Eric,

I'm supporting your application to the City to extend the park-let dining.

People loved it, it did not impact parking, and as long its built with taste and style for Second St i believe everyone wins including the City of Long Beach.

Best

Hi Eric,

I wanted to send a letter of support for keeping the outdoor Parklet. It's the only place my wife and I usually sit when we visit your establishment. With small children and being a beach town it's one of our favorite places to enjoy the outdoors and enjoy the beach breeze. We hope the city will decide to keep the outdoor space for Legends as it is a staple in our town and provides options for people to still sit outside.

Best,
Shana Welch and Robyn Gordin

Dear Legends Team,

I hope this email finds you in high spirits. On behalf of the Long Beach State women's water polo program, I want to extend our deepest gratitude for the unwavering support you have provided us over the years. Your dedication to our team and the sport of water polo has not gone unnoticed, and we are truly grateful for your partnership.

Additionally, we are aware of the challenges you face in renewing the outdoor Parklet. We believe that the Parklet serves as more than just a physical extension of Legends—it has become a vibrant community space where people come together to create lasting memories. It complements your establishment, enhancing the overall experience for patrons and athletes alike.

As stakeholders in the Long Beach community, we stand firmly behind the renewal of the Parklet. Its presence is a testament to your commitment to making a positive impact and fostering a sense of belonging in our city.

We kindly request that decision-makers acknowledge the value that the outdoor Parklet brings to our community. Its preservation will undoubtedly continue to benefit not only Legends but also all those who cherish the camaraderie and joy it has brought into our lives.

Thank you once again for your invaluable support and for being strong advocates of our water polo program. We stand united in our hope for the Parklet's continued existence, and we eagerly await a favorable outcome.

With immense appreciation,

Lara Luka
