## Service Rates

As requested, a schedule is presented below of hourly rates for the personnel being offered to the City of Long Beach. These rates are fully burdened, and the only additional or incidental costs that would be billed to the City are reimbursable costs that are approved by the City. The City would not be billed for travel time, but only for those hours worked by our staff at City of Long Beach offices, actual project sites, or our offices.

Name/Title	Hourly Rate
Damien Delany, Project Manager	\$154.00
Sandra Lee, Labor Compliance Officer	\$113.00

Michael Baker understands that project-specific cost proposals will be requested and the City will issue purchase order agreements on an as-needed basis. The rates quoted above are subject to a 3 percent increase on January 1<sup>st</sup> of each year.

Michael Baker will submit invoices for each assigned project on a monthly basis. Invoices will be submitted by the tenth (10<sup>th</sup>) of the month and include a breakdown of employee position, name, rate, and hours worked. A detailed summary of the tasks performed (labor compliance monitoring activities) will be attached as supporting documentation for the work hours reported on invoice.

Michael Baker will include on each invoice the project name and number, applicable Purchase Order number, the not-to-exceed” amount stated on the project-specific cost proposal, cumulative amount charged to date for the project, and the monthly amount being charged for that invoice.
