

**eComments Report for City Council Meeting Agenda of January 19, 2016**

Item	Name	E-mail	Street	Neighborhood	City	State	Zip	Comment	Received
17. (16-0015) Recommendation to adopt Specifications No. RFQ AP15-203 and award a contract to Jacobs Engineering Group, Inc., of Fort Worth, TX, to provide a comprehensive Feasibility Study for a Federal Inspection Service Facility at the Long Beach Airport, in an amount not to exceed \$349,845, for a period of one year; authorize City Manager, or designee, to execute all documents necessary to enter into the contract, including any necessary amendments thereto; and  Increase appropriations in the Airport Fund (EF 320) in the Airport Department (AP) by \$349,845. (District 5)	Mauna Eichner	melf@charter.net			Long Beach	CA	90806	Instead of this action, please consider a substitute motion where Council analyzes and discuss thoroughly if the City of Long Beach should expose itself to the risk of hurting it's protective noise ordinance. Even if Jet Blue says it will do everything within the ordinance, other international carriers will be enticed to come and they won't be obligated to stay within the ordinance. The City could ultimately lose control of this power. Thank you. Mauna Eichner and Lee Fukui	1/19/2016
