PROJECT NUMBER 2010-WS-QX-0012

AWARD DATE 07/14/2010

SPECIAL CONDITIONS

9. The grantee/fiscal agent and Steering Committee recognizes that it must come into compliance with all new statutory requirements for Weed and Seed programs. See 42 U.S.C. Section 104. This includes, but is not limited to, amending its existing Operating Policies and Procedures, consistent with guidance that will be provided by CCDO, to include the U.S. Attorney (for the District encompassing the community) and the Drug Enforcement Administration's special agent in charge (for the jurisdiction encompassing the community) as voting members of the Steering Committee.
10. While specific program strategies may vary from site to site, the planning, development and execution for the following elements shall be common to all Weed and Seed sites. These common elements are: (1) to organize and regularly convene a Weed and Seed steering committee; (2) to maintain focus on the four components in the target neighborhood; (3) to screen applicants working with children while selecting and mobilizing resources to address neighborhood problems; and (4) to regularly revisit goals, objectives, and the implementation strategies and schedules. Failure to substantially comply with these elements is cause to discontinue grant funding.
11. The grantee agrees to require that organizations which receive grant funds certify, as part of the contract, that they have appropriate hiring policies and screening procedures for employees who will be working with youth and other residents as part of the Weed and Seed strategy.
12. Grantee agrees that if it chooses to award mini grants (sub-grants), those mini grant awards will be made for criminal justice purposes. Grantee also agrees to ensure that these procedures comply with the OJP Financial Guide. For purposes of this condition, "criminal justice purposes" shall mean those activities contemplated in the definition of "criminal justice" found in the Omnibus Crime Control and Safe Streets Act, 42 U.S.C : 3791 (a)(1). "Criminal justice" is defined as " activities pertaining to crime prevention, control, or reduction, or the enforcement of the criminal law, including, but not limited to, police efforts to prevent, control, or reduce crime or to apprehend criminals, including juveniles, activities of courts having criminal jurisdiction, and related agencies (including but not limited to prosecutorial and defender services, juvenile delinquency agencies and pretrial service or release agencies), activities of corrections, probation, or parole authorities and related agencies assisting in the rehabilitation, supervision, and care of criminal offenders, and programs relating to the prevention, control, or reduction of narcotic addiction and juvenile delinquency."
13. Grantee agrees to submit a copy of any revisions to the previously submitted and approved Weed and Seed Steering Committee Policies and Procedures. These revisions should be submitted to CCDO within 90 days of the adoption of the revision.
14. The grantee agrees to submit a Government Performance Results Act (GPRA) Report for each calendar year in which the grant remains open. These GPRA reports are due when specified by CCDO, reporting the results from the preceding calendar year.
15. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.
16. Approval of this award does not indicate approval of any consultant rate in excess of \$450 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.

Memorandum To: Official Grant File

From: Dennis E. Greenhouse, Director, CCDO

Subject: Categorical Exclusion for City of Long Beach

The subject project involves the following: During this project period, law enforcement efforts will focus on identifying high-risk locations for narcotics, gang-related issues, graffiti, and truancy incidences. Community policing goals include focusing on education and teamwork to improve community safety and building trust between residents and law enforcement personnel. Prevention, intervention, and treatment goals include increasing public safety by providing educational, career preparation, social and economic/life skills activities, drug and gang prevention and education, and youth services. Neighborhood restoration goals include providing strategic community restoration block-by-block; providing education and resources on housing grants; and establishing neighborhood clean-up days in the community on a quarterly basis.

None of the following activities will be conducted either under the OJP federal action or a related third party action:

1. New construction.
2. Any renovation or remodeling of a property either (a) listed on or eligible for listing on the National Register of Historic Places or (b) location within a 100 year floodplain.
3. A renovation which will change the basic use of a facility or significantly change its size.
4. Research and technology whose anticipated and future application could be expected to have an effect on the environment.
5. Implementation of a program involving the use of chemicals.

Consequently, the subject federal action meets OJP's criteria for a categorical exclusion as contained in paragraph 4.(b) of Appendix D to Part 61 of the Code of Federal Regulations. Additionally, the proposed action is neither a phase nor a segment of a project which when viewed in its entirety would not meet the criteria for a categorical exclusion.

The Community Capacity Development Office (CCDO) approved Long Beach Police Beats 4 and 5 as a Weed and Seed Community (WSC) effective October 1, 2007. This is the site's fourth award to implement their strategy. The designated area includes the Los Angeles River on the west, Hill Street on the north, Cherry Avenue on the east, and Anaheim Street on the south.

During this project period, law enforcement efforts will focus on identifying high-risk locations for narcotics, gang-related issues, graffiti, and truancy incidences. Community policing goals include focusing on education and teamwork to improve community safety and building trust between residents and law enforcement personnel. Prevention, intervention, and treatment goals include increasing public safety by providing educational, career preparation, social and economic/life skills activities, drug and gang prevention and education, and youth services. Neighborhood restoration goals include providing strategic community restoration block-by-block; providing education and resources on housing grants; and establishing neighborhood clean-up days in the community on a quarterly basis.

The site has allocated \$88,319 of the total \$157,000 award to support weeding activities, including community policing.

Each Weed and Seed Community is required to demonstrate its local coordination efforts and include a firm commitment of either time or resources to the project in a specific Memorandum of Understanding.
