Dear Mayor Foster:

We are writing to protest the appearance of Cambodian Deputy Prime Minister Sok An at this year's annual Long Beach Cambodian New Year Parade, to be scheduled in April.

For over a decade, Cambodia has been under the administration of Prime Minister Hun Sen, a government that has violated an incalculable multitude of human rights with impunity since 1997, so much so that they have simply ceased to meet with the latest United Nations rights envoy this past December. Cambodia has one of the most corrupt governments in the world today, ranked 162nd out of 180 nations according to Transparency International (180 being most corrupt). Mr. Sok An is the head of the Cambodian Council of Ministers and is that government's second in command.

We the undersigned, Cambodians and non-Cambodians alike, are deeply shocked and saddened that the right hand man of such a government has been invited to parade himself in an event purported to celebrate diversity, community, and personal freedom. How does one celebrate these values by welcoming the very figure that is a perpetrator against them? What community and freedom are our brothers and sisters celebrating in Cambodia, where Mr. Sok An and colleagues rule the people with forced evictions and rampant land grabs, where simple freedom of expression is met with incarceration and death?

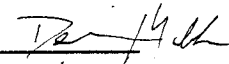

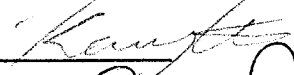

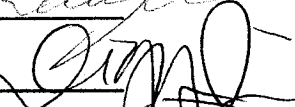

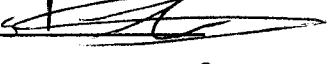

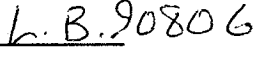

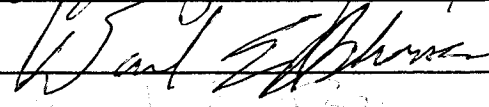

In their press release on January 9, 2008, the committee that invited Mr. Sok An stated that they "believe in open dialogs and making changes through peaceful means as taught by Dr. Martin Luther King." That may be well and good but a parade is simply not an appropriate venue for having such dialog. While Dr. Martin Luther King met with opposition figures to create open dialog and further understanding, we cannot imagine he would have invited members of the Ku Klux Klan to participate in a parade celebrating the African-American community as a means of opening this dialog.

We implore your understanding and compassion in this matter and fervently hope you will rescind Mr. Sok An's unfortunate invitation.

Sincerely,

The Undersigned

Dear Mayor Foster:

We are writing to protest the appearance of Cambodian Deputy Prime Minister Sok An at this year's annual Long Beach Cambodian New Year Parade, to be scheduled in April.

For over a decade, Cambodia has been under the administration of Prime Minister Hun Sen, a government that has violated an incalculable multitude of human rights with impunity since 1997, so much so that they have simply ceased to meet with the latest United Nations rights envoy this past December. Cambodia has one of the most corrupt governments in the world today, ranked 162nd out of 180 nations according to Transparency International (180 being most corrupt). Mr. Sok An is the head of the Cambodian Council of Ministers and is that government's second in command.

We the undersigned, Cambodians and non-Cambodians alike, are deeply shocked and saddened that the right hand man of such a government has been invited to parade himself in an event purported to celebrate diversity, community, and personal freedom. How does one celebrate these values by welcoming the very figure that is a perpetrator against them? What community and freedom are our brothers and sisters celebrating in Cambodia, where Mr. Sok An and colleagues rule the people with forced evictions and rampant land grabs, where simple freedom of expression is met with incarceration and death?

In their press release on January 9, 2008, the committee that invited Mr. Sok An stated that they "believe in open dialogs and making changes through peaceful means as taught by Dr. Martin Luther King." That may be well and good but a parade is simply not an appropriate venue for having such dialog. While Dr. Martin Luther King met with opposition figures to create open dialog and further understanding, we cannot imagine he would have invited members of the Ku Klux Klan to participate in a parade celebrating the African-American community as a means of opening this dialog.

We implore your understanding and compassion in this matter and fervently hope you will rescind Mr. Sok An's unfortunate invitation.

Sincerely,

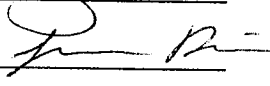

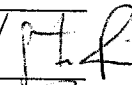

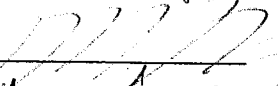

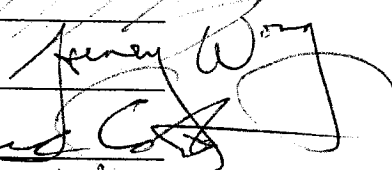

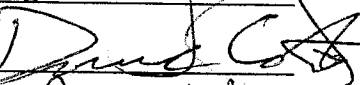

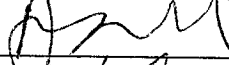

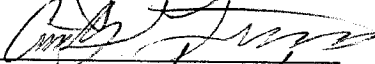

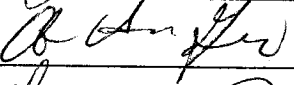

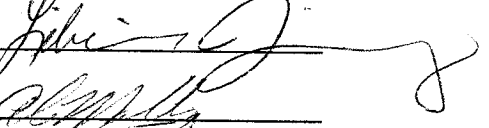

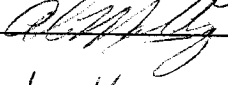

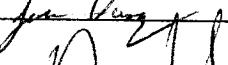

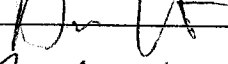

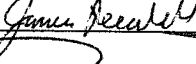

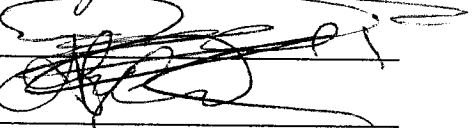

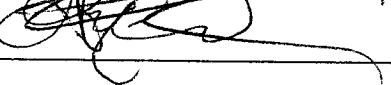

The Undersigned

# PETITION

Subject: *US must require conditional fulfillments on aid to the Khmer Rouge Trial-ECCC.*

We, the American citizens of Cambodia heritage, are writing to ask the US Senate, House of Representatives, and current administration to impose conditions upon the Extraordinaire Chambers in the Courts of Cambodia before releasing the intended financial aid.

We felt it deemed appropriate and just as far as the ECCC action in the arrest and detainment of the Second Chairman of the Democratic Kampuchea Comrade Khieu Samphan (1976-1979). To our disheartened, the ECCC does not offer reason why it does not arrest and detain Comrade Norodom Sihanouk, who actually was the first founding Chairman of the Democratic Kampuchea Presidium Council (1975-1976). He was the chief architect in achieving all crimes against humanity and brought war from Viet Nam upon Cambodia from 1970 onward. In records, he is the prime culprit of all tragedies occurred in Cambodia.

Likewise, in the arrest and detention of Comrade Khiev Thirith aka Ieng Thirith, then was the Minister of Social Affairs, is biased and unjustly since her fellow Democratic Kampuchea Ministerial members were not arrested nor detained. If she was arrested for being the minister of such government then we saw no reason not to arrest her follow high ranking ministerial officers:

1. Comrade Keat Chhon Delegate Minister for the Cabinet of Prime Minister of DK. Presently he is the Minister of Finance of Cambodia.
2. Comrade Thioun Mum Minister of Sciences
3. Comrade Chhorn Hai Minister of Post and Telecommunications

Also equally we applauded the ECCC in the arrest and detainment of Comrade Kaing Guech Iev aka Duch, the Butcher of S-21 Tuol Sleng Prison. Subject: *US must require conditional fulfillments on aid to the Khmer Rouge Trial-ECCC.*

We, the American citizens of Cambodia heritage, are writing to ask the US Senate, House of Representatives, and current administration to impose conditions upon the Extraordinaire Chambers in the Courts of Cambodia before releasing the intended financial aid.

We felt it deemed appropriate and just as far as the ECCC action in the arrest and detainment of the Second Chairman of the Democratic Kampuchea Comrade Khieu Samphan (1976-1979). To our disheartened, the ECCC does not offer reason why it does not arrest and detain Comrade Norodom Sihanouk, who actually was the first founding Chairman of the Democratic Kampuchea Presidium Council (1975-1976). He was the chief architect in achieving all crimes against humanity and brought war from Viet Nam upon Cambodia from 1970 onward. In records, he is the prime culprit of all tragedies occurred in Cambodia.

Likewise, in the arrest and detention of Comrade Khiev Thirith aka Ieng Thirith, then was the Minister of Social Affairs, is biased and unjustly since her fellow Democratic Kampuchea Ministerial members were not arrested nor detained. If she was arrested for being the minister of such government then we saw no reason not to arrest her follow high ranking ministerial officers:

1. Comrade Keat Chhon Delegate Minister for the Cabinet of Prime Minister of DK. Presently he is the Minister of Finance of Cambodia.
2. Comrade Thioun Mum Minister of Sciences
3. Comrade Chhorn Hai Minister of Post and Telecommunications

**Subject:** Appearance of Mr. Sok An, Cambodia Current Government Deputy Prime Minister at the Opening Ceremony of Cambodia Town

We, the undersigned citizen of the City Long Beach, are proud and honored that the Honorable Mayor and City Council invited the local Cambodian voters with the honorific Cambodia Town on July 3, 2007, which is resulted from the spirit of hardworking taxpayers and law abiding citizens especially those of Cambodia origin.

Cambodia is under the current Prime Minister Mr. Hun Sen and on the list of human rights violation since 1997. Professor Ghai recent 10 day visit in the occasion of World Human Rights Day in Cambodia reported Cambodia's judiciary failed to provide justice, leaving the population in fear of going to court and threatening the rule of law.

Relatively Mr. Sok An, the boss of the Cambodia Council of Ministers, has stalled the donors recommended anti corruption law with good governance, poverty reduction, human trafficking laws and until recently the Extraordinary Chambers in the Courts of Cambodia [www.eccc.gov.kh](http://www.eccc.gov.kh) from the parliamentary approval. In addition the rampant land grab mostly done by the powerful officials, forced eviction, and dynastic corruption which highlighted in the UK Global Witness report at [www.globalwitness.org](http://www.globalwitness.org) involved Mr. Sok An extensively.

However during same period of Professor Ghai stay in Phnom Penh, on December 8-9, 2007 local press featured Mr. Jean Braude, former City Councilman heading a self appointed group so called "Cambodia Town Delegation", had personally borne and presented an invitation letter in behalf of the current Mayor of Long Beach and citizens to implore Mr. Sok An presence at the ribbon cutting opening ceremony of the Cambodia Town scheduled for next April 2008 coincided with Cambodian New Year Parade. This is an outrage and a totally self deprecated in US human rights policy against Cambodian oppressive regime.

Because of the stated reasons we, the undersigned, call our City Council attention to address the so called "Cambodia Town Delegation" deceptive agendas in the name of all Long Beach Cambodian Americans interest. In fact, the evidence from its 2005 moral immaturity and insensitivity of the killing fields' memory has not only embarrassed us all and is still a profound concern in such group self propelled conduct.

We, the undersigned, can't conscientiously condone and accept the collusion spearheaded by the so called "Cambodia Town Delegation" to bring the abusive regime agent into our city honorific event. Thus we collectively submit our signature protest of Mr. Sok An appearance. Also, we are formally asking the City to consider the following in its regular City Council meeting:

1. the democratic process and hold public hearings
2. need no dictator agent appearance at our City event indefinitely to avoid more embarrassments taken place
3. "Cambodia Town Delegation" must stop insulting us with its hidden agendas again

We respectfully submit and trust you will do your utmost to stop such embarrassing action from taken place.

Subject: *US must require conditional fulfillments on aid to the Khmer Rouge Trial-ECCC.*

We, the American citizens of Cambodia heritage, are writing to ask the US Senate, House of Representatives, and current administration to impose conditions upon the Extraordinaire Chambers in the Courts of Cambodia before releasing the intended financial aid.

We felt it deemed appropriate and just as far as the ECCC action in the arrest and detainment of the Second Chairman of the Democratic Kampuchea Comrade Khieu Samphan (1976-1979). To our disheartened, the ECCC does not offer reason why it does not arrest and detain Comrade Norodom Sihanouk, who actually was the first founding Chairman of the Democratic Kampuchea Presidium Council (1975-1976). He was the chief architect in achieving all crimes against humanity and brought war from Viet Nam upon Cambodia from 1970 onward. In records, he is the prime culprit of all tragedies occurred in Cambodia.

Likewise, in the arrest and detention of Comrade Khiev Thirith aka Ieng Thirith, then was the Minister of Social Affairs, is biased and unjustly since her fellow Democratic Kampuchea Ministerial members were not arrested nor detained. If she was arrested for being the minister of such government then we saw no reason not to arrest her follow high ranking ministerial officers:

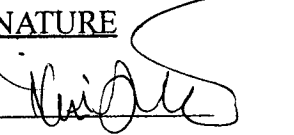

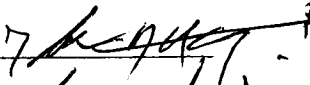

1. Comrade Keat Chhon Delegate Minister for the Cabinet of Prime Minister of DK. Presently he is the Minister of Finance of Cambodia.
2. Comrade Thioun Mum Minister of Sciences
3. Comrade Chhorn Hai Minister of Post and Telecommunications

Also equally we applauded the ECCC in the arrest and detainment of Comrade Kaing Guech Iev aka Duch, the Butcher of S-21 Tuol Sleng Prison. However, we believe the ECCC should have done the same to Comrade Hor Nam Hong who was the Butcher of Beung Trabaek Prison. He was especially responsible for the holding and prosecuting the foreign educated Cambodians who were misled to repatriate by his boss, Comrade Ieng Sary, DK Deputy Prime Minister and Foreign Affairs Minister. Currently Comrade Hor Nam Hong is holding the same post as his former boss, Senior Minister of Foreign Affairs.

Because of the ECCC selective justice, therefore, we implore your firm action in order to bring justice and proper closure for the survivors and families of the killing fields. Cambodia killing fields victims deserve no less but justice once for all.

Subject: US must require conditional fulfillments on aid to the Khmer Rouge Trial-ECCC.

We, the American citizens of Cambodia heritage, are writing to ask the US Senate, House of Representatives, and current administration to impose conditions upon the Extraordinaire Chambers in the Courts of Cambodia before releasing the intended financial aid.

We felt it deemed appropriate and just as far as the ECCC action in the arrest and detainment of the Second Chairman of the Democratic Kampuchea Comrade Khieu Samphan (1976-1979). To our disheartened, the ECCC does not offer reason why it does not arrest and detain Comrade Norodom Sihanouk, who actually was the first founding Chairman of the Democratic Kampuchea Presidium Council (1975-1976). He was the chief architect in achieving all crimes against humanity and brought war from Viet Nam upon Cambodia from 1970 onward. In records, he is the prime culprit of all tragedies occurred in Cambodia.

Likewise, in the arrest and detention of Comrade Khiev Thirith aka Ieng Thirith, then was the Minister of Social Affairs, is biased and unjustly since her fellow Democratic Kampuchea Ministerial members were not arrested nor detained. If she was arrested for being the minister of such government then we saw no reason not to arrest her follow high ranking ministerial officers:

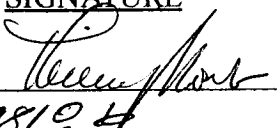

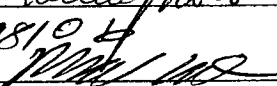

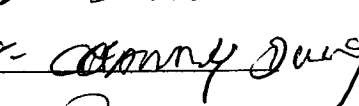

1. Comrade Keat Chhon Delegate Minister for the Cabinet of Prime Minister of DK. Presently he is the Minister of Finance of Cambodia.
2. Comrade Thioun Mum Minister of Sciences
3. Comrade Chhorn Hai Minister of Post and Telecommunications

Also equally we applauded the ECCC in the arrest and detainment of Comrade Kaing Guech Iev aka Duch, the Butcher of S-21 Tuol Sleng Prison. However, we believe the ECCC should have done the same to Comrade Hor Nam Hong who was the Butcher of Beung Trabaek Prison. He was especially responsible for the holding and prosecuting the foreign educated Cambodians who were misled to repatriate by his boss, Comrade Ieng Sary, DK Deputy Prime Minister and Foreign Affairs Minister. Currently Comrade Hor Nam Hong is holding the same post as his former boss, Senior Minister of Foreign Affairs.

Because of the ECCC selective justice, therefore, we implore your firm action in order to bring justice and proper closure for the survivors and families of the killing fields. Cambodia killing fields victims deserve no less but justice once for all.

Subject: Appearance of Mr. Sok An, Cambodia Current Government Deputy Prime Minister at the Opening Ceremony of Cambodia Town

We, the undersigned citizen of the City Long Beach, are proud and honored that the Honorable Mayor and City Council granted the local Cambodian voters with the honorific Cambodia Town on July 3, 2007, which is resulted from the spirit of the hard-working taxpayers and law abiding citizens especially those of Cambodia origin.

Cambodia is under the current Prime Minister Mr. Hun Sen and on the list of human rights violation since 1997. Clearly Professor Ghai recent 10 day visit in the occasion of World Human Rights Day in Cambodia reported Cambodia's judiciary has failed to provide justice, leaving the population in fear of going to court and threatening the rule of law.

Relatively Mr. Sok An, the boss of the Cambodia Council of Ministers, has stalled the donors recommended anti corruption law with good governance, poverty reduction, human trafficking laws and until recently the Extraordinary Chambers in the Courts of Cambodia [www.eccc.gov.kh](http://www.eccc.gov.kh) from the parliamentary approval. In addition the rampant land grab mostly done by the powerful officials, forced eviction, and dynastic corruption which highlighted in the UK Global Witness report at [www.globalwitness.org](http://www.globalwitness.org) involved Mr. Sok An extensively.

However during same period of Professor Ghai stay in Phnom Penh, on December 8-9, 2007 local press featured Mr. Evan Braude, former City Councilman heading a self appointed group so called "Cambodia Town Delegation", had personally borne and presented an invitation letter in behalf of the current Mayor of Long Beach and citizens to implore Mr. Sok An presence at the ribbon cutting opening ceremony of the Cambodia Town scheduled for next April 2008 coincided with Cambodian New Year Parade. This is an outrage and a totally self deprecated in US human rights policy against Cambodia oppressive regime.

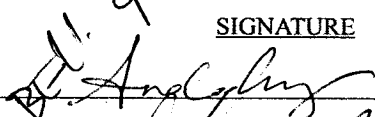

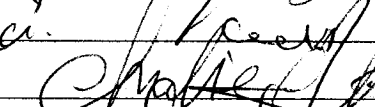

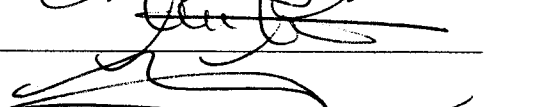

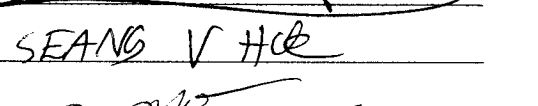

Because of the stated reasons we, the undersigned, call our City Council attention to address the so called "Cambodia Town Delegation" deceptive agendas in the name of all Long Beach Cambodian Americans interest. In fact, the evidence from its 2005 moral immaturity and insensitivity of the killing fields' memory has not only embarrassed us all and is still a profound concern in such group self propelled conduct.

We, the undersigned, can't conscientiously condone and accept the collusion spearheaded by the so called "Cambodia Town Delegation" to bring the abusive regime agent into our city honorific event. Thus we collectively submit our signatures in protest of Mr. Sok An appearance. Also, we are formally asking the City to consider the following in its regular City Council meeting:

1. the democratic process and hold public hearings
2. need no dictator agent appearance at our City event indefinitely to avoid more embarrassments taken place
3. "Cambodia Town Delegation" must stop insulting us with its hidden agendas again

We respectfully submit and trust you will do your utmost to stop such embarrassing action from taken place.

Subject: Appearance of Mr. Sok An, Cambodia Current Government Deputy Prime Minister at the Opening Ceremony of Cambodia Town.

We, the undersigned citizen of the City Long Beach, are proud and honored that the Honorable Mayor and City Council granted the local Cambodian voters with the honorific Cambodia Town on July 3, 2007, which is resulted from the spirit of the hardworking taxpayers and law abiding citizens especially those of Cambodia origin.

Cambodia is under the current Prime Minister Mr. Hun Sen and on the list of human rights violation since 1997. Clearly Professor Ghai recent 10 day visit in the occasion of World Human Rights Day in Cambodia reported Cambodia's judiciary has failed to provide justice, leaving the population in fear of going to court and threatening the rule of law.

Relatively Mr. Sok An, the boss of the Cambodia Council of Ministers, has stalled the donors recommended anti corruption law with good governance, poverty reduction, human trafficking laws and until recently the Extraordinary Chambers in the Courts of Cambodia [www.eccc.gov.kh](http://www.eccc.gov.kh) from the parliamentary approval. In addition the rampant land grab mostly done by the powerful officials, forced eviction, and dynastic corruption which highlighted in the UK Global Witness report at [www.globalwitness.org](http://www.globalwitness.org) involved Mr. Sok An extensively.

However during same period of Professor Ghai stay in Phnom Penh, on December 8-9, 2007 local press featured Mr. Evan Braude, former City Councilman heading a self appointed group so called "Cambodia Town Delegation", had personally borne and presented an invitation letter in behalf of the current Mayor of Long Beach and citizens to implore Mr. Sok An presence at the ribbon cutting opening ceremony of the Cambodia Town scheduled for next April 2008 coincided with Cambodian New Year Parade. This is an outrage and a totally self deprecated in US human rights policy against Cambodia oppressive regime.

Because of the stated reasons we, the undersigned, call our City Council attention to address the so called "Cambodia Town Delegation" deceptive agendas in the name of all Long Beach Cambodian Americans interest. In fact, the evidence from its 2005 moral immaturity and insensitivity of the killing fields' memory has not only embarrassed us all and is still a profound concern in such group self propelled conduct.

We, the undersigned, can't conscientiously condone and accept the collusion spearheaded by the so called "Cambodia Town Delegation" to bring the abusive regime agent into our city honorific event. Thus we collectively submit our signatures in protest of Mr. Sok An appearance. Also, we are formally asking the City to consider the following in its regular City Council meeting:

1. the democratic process and hold public hearings
2. need no dictator agent appearance at our City event indefinitely to avoid more embarrassments taken place
3. "Cambodia Town Delegation" must stop insulting us with its hidden agendas again

We respectfully submit and trust you will do your utmost to stop such embarrassing action from taken place.

Subject: *US must require conditional fulfillments on aid to the Khmer Rouge Trial-ECCC.*

We, the American citizens of Cambodia heritage, are writing to ask the US Senate, House of Representatives, and current administration to impose conditions upon the Extraordinaire Chambers in the Courts of Cambodia before releasing the intended financial aid.

We felt it deemed appropriate and just as far as the ECCC action in the arrest and detainment of the Second Chairman of the Democratic Kampuchea Comrade Khieu Samphan (1976-1979). To our disheartened, the ECCC does not offer reason why it does not arrest and detain Comrade Norodom Sihanouk, who actually was the first founding Chairman of the Democratic Kampuchea Presidium Council (1975-1976). He was the chief architect in achieving all crimes against humanity and brought war from Viet Nam upon Cambodia from 1970 onward. In records, he is the prime culprit of all tragedies occurred in Cambodia.

Likewise, in the arrest and detention of Comrade Khiev Thirith aka Ieng Thirith, then was the Minister of Social Affairs, is biased and unjustly since her fellow Democratic Kampuchea Ministerial members were not arrested nor detained. If she was arrested for being the minister of such government then we saw no reason not to arrest her follow high ranking ministerial officers:

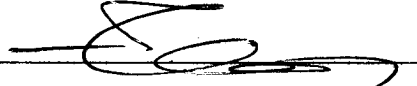

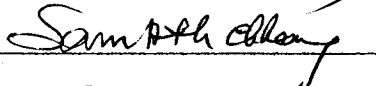

1. Comrade Keat Chhon Delegate Minister for the Cabinet of Prime Minister of DK. Presently he is the Minister of Finance of Cambodia.
2. Comrade Thioun Mum Minister of Sciences
3. Comrade Chhorn Hai Minister of Post and Telecommunications

Also equally we applauded the ECCC in the arrest and detainment of Comrade Kaing Guech Iev aka Duch, the Butcher of S-21 Tuol Sleng Prison. However, we believe the ECCC should have done the same to Comrade Hor Nam Hong who was the Butcher of Beung Trabaek Prison. He was especially responsible for the holding and prosecuting the foreign educated Cambodians who were misled to repatriate by his boss, Comrade Ieng Sary, DK Deputy Prime Minister and Foreign Affairs Minister. Currently Comrade Hor Nam Hong is holding the same post as his former boss, Senior Minister of Foreign Affairs.

Because of the ECCC selective justice, therefore, we implore your firm action in order to bring justice and proper closure for the survivors and families of the killing fields. Cambodia killing fields victims deserve no less but justice once for all.

Please find enclosed signatures and residence for the record. We thank you for your time and assistance in this matter.

Subject: Appearance of Mr. Sok An, Cambodia Current Government Deputy Prime Minister at the Opening Ceremony of Cambodian Town

We, the undersigned citizen of the City Long Beach, are proud and honored that the Honorable Mayor and City Council granted the Cambodian voters with the honorific Cambodian Town on July 13, 2007 which is resulted from the spirit of the hardworking taxpayers and law abiding citizens especially those of Cambodia origin.

However surprisingly from Phnom Penh periodicals on December 8-9, 2007 appeared Mr. Evan Braude, former City Councilman heading a self appointed group as so called "Cambodian Town Delegation", had personally borne and presented an invitation letter in behalf of the current Mayor of Long Beach and citizens to appease Mr. Sok An-current Deputy Prime Minister of Cambodia Government presence at the ribbon cutting opening ceremony of the Cambodia Town scheduled for next April 2008 coincided with Cambodian New Year Parade. This is clearly an outrage that the so called "Delegation" is arbitrarily acting in pure self elevation to exploit and insult US democracy to include the dictatorial regime at our local event. The "Delegation" is not only over-reaching but very much questionable in its inexpressive agendas.

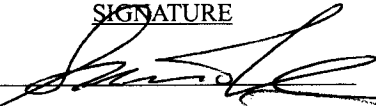

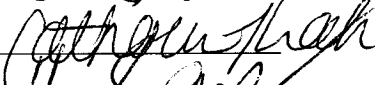

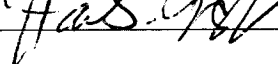

Apparently the Honorable Professor Yash Gai, UN Special envoy for Human Rights Commission, has repeatedly reported Cambodia's judiciary has failed to provide justice, leaving the population in fear of going to court and Cambodia's reform failures. This has been concurrently happening under the current Prime Minister Mr. Hun Sen who entrusts Mr. Sok An as the chief architect to stall the anti corruption law with good governance proceeding from the parliamentary approval. Envoy Yash Gai said, "Cambodia lives under fear individually and as a society." Among us here, there are relatives of victims of the rampant land grab, forced eviction from properties, and UK Global Witness report of corruption/deforestation under the hands of Mr. Sok An who is also the boss of the Cambodia Council of Ministers.

Because of above stated reasons we, the undersigned, can't conscientiously condone the hands that uphold regime that killed and abused our fellows in Cambodia. We and our fellows, the voters and taxpayers, are formally asking for help from the City in the following:

1. City Council needs to reconsider and honor the democratic process and hold one or more public hearing before inviting the suppressive and dictatorial regime agent/s to insult us here,
2. City Council and the Mayor needs to scrutinize the so called "Cambodian Town Delegation" integrity and agendas,
3. Long Beach is our city and home, we need no dictator agent from Phnom Penh to represent us here.

This petition is collectively submit with our signature and domicile address in protest of such invitation and appearance which will spoil and belittle our traditional annual celebration. Thus we trust you will use your utmost judgment in honoring the appeal of the voters of Cambodia heritage.

Sincerely,

# Citizen Petition

Subject: Appearance of Mr. Sok An, Cambodia Current Government Deputy Prime Minister at the Opening Ceremony of Cambodian Town

We, the undersigned citizen of the City Long Beach, are proud and honored that the Honorable Mayor and City Council granted the Cambodian voters with the honorific Cambodian Town on July 13, 2007 which is resulted from the spirit of the hardworking taxpayers and law abiding citizens especially those of Cambodia origin.

However surprisingly from Phnom Penh periodicals on December 8-9, 2007 appeared Mr. Evan Braude, former City Councilman heading a self appointed group as so called "Cambodian Town Delegation", had personally borne and presented an invitation letter in behalf of the current Mayor of Long Beach and citizens to appease Mr. Sok An-current Deputy Prime Minister of Cambodia Government presence at the ribbon cutting opening ceremony of the Cambodia Town scheduled for next April 2008 coincided with Cambodian New Year Parade. This is clearly an outrage that the so called "Delegation" is arbitrarily acting in pure self elevation to exploit and insult US democracy to include the dictatorial regime at our local event. The "Delegation" is not only over-reaching but very much questionable in its inexpressive agendas.

Apparently the Honorable Professor Yash Gai, UN Special envoy for Human Rights Commission, has repeatedly reported Cambodia's judiciary has failed to provide justice, leaving the population in fear of going to court and Cambodia's reform failures. This has been concurrently happening under the current Prime Minister Mr. Hun Sen who entrusts Mr. Sok An as the chief architect to stall the anti corruption law with good governance proceeding from the parliamentary approval. Envoy Yash Gai said, "Cambodia lives under fear individually and as a society". Among us here, there are relatives of victims of the rampant land grab, forced eviction from properties and UK Global Witness report of corruption/deforestation under the hands of Mr. Sok An who is also the boss of the Cambodia Council of Ministers.

Because of above stated reasons we, the undersigned, can't conscientiously condone the hands that uphold regime that killed and abused our fellows in Cambodia. We and our fellows, the voters and taxpayers, are formally asking for help from the City in the following:

1. City Council needs to reconsider and honor the democratic process and hold one or more public hearing before inviting the suppressive and dictatorial regime agent/s to insult us here.
2. City Council and the Mayor needs to scrutinize the so called "Cambodian Town Delegation" integrity and agendas.
3. Long Beach is our city and home, we need no dictator agent from Phnom Penh to represent us here.

This petition is collectively submit with our signature and domicile address in protest of such invitation and appearance which will spoil and belittle our traditional annual celebration. Thus we trust you will use your utmost judgment in honoring the appeal of the voters of Cambodia heritage.

Sincerely,

In addition the rampant land grab mostly done by the powerful officials, forced eviction, and dynastic corruption which highlighted in the UK Global Witness report at [www.globalwitness.org](http://www.globalwitness.org) involved Mr. Sok An extensively.

Because of the stated reasons we, the undersigned, call our City Council attention to address the so called "Cambodia Town Delegation" deceptive agendas in the name of all Long Beach Cambodian Americans interest. In fact, the evidence from its 2005 moral immaturity and insensitivity of the killing fields' memory has not only embarrassed us all and is still a profound concern in such group self propelled conduct.

Relatively Mr. Sok An, the boss of the Cambodia Council of Ministers, has stalled the donors recommended anti corruption law with good governance, poverty reduction, human trafficking laws and until recently the Extraordinary Chambers in the Courts of Cambodia [www.eccc.gov.kh](http://www.eccc.gov.kh) from the parliamentary approval. In addition the rampant land grab mostly done by the powerful officials, forced eviction, and dynastic corruption which highlighted in the UK Global Witness report at [www.globalwitness.org](http://www.globalwitness.org) involved Mr. Sok An extensively.

However during same period of Professor Ghai stay in Phnom Penh, on December 8-9, 2007 local press featured Mr. Evan Braude, former City Councilman heading a self appointed group so called "Cambodia Town Delegation", had personally borne and presented an invitation letter in behalf of the current Mayor of Long Beach and citizens to implore Mr. Sok An presence at the ribbon cutting opening ceremony of the Cambodia Town scheduled for next April 2008 coincided with Cambodian New Year Parade. This is an outrage and a totally self deprecated in US human rights policy against Cambodia oppressive regime.

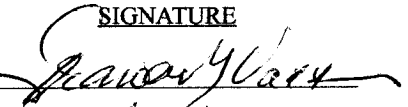

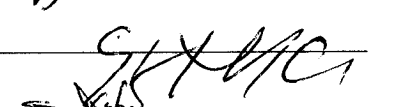

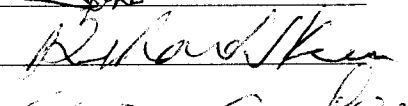

Because of the stated reasons we, the undersigned, call our City Council attention to address the so called "Cambodia Town Delegation" deceptive agendas in the name of all Long Beach Cambodian Americans interest. In fact, the evidence from its 2005 moral immaturity and insensitivity of the killing fields' memory has not only embarrassed us all and is still a profound concern in such group self propelled conduct.

We, the undersigned, can't conscientiously condone and accept the collusion spearheaded by the so called "Cambodia Town Delegation" to bring the abusive regime agent into our city honorific event. Thus we collectively submit our signatures in protest of Mr. Sok An appearance. Also, we are formally asking the City to consider the following in its regular City Council meeting:

1. the democratic process and hold public hearings
2. need no dictator agent appearance at our City event indefinitely to avoid more embarrassments taken place
3. "Cambodia Town Delegation" must stop insulting us with its hidden agendas again

We respectfully submit and trust you will do your utmost to stop such embarrassing action from taken place.

We, the undersigned, can't conscientiously condone and accept the collusion spearheaded by the so called "Cambodia Town Delegation" to bring the abusive regime agent into our city honorific event. Thus we collectively submit our signatures in protest of Mr. Sok An appearance. Also, we are formally asking the City to consider the following in its regular City Council meeting:

1. the democratic process and hold public hearings
2. need no dictator agent appearance at our City event indefinitely to avoid more embarrassments taken place

Subject: *Appearance of Mr. Sok An, Cambodia Current Government Deputy Prime Minister at the Opening Ceremony of Cambodia Town*

We, the undersigned citizen of the City Long Beach, are proud and honored that the Honorable Mayor and City Council granted the local Cambodian voters with the honorific Cambodia Town on July 3, 2007, which is resulted from the spirit of the hard-working taxpayers and law abiding citizens especially those of Cambodia origin.

Cambodia is under the current Prime Minister Mr. Hun Sen and on the list of human rights violation since 1997. Clearly Professor Ghai recent 10 day visit in the occasion of World Human Rights Day in Cambodia reported Cambodia's judiciary has failed to provide justice, leaving the population in fear of going to court and threatening the rule of law.

Relatively Mr. Sok An, the boss of the Cambodia Council of Ministers, has stalled the donors recommended anti corruption law with good governance, poverty reduction, human trafficking laws and until recently the Extraordinary Chambers in the Courts of Cambodia [www.eccc.gov.kh](http://www.eccc.gov.kh) from the parliamentary approval. In addition the rampant land grab mostly done by the powerful officials, forced eviction, and dynastic corruption which highlighted in the UK Global Witness report at [www.globalwitness.org](http://www.globalwitness.org) involved Mr. Sok An extensively.

However during same period of Professor Ghai stay in Phnom Penh, on December 8-9, 2007 local press featured Mr. Evan Braude, former City Councilman heading a self appointed group so called "Cambodia Town Delegation", had personally borne and presented an invitation letter in behalf of the current Mayor of Long Beach and citizens to implore Mr. Sok An presence at the ribbon cutting opening ceremony of the Cambodia Town scheduled for next April 2008 coincided with Cambodian New Year Parade. This is an outrage and a totally self deprecated in US human rights policy against Cambodia oppressive regime.

Subject: US must require conditional fulfillments on aid to the Khmer Rouge Trial-ECCC.

We, the American citizens of Cambodia heritage, are writing to ask the US Senate, House of Representatives, and current administration to impose conditions upon the Extraordinaire Chambers in the Courts of Cambodia before releasing the intended financial aid.

We felt it deemed appropriate and just as far as the ECCC action in the arrest and detainment of the Second Chairman of the Democratic Kampuchea Comrade Khieu Samphan (1976-1979). To our disheartened, the ECCC does not offer reason why it does not arrest and detain Comrade Norodom Sihanouk, who actually was the first founding Chairman of the Democratic Kampuchea Presidium Council (1975-1976). He was the chief architect in achieving all crimes against humanity and brought war from Viet Nam upon Cambodia from 1970 onward. In records, he is the prime culprit of all tragedies occurred in Cambodia.

Likewise, in the arrest and detention of Comrade Khiev Thirith aka Ieng Thirith, then was the Minister of Social Affairs, is biased and unjustly since her fellow Democratic Kampuchea Ministerial members were not arrested nor detained. If she was arrested for being the minister of such government then we saw no reason not to arrest her follow high ranking ministerial officers:

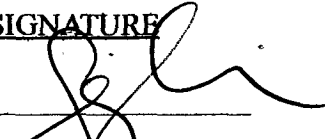

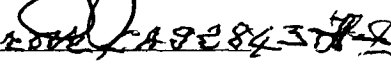

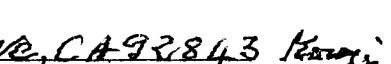

1. Comrade Keat Chhon Delegate Minister for the Cabinet of Prime Minister of DK. Presently he is the Minister of Finance of Cambodia.
2. Comrade Thioun Mum Minister of Sciences
3. Comrade Chhorn Hai Minister of Post and Telecommunications

Also equally we applauded the ECCC in the arrest and detainment of Comrade Kaing Guech Iev aka Duch, the Butcher of S-21 Tuol Sleng Prison. However, we believe the ECCC should have done the same to Comrade Hor Nam Hong who was the Butcher of Beung Trabaek Prison. He was especially responsible for the holding and prosecuting the foreign educated Cambodians who were misled to repatriate by his boss, Comrade Ieng Sary, DK Deputy Prime Minister and Foreign Affairs Minister. Currently Comrade Hor Nam Hong is holding the same post as his former boss, Senior Minister of Foreign Affairs.

Because of the ECCC selective justice, therefore, we implore your firm action in order to bring justice and proper closure for the survivors and families of the killing fields. Cambodia killing fields victims deserve no less but justice once for all.

Please find enclosed signatures and residence for the record. We thank you for your time and assistance in this matter.

Sincerely,
