Annual Evaluation Report

For Fiscal Year (FY) 2011–12, the maximum amount approved by the Even Start Office for preparation of the annual program evaluation, evaluation activities (including services for an independent evaluator), and data collection will be \$4,000.

Noncompliance

All grantees must comply with the Education Department General Administrative Regulations (EDGAR), Subpart C, Section 80:43 under Enforcement:

(a) Remedies for noncompliance. If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions as appropriate in the circumstances: (1) temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency; (2) disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance; (3) wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program; (4) withhold further awards for the program; or (5) take other remedies that may be legally available.

Budget Revisions

Any budget revision in excess of 10 percent in any budget category will require prior written approval from the Even Start Program. The final deadline to request a budget revision for FY 2011–12 is **May 1, 2012**.

Timeline for Financial Reports

The Financial Reports are a sequence of expenditures that occur throughout the entire accounting process. These reports are intended to assist projects with the quarterly monitoring of their expenditures and ensure accountability of all expenditures that were approved in the FY 2011–12 budget. These reports are due **October 31, 2011**, and **March 30, 2012**.
