To: HONORABLE MAYOR AND CITY COUNCIL

From: Councilwoman Mary Zendejas, District 1

Subject: Fund Transfer: Donation to AOC7 Neighborhood Group in Support of Washington Neighborhood Block Party and Resource Event.

RECOMMENDATION

Increase appropriations in the General Fund Group in the City Manager Department by \$689, offset by the First Council District One-time District Priority Funds, transferred from the Citywide Activities Department to provide a donation to Partners of Parks to support the AOC7 Neighborhood Group; and,

Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$689 to offset a transfer to the City Manager Department.

DISCUSSION

AOC7 stands for Anaheim, Orange, Cherry & 7th St but also a community. These four streets represent the borders of a shared community across many Long Beach City Districts (2nd, 4th & 6th District). AOC7 is a neighborhood organization founded to improve the overall quality of life within their community and is committed to accomplishing its mission by joining residents and businesses to prevent community deterioration and enhance public safety. AOC7 continues their mission by organizing neighborhood block resource events with the most recent event held on July 31st at 14th Street Park in the Washington Neighborhood. The event brought together various community-based organizations, local city health departments, and a vaccination clinic. This donation is to help offset some costs with the event and further support the mission of the AOC7 Neighborhood Group.

This item was reviewed by Budget Manager Grace H. Yoon on August 9, 2021.

TIMING CONSIDERATIONS

Donation is for the Washington Neighborhood Block Party that took place on, July 31st, 2021, and in support of the AOC7 Neighborhood Group.

FISCAL IMPACT

This recommendation requests the City Manager to provide a donation to Partners of Parks to support the AOC7 Neighborhood Group. The appropriation increase of \$689 in the General Fund Group in the City Manager's Department, will be offset by a decrease of appropriation of the First Council District One-Time Priority Funds in the General Fund Group in the Citywide Activities Department. The recommendation is anticipated to require a minimal level of staff hours beyond the budgeted scope of duties and is expected to have a minimal impact on existing City Council priorities.

SUGGESTED ACTION
