Subject Re: signature confirmation please 

Lenore,

Technically, the letter is NOT sufficient. The vendors need to get in the habit of providing certified Board resolutions, not letters from officers. However, since one of the signatures is of a Vice President, which is an executive office, I will accept the signatures this time.

Hi Ross,

Leonor at the City of Long Beach needs a Corporate Resolution making Todd and I (the signatures on the Bid Form) authorized to sign. I told her that I might be able to get a letter from the President but not a Corporate Resolution because our Board is not meeting today. She said she thought that might work but we need it quick.

If you don't mind the words, sign or otherwise authorize the attached and send it back.

Thanks...
