1. (19-0645) Recommendation to receive supporting documentation into the record, conclude the public hearing, and deny an appeal/protest by Lennar Multifamily Communities (LMC), of the imposition of a Park and Recreation Facilities Fee, pursuant to Chapter 18.18, of the Long Beach Municipal Code, for the Oceanaire Project, at 150 West Ocean Boulevard (SPR1411-01, Mitigated Negative Declaration 03-15, dated June 1, 2015). (District 2)	Anne Proffit	anne@highpowermedia.com						Please do deny their appeal and thank you. Ridiculous they are trying to renege on an agreement with us, the people of this city. Parks, trees are important to our safety.	7/16/2019 10:42

(District 2)	GLennis Dolce	glennisd@mac.com						please support staff recommendation to deny appeal park and rec fees. Lennar should pay fees as previously agreed to. Thank you.	7/15/2019 16:05
2. (19-0694) Adopt resolution directing the Director of Development Services to submit the Ordinance amendments to the California Coastal Commission for a finding of conformance with the Certified Local Coastal Program. (Citywide)	Anne Proffit	anne@highpowermedia.com						It would certainly be visionary if the city would confirm to coastal programs, which it certainly has not done lately. I note the removal of Marina Drive palm trees with Great Heron nests and the removal of 19 palms at the site where a new refreshment stand will be built. Obey the laws, city of Long Beach, or face the consequence of lawsuits, the only thing you seem to understand.	7/16/2019 10:45
4. (19-0648) Recommendation to receive and file a report on travel to Honolulu June 28-July 1, 2019 for the US Conference of Mayors 2019 Annual Meeting.	Anne Proffit	anne@highpowermedia.com						With budgetary difficulties that force the city to declare a fiscal emergency, a trip to Honolulu is an extravagance we can't afford.	7/16/2019 10:46

30. (19-0678) Recommendation to adopt resolution calling for the placement of a General Tax Measure on the Ballot of the March 3, 2020 Special Municipal Election for submission to the qualified voters of the City of Long Beach an amended ordinance to extend and adjust the rate of a Transactions and Use Tax, and making findings of fiscal emergency pursuant to California Proposition 218;	Anne Proffit	anne@highpowermedia.com						THERE IS NO FISCAL EMERGENCY HERE. If there were, you wouldn't approve \$1M for a media wall and other nonsensical ideas that get approved by the 9-0 cabal at city hall. I realize you are going to trot out Beverly O'Neill, Bob Foster and Dr Mayor Hypocrisy for this, along with the recipients of this money, the desk jockeys and managers at LBPD and LBFD. As you keep adding management to city payrolls and are required to pay them unfunded pensions, you've made a big error. And.We.Will.Fight.This.	7/16/2019 10:56

Extending the Measure A tax into a forever tax was not what was promised to voters. This is NOT a fiscal emergency. If it were a fiscal emergency, why did you all vote for a million dollar media wall? For \$700,000 in "furniture enhancements"? Please honestly answer this question. These are just two of the most glaring and obvious examples. These expenditures all add up folks- and not to a fiscal emergency! Again, please vote this down.	7/15/2019 16:33
(19-0680) Adopt resolution requesting the Board of Supervisors of the County of Los Angeles to consolidate a Special Municipal Election for one local initiative measure to be held on March 3, 2020 with the Statewide Primary Election to be held on that date pursuant to Section 10403 of the Elections Code.	Anne Proffit	anne@highpowermedia.com						Our cost in holding this election for your ego boost is deplorable.	7/16/2019 10:57

<p>32. (19-0683) Recommendation to receive the results of the ballot tabulation from the City Clerk, the tabulator, for the proposed Mosquito and Vector Control Program (VCP) Benefit Assessment District; and</p> <p>If a majority protest does not exist, adopt resolution approving the Engineer's Report, confirming diagram and assessment, and ordering the levy of the VCP Benefit Assessment for Fiscal Year 2019-20; or</p> <p>If a majority protest does exist, the City Council cannot take action on the resolution. (Citywide)</p>	Anne Proffit	anne@highpowermedia.com						I sure hope others joined me and everyone in our building in protesting this usurious fee. We already pay for mosquito abatement and this money will be wasted - again - in the sewer known as the general fund. #thelongbeachmayoriscorrupt	7/16/2019 10:59
PUBLIC COMMENT:	Anne Proffit	anne@highpowermedia.com						Naming the Main Downtown public library for a tennis player, no matter how wonderful she is, arks another downward slope for clowncil. I realize you're doing this to remediate CD2's "rep" but it's not the right thing and not the right time. It's the Main Library. Let it stay that way.	7/16/2019 11:02
