Entities:

1. LGBTQ. From Civil Rights to Community equality, from government funding to individual issuance of welfare benefits and accumulation of charity, donations and contributions the unregulated and placed mirror image of other identity has allowed LGBTQ to not have been with and or of self-sufficiency nor individually self-sufficiency inclined incomparison to other groups, organizations and individuals starting from the same levels of economic shifts, lack of resources and all types with multiple types of Economic Community support. I believe and see LGBTQ from all angles in a state of dependency and function as a seperate Community not one within which Communities surround a Community. LGBTQ is branded as Business, Manufacturing and Commodity, as well as, Published as News, Journalism, Advocacy and for Profit and nonProfit. Funding and Economic deliverance stopping to refocus LGBTQ is a requirement for Economic and Community self-sufficiency and lacking review, analysis, restructuring and the responsibility and accountability along with oversight prevents LGBTQ from keeping to the stand of LGBTQ.

2. St Mary Medical Center for their Easter Walk. In addition to my notice and request above I am writting from a patient perspective and Advocate for Healthcare, Healthcare Businesses, for Profit and nonprofit Entities. St Mary Medical Center known as Dignity Health and Dignity Health Community Care Covered Entities in Arizona and California and Dignity Health Medical Foundation listed on OCHA list of CommonSpirit Health is an investment of Entities under CommonSpirit Health known as CommonSpirit and CommonSpirit.org. CommonSpirit has a prior list of Health and or Medical Entities with the main forerunner named Virginia Mason Franciscan Health Foundation known as Virginia Mason Medical Center: Charity Care/FinancialAssistance and known as Virginia Mason Franciscan Health System.

"Dignity Health and Catholic Health Initiatives have united as CommonSpirit Health." Virginia Health is a prior Entity of CommonSpirit and further investment with and follow from Dignity Health Medical Foundation to resemblance of the resourceful in term of a Foundation resource in the State of California. "Organized Health Care Arrangement" (OCHA) is the name of CommonSpirit Entities.
