To: State Legislative Committee
From: Patrick H. West, City Manager
Subject: Recommended Changes for the 2013 State Legislative Agenda

Introduction

Each year, City staff reviews the State Legislative Agenda and recommends changes to the State Legislation Committee and the City Council to ensure that the agenda is up-to-date and addresses the legislative concerns of the City. The 2012 agenda was sent to all departments for their input. Attached for your review are staff's proposed changes.

Proposed Legislative Agenda Changes

BUSINESS GROWTH & WORKFORCE DEVELOPMENT

Item A: Workforce Development

Item 5 is added at the recommendation of the Human Resources Department to support efforts that may increase engagement and improve training opportunities for occupations that are in demand.

COMMUNITY SAFETY

Item A: Public Health

Item 2 is an existing item in support of HIV prevention. The Health and Human Services Department proposes to amend this item to specifically include HIV testing and linkages to care.

Item B: Public Safety & Crime Prevention

Item 19 reflects the City Council's vote on September 18, 2012 to support or sponsor a state resolution to encourage all cities to name their municipal code provisions related to illegal garage conversions as "The Aviles Laws" to educate the public and reinforce the dangers of illegal garage conversions.

Item 20 is proposed as a recommendation from the Police Department to support regional law enforcements efforts that target human/sex trafficking.

ENVIRONMENTAL

Item O: California Environmental Protection Act (CEQA)

Item O is added to allow the City to support CEQA reforms that expedite the environmental review process to provide certainty in the course of economic development and reduce litigation, while protecting the environment through disclosure of project impacts.

NEIGHBORHOOD DEVELOPMENT

Item G: Mortgage Reform/Assistance

Item 3 is added to reflect the City Council's support for foreclosure reform legislation. On July 3, 2012, the City Council voted to support foreclosure reform, blight prevention, and tenant protections as a part of the Homeowner Bill of Rights.

CHILDREN/YOUTH & EDUCATION

Item E: Children/Youth Education & Workforce Readiness

Item 9 is added to reflect the City Council's vote in support of AB 1500 and AB 1501 on August 7, 2012. These bills create the Middle Class Scholarship Act and a funding mechanism to partially alleviate the burden of recent UC and CSU fee increases, which may enable more middle class students to attend college.

HOUSING

Item A: Housing

Item 6 is deleted since it does not apply to the current process for unwinding redevelopment.

REDEVELOPMENT

Item A: Redevelopment

Item 1 is amended to protect statutory language that allows cities to recapture city/agency loans during the redevelopment dissolution process, as was negotiated by Long Beach in AB 1484.

Item 2 is deleted since the terms of the 5-year loan of Housing Set Aside funds authorized as part of the State's 2010 Redevelopment ERAF shift no longer apply with the dissolution of Redevelopment.

Item 3 is deleted since it was specific to powers authorized in Redevelopment law; Redevelopment no longer exists.

Item 2 is amended to give the City authority to move forward on addressing challenges that may arise as the Redevelopment dissolution process continues.

Item 3 is added to protect statutory language that allows cities to recapture existing redevelopment bond revenues.

Item 4 is added to protect a city's right to access land owned by the city's redevelopment agency prior to the agency's dissolution.

Item 5 is added to enable the City to support or sponsor legislation that would return the non-monetary powers of former Redevelopment Agencies to cities, such as land use disposal.

ADDITIONAL ISSUES OF STATE LEGISLATIVE IMPORTANCE

Item D: Sales Tax

Item 4 is added to protect the City's full receipt of local sales tax revenue, as authorized by the Bradley-Burns Uniform Local Sales and Use Tax.

Next Steps

A State Legislation Committee meeting has been called for November 13, 2012 to review and discuss the recommended changes. City Council discussion and approval of the Committee's recommendations is expected to take place after the Committee takes action.
