PUBLIC COMMENT:	Mimi Fox	mimi.fox@verizon.net		8th District, Rae Gabelich	Long Beach	CA	90807	(This letter has been sent to the Press Telegram two times, but has not been published.) Re: Long Beach council avoids Bixby Knolls redistricting split Is it my imagination or did I dream the City Council meeting last Tuesday? Is it possible that I am the ONLY resident who has written to comment on it in the P.T.? At least 35 citizens spoke regarding the proposals for redistricting in the Eighth District. Most were passionately against breaking up the district as proposed by Mr. Johnson. Not until Jeff Kellogg spoke did we learn that the Johnson proposal was a ruse to sidestep the real issue: eliminating the candidacy of the only declared candidate for the Council seat in the Eighth. Thank you Mr. Kellogg for bringing honesty and transparency to this meeting. Will you please run again? Mimi Fox	7/10/2011
