CONTRACT

31448

1
2
3 THIS CONTRACT is made and entered, in duplicate, as of November 13,
4 2009 for reference purposes only, pursuant to Resolution No. RES-09-0135, adopted by
5 the City Council of the City of Long Beach at its meeting on November 10, 2009, by and
6 between MCNEILUS TRUCK AND MANUFACTURING, INC., a Minnesota corporation
7 ("Contractor"), with a place of business at 401 N. Pepper, Colton, California 92324 and
8 the CITY OF LONG BEACH ("City"), a municipal corporation.

9 WHEREAS, the City currently owns sixty-Nine (69) McNeilus refuse trucks
10 and Eighteen (18) more units are on order; and

11 WHEREAS, the City will need replacement parts for the repair and
12 maintenance of these refuse trucks; and

13 WHEREAS, Contractor is the sole manufacturer for the replacement parts
14 the City needs to maintain its McNeilus refuse trucks and the company does not utilize
15 independent distributors; and

16 WHEREAS, City did by Resolution No. RES-09-0135 determine that the
17 City's need to purchase these replacement parts could only be met by Contractor and, by
18 reason of the foregoing, no useful purpose would be served by advertising for bids to
19 purchase such parts and to do so would constitute an idle and useless act and an
20 unnecessary expenditure of public funds because McNeilus Truck and Manufacturing,
21 Inc. is the only corporation, firm or individual that could or would bid for the furnishing of
22 these parts to the City;

23 NOW, THEREFORE, in consideration of the mutual terms and conditions
24 contained herein, the parties agree as follows:

25 1. Contractor shall sell, furnish and deliver to City replacement parts as
26 authorized by Resolution No. RES-09-0135 and described in Exhibit "A" attached to this
27 Contract and incorporated by this reference.

28 2. City shall pay Contractor in due course of payments for these

1 replacement parts the prices shown in Exhibit "A", a sum not to exceed Two Hundred
2 Seventy-Five Thousand Dollars (\$275,000), including tax, for a period of one year.

3 City shall pay in due course of payments following receipt of an invoice from
4 Contractor identifying the type and number of replacement parts provided to the City.

5 3. The term of this Contract shall commence at midnight on November
6 15, 2009, and shall terminate on November 15, 2010 unless sooner terminated as
7 provided herein. The City has the option to extend the contract for two (2) additional
8 periods of one (1) year each at the discretion of the City Manager, and may terminate this
9 Contract by giving thirty (30) days prior notice of termination to Contractor.

10 4. Neither this Contract nor any of the moneys that may become due
11 Contractor hereunder may be assigned without the prior written consent of City.

12 5. Any notices required hereunder or desired to be given by either party
13 shall be in writing and personally delivered or deposited in the U.S. Postal Service, first
14 class postage prepaid, addressed to Contractor at the address stated herein, and to City
15 at 333 West Ocean Boulevard, Long Beach, California 90802 Attn: City Manager. Notice
16 shall be deemed given on the date personal delivery is made or on the date of deposit in
17 the mail, whichever first occurs.

18 6. City shall have the benefit of any warranty from the manufacturer on
19 the replacement parts supplied and Contractor warrants that the replacement parts are in
20 good working order and free from defect at the time of delivery.
