PROGRESS UPDATE - Accomplishments, Updates and Next Steps

[see media](#)

Meredith Reynolds, Sustainability Coordinator, provided the following accomplishments and updates:

On February 2, 2010 the Sustainable City Action Plan was approved by City Council and the Sustainable staff is in the final stages of preparing the final document.

The Energy Efficiency Stimulus Funding was approved by City Council on February 16, 2010.

Sustainable staff was awarded a grant in the amount of \$108,000 to plant over 1,000 trees and this will go before the City Council in March for acceptance and recognition.

A few policies are still being prepared such as the Model Landscape Ordinance and Community Gardens. The policies will be presented to the Sustainable City Commission in March 2010.

There is a big push to get prepared for Earth Week which is April 19-24, 2010. There will be a calendar of events as well as a website. Volunteers from Cal State Fullerton will be assisting. Also during Earth Week, the Sustainable staff will produce their first Green Report Card by taking the goals in the Action Plan and documenting their accomplishments.

Everyone is invited to the groundbreaking of Fire Station 12 on March 6, 2010 at 10 a.m.

There are two grant applications coming up in March - the first grant is from Southern California Edison (SCE) for energy efficiency and other energy conservation ideas or proposals to meet the state's Energy Efficiency Long-term Strategic Plan - to determine future needs of the City. The second is a grant from Coca-Cola for recycling bins.

ANNOUNCEMENTS

[see media](#)

Commissioner Berry introduced an attendee of the meeting from District One and invited everyone to attend the Long Beach Symphony Pop Concert event featuring the Ladies of Motown on Saturday March 13, 2010.

Commissioner Kajer noted March 22, 2010 is International Water Day and the Surf Rider Foundation will be launching a video in honor of that day that talks about water use and the issues of our water policies in general and in the state of California.

Commissioner Kajer also requested an opportunity in April to have the same video presented to the Sustainable City Commission, if possible.

Commissioner Brennan noted the Solar Grand Prix is taking place on April 10, 2010 in the Good Neighbor Park in the Fifth Council District on Studebaker, south of Spring. There are about 300 teams made up of children and they will be learning about solar energy/solar car kits. The children will be racing all day on April 10.

Chair Supernaw thanked Commissioner Kajer and Commissioner Berry for attending the February 2, 2010 City Council meeting. The Sustainable City item was presented late in the evening and the support of the Commissioners is appreciated.

Vice Chair Wibroe announced the Long Beach Arts Council is inviting all to attend the March 2, 2010 City Council meeting to have funding for the arts in Long Beach.

ADJOURNMENT
