[10.40.030 Enumerated.](#)

10.40.010 Establishment.

A. Whenever any provision of this title designates and describes any street or portion thereof as a truck route, the traffic engineer is authorized to designate such street or streets by appropriate signs.

B. When any such truck route or routes are established and designated by appropriate signs, no operator of a commercial vehicle, as defined in Cal. Veh. Code Section 260, Subd.(a), exceeding a maximum gross weight of three tons shall operate or park, and no vehicle for hire or advertised for hire shall park, along any other route or routes, except that nothing in this section shall prohibit such vehicle from coming from a truck route having ingress and egress by direct route to and from restricted streets when necessary for the purpose of making pickups or deliveries of goods, wares and merchandise from or to any building or structure located on such restricted streets, or the immediate loading and unloading of passengers, or from parking in designated areas such as taxi zones or bus zones, or for the purpose of delivering materials to be used in the actual and bona fide repair, alteration, remodeling, or construction of any building or structure upon such restricted streets.

C. The provisions of this section shall not apply to passenger buses under the jurisdiction of the Public Utilities Commission; or any vehicle owned by a public utility while necessarily in use in the construction, installation or repair of any public utility; or trucks used for the transportation of explosives.

D. Those streets and portions of streets described in Section 10.40.030 are declared to be truck routes for the movement of commercial vehicles exceeding a maximum gross weight of three tons. (ORD-07-0042 § 1, 2007; prior code § 3410.116).

10.40.020 Truck routes for transportation of explosives.

In accordance with the provisions of section 31614 of the Vehicle Code, no person shall operate any vehicle transporting explosives over any roadway in the city other than those designated by the traffic engineer or those for which a special permit has been approved by the chief of the fire department of the city. (Prior code § 3410.118).

10.40.030 Enumerated.

A. For the purpose of section 10.40.010, the following streets, and portions of streets, are truck routes:

1. Anaheim Street, from the west city limits to the Long Beach
