2. (21-1187) Recommendation to receive and file staff recommendations for the City's 2022 State Legislative Agenda, gather input from the State Legislation Committee, and forward the Committee's recommendations to the City Council for adoption.	Bob Livingstone	boblivy@gmail.com						As a Parks and Recreation Commission member, I encourage the City to formally oppose newly introduced AB1910 (C. Garcia). Proudly, Long Beach adopted a new Strategic Plan for Parks last month that includes goals of increasing open space and equitable park programming. This proposed bill would subsidize taking existing open/green space - that not only provides recreation but ground water recapture and trees for CO2 capture - and turn it into concrete...that should be unacceptable and frankly, incomprehensible!! It is imperative that Long Beach oppose any proposed legislation that could set the horrific precedent of taking any green/open space and turning it into concrete no matter the reason! Bob Livingstone, District 4 resident.	2/16/2022
