COMMISSIONERS  
MARINE ADVISORY COMMISSION  
City of Long Beach  
California

**RECOMMENDATION:**

Recommendation to endorse the submission to approve a fee waiver for the Long Beach Yacht Club, in an amount not to exceed \$8,250.00, for use of dock space in Alamitos Bay Marina for visiting/participating vessels during the 2023 Ficker and Congressional Cups for the period of April 13 – April 22, 2023 and the United States Open Sailing Series for the period of July 14 – 16, 2023. (District 3)

**DISCUSSION**

The Ficker Cup and Congressional Cup are World Match Racing Tour (WMRT) sailing race events hosted by Long Beach Yacht Club (LBYC). On December 13, 2022 the WMRT announced its 2023 world championship season with a schedule across twelve countries. The 2023 WMRT season will comprise of “World Tour” events and “World Championship” events, opening with the Ficker Cup and the 58<sup>th</sup> Congressional Cup hosted by LBYC here in Long Beach, CA. Match racing consists of identical boats racing against each other. These head-to-head duels require tactical strategy and the ability to maneuver a vessel to take advantage of wind and sea conditions. WMRT draws global competitors many of whom go on to race in the America’s Cup and or become Olympic champions.

These world-class annual sailing regattas for keelboat match racing and national youth sailing are considered prestigious national and global race competition, and in the case of the Congressional Cup, only surpassed in stature by the America’s Cup. LBYC has requested that dock fees, in an amount not to exceed \$8,250.00, be waived for these events from April 13, 2023 through July 16, 2023. Events scheduled between April and August include:

Ficker Cup: April 13-16, 2023  
Congressional Cup: April 17-22, 2023  
U.S. Open Sailing Series: July 14-16, 2023

These regatta events spotlight boating and sailboat racing in our marinas. They also generate additional tourism revenue for local businesses such as hotels, restaurants, grocery stores, boating supply stores and other retail establishments. These benefits outweigh the revenue loss resulting from the waived dock fees. These events are consistent with the Parks, Recreation and Marine Department’s partnering policy to

support organizations that provide a service to the community and its residents by promoting the Long Beach Marinas.

TIMING CONSIDERATIONS

City Council action is requested on March 21, 2023, to reserve required dock space in Alamitos Bay Marina for the events.

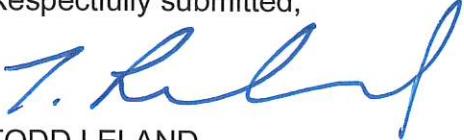

FISCAL IMPACT

The value of the fee waiver will not exceed \$8,250. Additional revenue specifically related to dock fees for these events is not anticipated as part of the current budget. Therefore, the fiscal impact associated with the fee waiver is minimal. There is no local job impact associated with this recommendation.

SUGGESTED ACTION:

Approve recommendation.

Respectfully submitted,

TODD LELAND
