EARLY TERMINATION AND FAILURE TO PERFORM

This section is renamed: "EARLY TERMINATION, SUSPENSION AND FAILURE TO PERFORM."

The second paragraph of this section is amended to read as follows:

During the term, the Conservancy may terminate or suspend the agreement before the project is complete. In either case, the grantee shall immediately stop all work under the agreement and take all reasonable measures to prevent further costs to the Conservancy. The Conservancy shall be responsible for any reasonable and non-cancelable obligations incurred by the grantee in the performance of this agreement prior to the date of the notice to terminate or suspend, but only up to the undisbursed balance of funding authorized in this agreement. Any notice suspending work under this agreement shall remain in effect until further written notice from the Conservancy authorizes work to resume.

A new fourth paragraph is added to this section to read as follows:

The grantee shall include in any agreement with any contractor retained for work under this agreement a provision that entitles the grantee to suspend or terminate the agreement with the contractor for any reason on written notice and on the same terms and conditions specified in this section.

This amendment is deemed effective as of April 25, 2010.

All other terms and conditions of the existing agreement shall remain in effect.
