live at 6011 Loynes Dr, across the street from The Gaslamp. I am also the president of the Whalers Cove HOA. I was at the Planning Commission's meeting & want to raise 2 points. First, the commission approved the permit based on The Gaslamp participating & cooperating with a new local community working group; please make sure that is required in their permit. Next, The Gaslamp has been already operating until 2 a.m. & is posted as such at their business; is that allowed?	3/3/2015
31. (15-0115) Recommendation to declare ordinance amending Title 6 of the Long Beach Municipal Code to make it mandatory for dog owners to spay or neuter their pets, unless they possess a medical exclusion or exemption, and to prohibit the sale of dogs, cats, or rabbits in any pet shop, retail business, or other commercial establishment, unless they were obtained from an animal shelter, humane society, rescue organization, or bred on the premises possessing a valid breeding permit read the first time and laid over to the next regular meeting of the City Council for final reading. (Citywide)	Theresa Hew	lthew1@yahoo.com			Long Beach	CA	90807	How will the part time inspector conduct the canvassing? No details were provided in the draft plan. Please be specific. I am a pet lover and want to see more spaying/neutering but also a taxpayer. If this ordinance is not enforceable it wastes money that could go to the animals.	3/3/2015
