Recommendation

Authorize the General Manager to execute contracts, and any necessary subsequent amendments, with 1) Consolidated Electrical Distributors, Inc., dba All Phase Electric Supply Co and 2) Walters Wholesale Electric, to furnish and deliver as-needed electrical supplies, in an annual aggregate amount not to exceed \$300,000 through March 31, 2025 and including the option to renew for three additional one-year periods.

Executive Summary

On February 7, 2023, after a competitive procurement process, the City Council awarded contracts to Consolidated Electrical Distributors, Inc., dba All Phase Electric Supply Co, of Burbank, CA, and Walters Wholesale Electric, of Long Beach, CA, to furnish and deliver as-needed electrical supplies on a citywide basis. The City awarded contracts to these two vendors to provide alternative sourcing for items that may not be adequately stocked by a single vendor.

The Long Beach Utilities Department requests to establish contracts with Consolidated Electrical Distributors, Inc., dba All Phase Electric Supply Co, and Walters Wholesale Electric, respectively, by relying on the City's review and selection process to select a vendor to furnish and deliver as-needed electrical supplies.

Fiscal Impact

The cost to the Water, Gas, and Sewer Funds will be incurred in FY 24 - FY 25, with the actual amounts unknown at this time but the total annual aggregate amount will not exceed \$300,000. These costs are included in the FY 24 budgets and financial projections.
