Lenore Blueford,

Thank you for the opportunity to quote on your annual contract for electric supplies. Metropolitan Electrical Distributors appreciates and enjoys servicing the City under the current contract. We have taken the time to get to know each of your divisions and we always aspire to find the best way to furnish their particular electrical needs. As part of our initiative to better serve the City of Long Beach, we now have access to a local distributor that the City of Long Beach can utilize for will call business. Deliveries will continue to be serviced out of our main facility in downtown LA. We hope this additional service element will make it easier for your employees to pickup material when they need to.

Our copy of pricing and references for Bid # PA-00706 is attached. If there are questions about these or anything above, please feel free to contact me at 213-324-5049.

Sincerely,

Jenny Fletcher
