RECITALS

1. HUD and the Grantee entered into SHP Grant Agreement CA0632B9D060802 on July 8, 2010 (the Grant Agreement). The Sponsor for the project was the PATH Ventures (PATH).
2. Under the terms of the grant, the grantee received \$650,823 to be used to carry out the project.
3. The grant term was for one year beginning November 1, 2010 and ending October 31, 2011.
4. By letter dated March 31, 2011, the Grantee requested that the grant be amended to incorporate revised budget line items that would better accommodate the remaining eight months in the grant period.
5. The project that is funded by grant CA0632B9D060802 will continue to provide the same services to the same number of clients.
6. HUD has reviewed the initial application and the proposed change and has determined that, with the change, the application ranking would have been high enough to be competitively selected in the year the application was initially selected.
7. The need for this project and the need for assistance to homeless persons continues within the jurisdiction where the project is located.
8. HUD has reviewed the project and has determined that it should be continued.
