- b). The Subgrantor retains the right to suspend financial assistance, in whole or in part, to protect the integrity of the funds or to ensure proper operation of the program, providing the Subgrantee is given prompt notice and the opportunity for an informal review of the Subgrantor's decision. The Chief Deputy Director or his designee will perform this informal review and will issue the final administrative decision within 60 days of receiving the written request for review. Failure on the part of the Subgrantee or a Subcontractor of the Subgrantee to comply with the provisions of this subgrant agreement, or with the WIA or regulations, when such failure involves fraud or misappropriation of funds, may result in immediate withholding of funds.
- c). The local Chief Elected Official (CEO) of a unit of general local government designated as a Local Workforce Investment Area (LWIA), shall be liable to the EDD for all funds not expended in accordance with WIA, and shall return to the EDD all of those funds. Failure to adhere to these provisions may result in suspending cash draw down privileges and providing funds through a reimbursement process.
- c). The Subgrantor retains the authority to adjust specific amounts of cash requested if the Subgrantor's records and subsequent verification with the Subgrantee indicate that the Subgrantee has an excessive amount of cash in its account.

- e). Subgrantee shall not be required to maintain a separate bank account but shall separately account for WIA funds on deposit. All funding under this subgrant agreement, will be made by check or wire transfer payable to the Subgrantee for deposit in Subgrantee's bank account or city and county governmental bank accounts. To provide for the necessary and proper internal controls, funds should be withdrawn and disbursed by no less than two representatives of the Subgrantee. The Subgrantor will have a lien upon any balance of WIA funds in these accounts, which will take priority over all other liens or claims.

10. Amendments

This subgrant agreement may be unilaterally modified by the Subgrantor under the following circumstances:

- a). There is an increase or decrease in federal or state funding levels.
- b). A modification to the Subgrant is required in order to implement an adjustment to a Subgrantee's plan.

sub-contracting service providers will immediately report to the Subgrantor any incidents of fraud, abuse or other criminal activity in relation to this subgrant agreement, the WIA, or its regulations.

15. Disallowed Costs

Except to the extent that the state determines it will assume liability, the Subgrantee will be liable for and will repay, to the Subgrantor, any amounts expended under this subgrant agreement found not to be in accordance with WIA including, but not limited to, disallowed costs. Such repayment will be from funds (Non-Federal), other than those received under the WIA.

16. Conflicts

- a). Subgrantee will cooperate in the resolution of any conflict with the U. S. DOL that may occur from the activities funded under this agreement.
- b). In the event of a dispute between the Subgrantor and the Subgrantee over any part of this subgrant agreement, the dispute may be submitted to non-binding arbitration upon the consent of both the Subgrantor and the Subgrantee. In any subgrant funded in whole or in part by the federal government, Subgrantor may acquire and maintain the Intellectual Property rights, title, and ownership, which result directly or indirectly from the subgrant, except as provided in 37 Code of Federal Regulations part 401.14. However, pursuant to 29 CFR section 97.34 the federal government shall have a royalty-free, non-exclusive, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

If such a license upon these terms is unattainable, and Subgrantor determines that the Intellectual Property should be included in or is required for Subgrantee's performance of this subgrant agreement, Subgrantee shall obtain a license under terms acceptable to Subgrantor.

g). Warranties

(1). Subgrantee represents and warrants that:

- (a). It has secured and will secure all rights and licenses necessary for its performance of this subgrant agreement.
- (b). Neither Subgrantee's performance of this subgrant agreement, nor the exercise by either Party of the rights granted in this subgrant agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subgrantee or Subgrantor and which result directly or indirectly from this subgrant agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There are currently no actual or threatened claims by any such third party based on an alleged violation of any such right by Subgrantee.
- (c). Neither Subgrantee's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.

funds will not be used in the performance of this subgrant agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

(h). It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Subgrantee's performance of this subgrant agreement.

(2). SUBGRANTOR MAKES NO WARRANTY, THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS SUBGRANT AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

h). Intellectual Property Indemnity

(1). Subgrantee shall indemnify, defend and hold harmless Subgrantor and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Subgrantee is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Subgrantee pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of Subgrantor's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subgrantee or Subgrantor and which result directly or indirectly from this subgrant agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this subgrant agreement. Subgrantor reserves the right to participate in and/or control, at Subgrantee's expense, any such infringement action brought against Subgrantor.

(2). Should any Intellectual Property licensed by the Subgrantee to Subgrantor under this subgrant agreement become the subject of an Intellectual Property infringement claim, Subgrantee will exercise its authority reasonably and in good faith to preserve Subgrantor's right to use the licensed Intellectual Property in accordance with this subgrant agreement at no expense to Subgrantor. Subgrantor shall have the right to monitor and appear through its own counsel (at Subgrantee's expense) in any such claim or action. In the defense or settlement of the claim, Subgrantee may obtain the right for Subgrantor to continue using the licensed Intellectual Property or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, Subgrantor may be entitled to a refund of all monies paid under this subgrant agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

(3). Subgrantee agrees that damages alone would be inadequate to compensate Subgrantor for breach of any term of these Intellectual Property provisions of paragraph nineteen a) through nineteen i) by Subgrantee. Subgrantee acknowledges Subgrantor would suffer irreparable harm in the event of such breach and agrees Subgrantor shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.
